At the time, the 3rd edition was  
sold for \$150 and I bought this  
2nd edition used for about \$25.  
Anyways, for those wondering  
if there is a huge difference in  
the materials covered between  
the books, there are not. The  
2nd edition is basically  
identical to the 3rd edition.  
Practice problems, examples,  
and chapter contents are the  
same.
