While it can be frightening to speak out, it's time for those prepared to check class privilege to stand up and be counted. Kevin Price said that "there are times... when conscience must be weighed against the pull of the party." Wherever you stand on this issue, Cambridge students should take a leaf out of his book.

The Price of Privilege: How Parental Pressure and Material ...

The Price of Privilege speaks to the paradox in North American youth culture of being well-heeled yet being depressed and "out of sorts" with yourself. Money can buy you stuff, but it cannot bring the satisfaction of knowing that you are loved and connected to people who matter most - the family.

The Price of Privilege | Madeline Levine, Ph.D.

The Price of Privilege is one of the better books I've read in quite some time. I found it insightful, approachable, and practical. While the majority of the book is about the psychological challenges kids from affluent homes are experiencing, I would recommend this book to any parent.
