"Brilliant, wise, profound and persuasive. Common Sense for the 21st Century will come to be recognized as a classic of political theory."—George Monbiot, via Twitter An urgent, essential, and practical call to action from a cofounder of Extinction Rebellion What can we all do to avert catastrophe and avoid extinction? Roger Hallam has answers. In *Common Sense for the 21st Century*, Roger Hallam, cofounder of Extinction Rebellion, outlines how movements around the world need to come together now to start doing what works: engaging in mass civil disobedience to make real change happen. The book gives people the tools to understand not only why mass disruption, mass arrests, and mass sacrifice are necessary but also details how to carry out acts of civil disobedience effectively, respectfully and nonviolently. It bypasses contemporary political theory, and instead is inspired by Thomas Paine, the pragmatic 18th-century revolutionary whose pamphlet *Common Sense* sparked the American Revolution. *Common Sense for the 21st Century* urges us to confront the

truth about climate change and thrown out of the NPC-forever. But will she be able to follow her own decree when she sees that Derrington has ditched his shorts-obsession in favor of ah-dorable jeans? Alicia Rivera: Is the opposite of onboard with the boyfast. Her crush, the Ralph Lauren-luh-ving Josh Hotz, is more irresistible than cr è me br û l é e fro-yo. But is he worth losing her spot in the NPC? And taking on the wrath of Massie? Dylan Marvil: Is so ready for the boyfast. She's straightened her unruly red hair and permanently pressed boys out of her life. If only she could do the same with curly fries and caramel popcorn. Kristen Gregory: Has traded her sporty-chic Pumas for Billabong board shorts and a shark tooth necklace. She claims she's sworn off boy-crushes, so what's with her Blue Crush makeover? Claire Lyons: Spent all summer thinking about Cam's one blue eye and one green eye. But now he's moved on to a new girl faster than you can say cuh-yutest couple. At least Claire finally has a secure spot in the NPC-unless jealousy-flirting breaks the boyfast. . . . The Clique: The only thing harder than getting in is staying in. Best Friends for Never Harper Collins Just as the Pretty Committee is getting bored with being expelled and Massie begins worrying about losing her spot as the most popular girl, Claire is cast in a Hollywood film, and as Massie and Alicia report live from the set, Kristen and Dylan keep them posted on events in Westchester County. In *Dubious Battle* Simon and Schuster A teenage assassin kills with a single kiss until she is ordered to kill the one boy she loves. This commercial YA fantasy is romantic and addictive—like a poison kiss—and will thrill fans of Sarah J. Maas and Victoria Aveyard. Marinda has kissed dozens of boys. They all die afterward. It ' s a miserable life, but being a visha kanya—a poison maiden—is what she was created to do. Marinda serves the Raja by dispatching his enemies with only her lips as a weapon. Until now, the men she was ordered to kiss have been strangers, enemies of the kingdom. Then she receives orders to kiss Deven, a boy she knows too well to be convinced he needs to die. She begins to question who she ' s really working for. And that is a thread that, once pulled, will unravel more than she can afford to lose. This rich, surprising, and accessible debut is based in Indian folklore and delivers a story that will keep readers on the edge of their seats. The Pretty Committee Strikes Back Turtleback Books During the Cold War, freedom of expression was vaunted as liberal democracy ' s most cherished possession—but such freedom was put in service of a

hidden agenda. In *The Cultural Cold War*, Frances Stonor Saunders reveals the extraordinary efforts of a secret campaign in which some of the most vocal exponents of intellectual freedom in the West were working for or subsidized by the CIA—whether they knew it or not. Called "the most comprehensive account yet of the [CIA 's] activities between 1947 and 1967" by the *New York Times*, the book presents shocking evidence of the CIA 's undercover program of cultural interventions in Western Europe and at home, drawing together declassified documents and exclusive interviews to expose the CIA 's astonishing campaign to deploy the likes of Hannah Arendt, Isaiah Berlin, Leonard Bernstein, Robert Lowell, George Orwell, and Jackson Pollock as weapons in the Cold War. Translated into ten languages, this classic work—now with a new preface by the author—is "a real contribution to popular understanding of the postwar period" (*The Wall Street Journal*), and its story of covert cultural efforts to win hearts and minds continues to be relevant today.

Massie a hero for hosting the first boy/girl Halloween party of eighth grade. But her parents insist that she invite the entire class. Unfortunately for Massie, that means "everyone."

**Blindness** Ember  
How three key figures in Moscow, Beijing, and Tehran built ruthless irregular warfare campaigns that are eroding American power. In *Three Dangerous Men*, defense expert Seth Jones argues that the US is woefully unprepared for the future of global competition. While America has focused on building fighter jets, missiles, and conventional warfighting capabilities, its three principal rivals—Russia, Iran, and China—have increasingly adopted irregular warfare: cyber attacks, the use of proxy forces, propaganda, espionage, and disinformation to undermine American power. Jones profiles three pioneers of irregular warfare in Moscow, Beijing, and Tehran who adapted American techniques and made huge gains without waging traditional warfare: Russian Chief of Staff Valery Gerasimov; the deceased Iranian Major General Qassem Soleimani; and vice chairman of China 's Central Military Commission Zhang Youxia. Each has spent his career studying American power and devised techniques to avoid a conventional or nuclear war with the US. Gerasimov helped oversee a resurgence of Russian irregular warfare, which included attempts to undermine the 2016 and 2020 US presidential elections and the SolarWinds cyber attack. Soleimani was so effective in expanding Iranian power in the Middle East that Washington targeted him for assassination. Zhang Youxia presents the most alarming challenge because China has

more power and potential at its disposal. Drawing on interviews with dozens of US military, diplomatic, and intelligence officials, as well as hundreds of documents translated from Russian, Farsi, and Mandarin, Jones shows how America 's rivals have bloodied its reputation and seized territory worldwide. Instead of standing up to autocratic regimes, Jones demonstrates that the United States has largely abandoned the kind of information, special operations, intelligence, and economic and diplomatic action that helped win the Cold War. In a powerful conclusion, Jones details the key steps the United States must take to alter how it thinks about—and engages in—competition before it is too late.

A tragic haircut leaves Kristen looking manlier than a New York Jets linebacker. Will she be condemned to a season of trying to find cute hats when, as everyone knows, hats are so over? Meanwhile, Claire got everything she wants -- new camo Converse high-tops, bag and bags of gummies, and best of all, her first ever cell phone, from Massie. Although Claire's now an official member of the Clique, presents don't matter to her -- all she really wants is her first kiss from Cam, of course!

A stunningly powerful novel of humanity's will to survive against all odds during an epidemic by a winner of the Nobel Prize for Literature. An International Bestseller • "This is a shattering work by a literary master. " —*Boston Globe* A city is hit by an epidemic of "white blindness" which spares no one. Authorities confine the blind to an empty mental hospital, but there the criminal element holds everyone captive, stealing food rations and raping women. There is one eyewitness to this nightmare who guides seven strangers—among them a boy with no mother, a girl with dark glasses, a dog of tears—through the barren streets, and the procession becomes as uncanny as the surroundings are harrowing. A magnificent parable of loss and disorientation, *Blindness* has swept the reading public with its powerful portrayal of our worst appetites and weaknesses—and humanity's ultimately exhilarating spirit. "This is a an important book, one that is unafraid to face all of the horror of the century."—*Washington Post* A New York Times Notable Book of the Year A Los Angeles Times Best Book of the Year A Bratfest at Tiffany's Random House

The first full account, based on access to key players who have never before spoken, of the Munich Massacre and the Israeli response — a lethal, top secret, thirty-year-long antiterrorism campaign to track down the killers. 1972. The Munich Olympics. Palestinian members of the Black September group murder eleven Israeli athletes. Nine hundred million people watch the crisis unfold on television, witnessing a tragedy that inaugurates the modern age of terror and remains a scar on the collective conscience of the world. Back in Israel, Prime Minister Golda Meir vows to track down those responsible and, in Menachem Begin 's words, “ run these criminals and murderers off the face of the earth. ” A secret Mossad unit, code named Caesarea, is mobilized, a list of targets drawn up. Thus begins the Israeli response — a mission that unfolds not over months but over decades. The Mossad has never spoken about this operation. No one has known the real story. Until now. Award-winning journalist Aaron Klein 's incisive and riveting account tells for the first time the full story of Munich and the Israeli counterterrorism operation it spawned. With unprecedented access to Mossad agents and an unparalleled knowledge of Israeli intelligence, Klein peels back the layers of myth and misinformation that have permeated previous books, films, and magazine articles about the “ shadow war ” against Black September and other terrorist groups. Spycraft, secret diplomacy, and fierce detective work abound in a story with more drama than any fictional thriller. Burning questions are at last answered, including who was killed and who was not, how it was done, which targets were hit and which were missed. Truths are revealed: the degree to which the Mossad targeted nonaffiliated Black September terrorists for assassination, the length and full scope of the operation (far greater than previously suspected), retributive acts against Israel, and much more. Finally, Klein shows that the Israeli response to Munich was not simply about revenge, as is popularly believed. By illuminating the tactical and strategic purposes of the Israeli operation, *Striking Back* allows us to draw profoundly relevant lessons from one of the most important counterterrorism campaigns in history.

A riveting novel of labor strife and apocalyptic violence, now a major motion picture starring James Franco, Bryan Cranston, Selena Gomez, and Zach Braff A Penguin Classic At once a relentlessly fast-paced, admirably observed novel of social unrest and the story of a young man's struggle for identity, In Dubious Battle is set in the California apple country, where a strike by migrant workers against rapacious landowners spirals out of control, as a principled defiance metamorphoses into blind fanaticism. Caught in the upheaval is Jim Nolan, a once aimless man who find himself in the course of the strike, briefly becomes its leader, and is ultimately crushed in its service. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

THE CLIQUE is back... Massie Block: With her glossy brunette bob and Whitestrip smile, Massie is the uncontested ruler of The Clique and the rest of the social scene at Octavian Country Day, an exclusive private school in Westchester County, New York. Claire Lyons: Has finally arrived! But will she be able to stay in Massie's inner circle? Alicia Rivera: Would love to take Massie's throne one day. Just might do it. Dylan Marvil: Massie's second in command, who divides her time between sucking up to Massie and sucking down Atkin's shakes. Kristen Gregory: Will insult you to tears faster than you can say "scholarship kid." THE CLIQUE...The only thing harder than getting in is staying in.

The Good Wife Strikes Back Vintage

Eagerly anticipated by her legions of fans, this sixth novel in Diana Gabaldon ' s bestselling Outlander saga is a masterpiece of historical fiction from one of the most popular authors of our time. Since the initial publication of Outlander fifteen years ago, Diana Gabaldon ' s New York Times bestselling saga has won the hearts of readers the world over — and sold

more than twelve million books. Now, A Breath of Snow and Ashes continues the extraordinary story of 18th-century Scotsman Jamie Fraser and his 20th-century wife, Claire. The year is 1772, and on the eve of the American Revolution, the long fuse of rebellion has already been lit. Men lie dead in the streets of Boston, and in the backwoods of North Carolina, isolated cabins burn in the forest. With chaos brewing, the governor calls upon Jamie Fraser to unite the backcountry and safeguard the colony for King and Crown. But from his wife Jamie knows that three years hence the shot heard round the world will be fired, and the result will be independence — with those loyal to the King either dead or in exile. And there is also the matter of a tiny clipping from The Wilmington Gazette, dated 1776, which reports Jamie ' s death, along with his kin. For once, he hopes, his time-traveling family may be wrong about the future.
