In *The Price of the Ticket*, Fred Harris contends that Obama's success has, in reality, exacted a negative price. His victory has not only utterly transformed the forms of black politics that emerged in the 1960s and which laid the foundation for his eventual ascendance, Harris claims-it has profoundly weakened them.

beyond. Learn how the restorative middle castle and grounds days and the New are transformed by Year's Eve decorations, celebrations. This including the raising book also tells the of a twenty-foot tree story of historic in the saloon, the Christmases at gathering of holly Highclere - of and mistletoe from distinguished guests the grounds. All the warming themselves by the fire after a long spirit to their own perfect traditional journeys home through home. Lady Carnarvon Christmas are here: the snow, unexpected divulges the secret from crackers and knocks on the door, to perfectly flakey carol singers. The and, always, the joy mince pies, the festive feeling is of bringing family - proper way to wrap carried through to and staff - together presents so that you Highclere's Boxing after a busy year. As and your guests are Day traditions, the well as telling the guaranteed a

Christmas to remember. Lavish, celebratory and utterly enchanting, Christmas at Highclere is celebration of one of the UK's most beloved historic houses and is the perfect gift for any Downton Abbey fan.

Prophet Against

Slavery Blue Sky Press
"This powerful and meticulously argued book reveals that immigration crackdowns ... [have] always been about saving and

protecting the racist idea of a white America." —Ibram X. Kendi, award-winning author of *Four Hundred Souls* and *Stamped from the Beginning* "A damning inquiry into the history of the border as a place where race is created and racism honed into a razor-sharp ideology." —Greg Grandin, Pulitzer Prize-winning author of *The End of the Myth* Recent racist anti-immigration policies, from the border wall to the Muslim ban, have left many Americans

wondering: How did we get here? In what readers call a "chilling and revelatory" account, Reece Jones reveals the painful answer: although the US is often mythologized as a nation of immigrants, it has a long history of immigration restrictions that are rooted in the racist fear of the "great replacement" of whites with non-white newcomers. After the arrival of the first slave ship in 1619, the colonies that became

the United States were based on the dual foundation of open immigration for whites from Northern Europe and the racial exclusion of slaves from Africa, Native Americans, and, eventually, immigrants from other parts of the world. Jones's scholarship shines through his extensive research of the United States' racist and xenophobic underbelly. He connects past and present to uncover the link between the Chinese Exclusion laws of the 1880s, the "Keep America American" nativism of the 1920s, and the "Build the Wall" chants initiated by former president Donald Trump in 2016. Along the way, we meet a bizarre cast of anti-immigration characters, such as John Tanton, Cordelia Scaife May, and Stephen Miller, who pushed fringe ideas about "white genocide" and "race suicide" into mainstream political discourse. Through gripping stories and in-depth analysis of major immigration cases, Jones explores the connections between anti-immigration hate groups and the Republican Party. What is laid bare after his examination is not just the intersection between white supremacy bias but also the lasting impacts this perfect storm of hatred has had on United States law.

Ticket Masters Beacon Press

With this brilliant collection of short stories, Jayne Anne Phillips immediately established herself as

one of the most gifted young writers of her generation. Resonating with the undeniable power of myth, these tales of initiation and betrayal focus on an astonishing gallery of characters: a rootless young woman confronts her divorced parents, a fourteen-year-old girl leaves a series of foster homes for the bleak and compelling world of two drug addicts, a mass murderer recites a hypnotic monologue of obsession and alienation. In this,

her fictional debut, Jayne Anne Phillips paints an unforgettable portrait of the men and women who, though stranded on the dark side of the American dream, continue to search for love and redemption.

James Baldwin Tate Pub & Enterprises Llc

From one of the most brilliant and provocative literary figures of the past century—a collection of essays, articles, reviews, and interviews that have never before been gathered in a single volume. "An absorbing

portrait of Baldwin's time—and of him." —New York Review of Books James Baldwin was an American literary master, renowned for his fierce engagement with issues haunting our common history. In *The Cross of Redemption* we have Baldwin discoursing on, among other subjects, the possibility of an African-American president and what it might mean; the hypocrisy of American religious fundamentalism; the black church in

America; the trials and tribulations of black nationalism; anti-Semitism; the blues and boxing; Russian literary masters; and the role of the writer in our society.

Prophetic and bracing, *The Cross of Redemption* is a welcome and important addition to the works of a cosmopolitan and canonical American writer who still has much to teach us about race, democracy, and personal and national identity. As Michael Ondaatje has remarked,

"If van Gogh was our nineteenth-century artist-saint, Baldwin [was] our twentieth-century one."

The Price of the Ticket Oxford University Press
Without William Shakespeare, we wouldn't have literary masterpieces like *Romeo and Juliet*. But without Henry Condell and John Heminges, we would have lost half of Shakespeare's plays

forever! After the death of their friend and mentor, the two actors are determined to compile the First Folio and preserve the words that shaped their lives. They'll just have to borrow, beg, and band together to get it done. Amidst the noise and color of Elizabethan London, *THE BOOK OF WILL* finds an unforgettable true

story of love, loss, and laughter, and sheds new light on a man you may think you know.
