**The Privilege of Youth** Frances Lincoln Limited  
Tells the story of a child's abuse at the hands of his alcoholic mother

**The Privilege of Youth** Penguin UK

First published in 1999, Mary Pattillo's *Black Picket Fences* explores an American demographic group too often ignored by both scholars and the media: the black middle class. Nearly fifteen years later, this book remains a groundbreaking study of a group still underrepresented in the academic and public spheres. The result of living for three years in "Groveland," a black middle-class neighborhood on Chicago's South Side, *Black Picket Fences* explored both the advantages the black middle class has and the boundaries they still face. Despite arguments that race no longer matters, Pattillo showed a different reality, one where black and white middle classes remain separate and unequal. Stark, moving, and still timely, the book is updated for this edition with a new epilogue by the author that details how the neighborhood and its residents

fared in the recession of 2008, as well as new interviews with many of the same neighborhood residents featured in the original. Also included is a new foreword by acclaimed University of Pennsylvania sociologist Annette Lareau.

**Power and Privilege in the Learning Sciences** Penguin

"This collection of 100 original dares will help boys expand their worldview, inspire more respect toward girls and non-binary kids, and generally develop a healthier idea of manhood." --Amazon.

<p>Tiffany D. Jackson about a girl convicted of murder seeking the truth while surviving life in a group home. Mary B. Addison killed a baby. Allegedly. She didn't say much in that first interview with detectives, and the media filled in the only blanks that mattered: a white baby had died while under the care of a churchgoing black woman and her nine-year-old daughter. The public convicted Mary and the jury made it official. But did she do it? There wasn't a point to setting the record straight before, but now she's got Ted—and their unborn child—to think about. When the state threatens to take her baby, Mary's fate now lies in the hands of the one person she distrusts the most: her Momma. No one knows the real Momma. But does anyone know the real Mary?</p>	<p><b>The Making of an Adolescent Elite at St. Paul's School</b> Simon and Schuster</p> <p>The author reveals the story of his struggle through the challenges of adolescence, detailing the taunting he endured from bullies, the joys of making his first real friends, and his quest to escape his difficult home life.</p> <p><b>My Story</b> Penguin</p> <p>Winner, 2019 William J. about race American kids are living in a world of ongoing public debates about race, daily displays of racial injustice, and for some, an increased awareness surrounding diversity and inclusion. In this heated context, sociologist Margaret A. Hagerman zeroes in on affluent, white kids to observe how they make sense of privilege, unequal educational opportunities, and police violence. In fascinating detail, Hagerman considers the role that they and their families play in the reproduction of racism and racial inequality in America. *White Kids*, based on two years of research involving in-depth interviews with white kids and their families, is a clear-eyed and sometimes shocking account of how white kids learn about race. In doing so, this book explores questions such as, “How do white kids learn about race when they grow up in families that do not talk openly about race or acknowledge its impact?” and “What about children growing up in families with parents who consider themselves to be ‘anti-racist’?” Featuring the actual voices of young, affluent white kids and what they think about race, racism, inequality, and privilege, *White Kids* illuminates how white racial socialization is much more dynamic, complex, and varied than previously recognized. It is a process that stretches beyond white parents’ explicit conversations with their white children and includes not only the

---

choices parents make about neighborhoods, schools, peer groups, extracurricular activities, and media, but also the choices made by the kids themselves. By interviewing kids who are growing up in different racial contexts—from racially segregated to meaningfully integrated and from politically progressive to conservative—this important book documents key differences in the outcomes of white racial socialization across families. And by observing families in their everyday lives, this book explores the extent to which white families, even those with anti-racist intentions, reproduce and reinforce the forms of inequality they say they reject.

The Privilege of Youth A Teenager's  
Story of Longing for Acceptance and  
Friendship Penguin

Know My Name Anchor

The #1 New York Times and #1 internationally bestselling author who is a shining example of what overcoming adversity really means now shares the lost chapter of his uplifting journey, which has touched the lives of millions. From A Child Called “ It ” to The Lost Boy, from A Man Named Dave to Help Yourself, Dave Pelzer ’ s inspirational books have helped countless others triumph over hardship and misfortune. In The Privilege of Youth, he shares the missing chapter of his life: as a boy on the threshold of adulthood. With sensitivity and insight, he recounts

---

the relentless taunting he endured from bullies; but he also describes the thrill of making his first real friends—some of whom he still shares close relationships with today. He writes about the simple pleasures of exploring his neighborhood, while trying to forget the hell waiting for him at home. From high school to a world beyond the four walls that were his prison for so many years, *The Privilege of Youth* bravely and compassionately charts this crucial turning point in Dave Pelzer's life and will inspire a whole new generation of readers.

### Developing Cultural Humility

Routledge

There are two narratives of the American class structure: one of a country with boundless opportunities for upward mobility

and one of a rigid class system in which the rich stay rich while the poor stay poor. Each of these narratives holds some truth, but each overlooks another. In *Privilege Lost*, Jessi Streib traces the lives of over 100 youth born into the upper-middle-class. Following them for over ten years as they transition from teens to young adults, Streib examines who falls from the upper-middle-class, how, and why don't they see it coming. In doing so, she reveals the patterned ways that individuals' resources and identities push them onto mobility paths--and the complicated choices youth make between staying true to themselves

---

and staying in their class position. Engaging and eye-opening, *Privilege Lost* brings to life the stories of the downwardly mobile and highlights what they reveal about class, privilege, and American family life. The Perils of "Privilege" Penguin  
For some kids, ways they can help eliminate racial injustice might be hard to see. After all, they are taught that people in society are all equal under the law. So why then does racial conflict still exist? And what can they as individuals do about it right now? One way is for white children to understand the unearned advantages they were born with based solely on the colour of their skin. This concept is called white privilege and this book

will help children of all races understand it, see how it affects them and find ways to speak out and take real action against it. *White Privilege: Deal with it in all fairness* provides scenarios, quizzes and Q&As that develop readers' understanding of the subject using situations that are realistic and that easily relate to their everyday lives. The topic is approached from three points of view: those who are "privileged," those who identify as "racialized" and those who want to be allies.

*Privilege Lost* Plume  
Universally acclaimed, rapturously reviewed, winner of the National Book Critics Circle Award for autobiography, and an instant New

---

York Times bestseller, Chanel Miller's breathtaking memoir "gives readers the privilege of knowing her not just as Emily Doe, but as Chanel Miller the writer, the artist, the survivor, the fighter." (The Wrap). "I opened Know My Name with the intention to bear witness to the story of a survivor. Instead, I found myself falling into the hands of one of the great writers and thinkers of our time. Chanel Miller is a philosopher, a cultural critic, a deep observer, a writer's writer, a true artist. I could not put this phenomenal book down." --Glennon Doyle, #1 New York Times bestselling author of Love Warrior and Untamed "Know My Name is a gut-punch, and in the end, somehow, also blessedly hopeful."

--Washington Post She was known to the world as Emily Doe when she stunned millions with a letter. Brock Turner had been sentenced to just six months in county jail after he was found sexually assaulting her on Stanford's campus. Her victim impact statement was posted on BuzzFeed, where it instantly went viral--viewed by eleven million people within four days, it was translated globally and read on the floor of Congress; it inspired changes in California law and the recall of the judge in the case. Thousands wrote to say that she had given them the courage to share their own experiences of assault for the first time. Now she reclaims her identity to tell her story of trauma, transcendence,

---

and the power of words. It was the perfect case, in many ways--there were eyewitnesses, Turner ran away, physical evidence was immediately secured. But her struggles with isolation and shame during the aftermath and the trial reveal the oppression victims face in even the best-case scenarios. Her story illuminates a culture biased to protect perpetrators, indicts a criminal justice system designed to fail the most vulnerable, and, ultimately, shines with the courage required to move through suffering and live a full and beautiful life. *Know My Name* will forever transform the way we think about sexual assault, challenging our beliefs about what is acceptable and speaking

truth to the tumultuous reality of healing. It also introduces readers to an extraordinary writer, one whose words have already changed our world. Entwining pain, resilience, and humor, this memoir will stand as a modern classic. Chosen as a BEST BOOK OF 2019 by The New York Times Book Review, The Washington Post, TIME, Elle, Glamour, Parade, Chicago Tribune, Baltimore Sun, BookRiot Privilege and Peril among the Black Middle Class *The Privilege of Youth* A Teenager's Story of Longing for Acceptance and Friendship Smart and socially gifted, Adam and Cynthia Morey are perfect for each other. With Adam 's rising career in the world of private equity, a beautiful

---

home in Manhattan, gorgeous children, and plenty of money, they are, by any reasonable standard, successful. But for the Moreys, their future of boundless privilege is not arriving fast enough. As Cynthia begins to drift, Adam is confronted with a choice that will test how much he is willing to risk to ensure his family's happiness and to recapture the sense that the only acceptable life is one of infinite possibility. The Privileges is an odyssey of a couple touched by fortune, changed by time, and guided above all else by their epic love for each other. BONUS: This edition contains a The Privileges discussion guide. Deal with it in all fairness Random

House  
Privilege—the word, the idea, the j'accuse that cannot be answered with equanimity—is the new rhetorical power play. From social media to academia, public speech to casual conversation, “Check your privilege” or “Your privilege is showing” are utilized to brand people of all kinds with a term once reserved for wealthy, old-money denizens of exclusive communities. Today, “privileged” applies to anyone who enjoys an unearned advantage in life, about which they are likely oblivious. White privilege, male privilege, straight privilege—those conditions make

---

everyday life easier, less stressful, more lucrative, and generally better for those who hold one, two, or all three designations. But what about white female privilege in the context of feminism? Or fixed gender privilege in the context of transgender? Or weight and height privilege in the context of hiring practices and salary levels? Or food privilege in the context of public health? Or two parent, working class privilege in the context of widening inequality for single parent families? In *The Perils of Privilege*, Phoebe Maltz Bovy examines the rise of this word into extraordinary potency. Does calling out privilege help to change or soften it? Or simply reinforce it by dividing people against themselves? And is privilege a concept that, in fact, only privileged people are debating?

*The Privilege of the Sword*  
University of Chicago Press  
#1 NEW YORK TIMES  
BESTSELLER • A special 20th anniversary edition of the beloved book that changed millions of lives—with a new afterword by the author Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound

---

place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder.

Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie

visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class": lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

A Memoir James Lorimer & Company

Dave Pelzer's bestselling autobiographical trilogy are an international phenomenon.

Distressing, heartbreaking and yet inspirational, the fourth in the series guarantees the same level of success. His next book centres on

---

his experience of bullying at school and the friends he made in his neighbourhood who helped him fight back. He tells the story of his high school years when he met two friends who helped him get through the perils and promises of adolescence. It is a story of hope and heartache, and reveals the many positive influences in Dave's teenage years as well as the agonizing choices he had to make to reclaim his life from the childhood he lost to abuse.

The Privilege of Persecution Simon and Schuster

As nearly four million readers have learned from his three previous books,

Dave Pelzer doesn't believe in feeling sorry for himself. Abused mercilessly by his mother as a child, Dave has taken everything that happened to him and turned it into something positive so that he can help others. Now happily married and with a child of his own, he celebrates the twin pillars of strength that saw him through his darkest hours: resilience and gratitude. And he shows how anyone can tap into these virtues to live a better and more fulfilling life. In *Help Yourself*, Dave Pelzer explains how to move beyond a painful history, harmful negative thoughts, and innumerable setbacks by urging readers to take control and be accountable for their lives. Filled with his own history, as well as the personal

---

struggles of others who have learned how to turn adversity into triumph, *Help Yourself* is a rousing call to readers who want real answers to real problems. Never before in paperback, it will undoubtedly join Pelzer's previous paperbacks on bestseller lists for years to come.

The Privilege of Youth One World

The remarkable trilogy from SUNDAY TIMES No.1 Bestseller Dave Pelzer - now in one volume. *A CHILD CALLED 'IT'* is Dave Pelzer's story of a child beaten and starved by his emotionally unstable, alcoholic mother: a mother who played torturous, unpredictable games that left one of her three sons nearly dead. Dave was no longer considered a son, or a boy, but an 'it'. His bed was an old army cot in the basement and when he was allowed

food it was scraps from the dogs' bowl.

Throughout, Dave kept alive the dream of finding a family who would love and care for him. *THE LOST BOY*: the harrowing but ultimately uplifting true story of Dave's journey through the foster-care system in search of a family who will love him. *A MAN NAMED DAVE*: the gripping conclusion to this inspirational trilogy. With extraordinary generosity of spirit, Dave takes us on a journey into his past. At last he confronts his father and ultimately his mother. Finally, Dave finds the courage to break the chains of the past and learn to love, trust and live for the future.

The Book of Dares Crown

The British public school is an iconic institution, a training ground for the ruling elite and a symbol of national

---

identity and tradition. But beyond the elegant architecture and evergreen playing fields is a turbulent history of teenage rebellion, sexual dissidence, and political radicalism. James Brooke-Smith wades into the wilder shores of public-school life over the last three hundred years in *Gilded Youth*. He uncovers armed mutinies in the late eighteenth century, a Victorian craze for flagellation, dandy-aesthetes of the 1920s, quasi-scientific discourse on masturbation, Communist scares in the 1930s, and the salacious tabloid scandals of the present day. Drawing on personal experience, extensive research, and public school representations in poetry, school slang, spy films, popular novels, and rock music, Brooke-Smith offers a fresh account of upper-class adolescence in Britain and the role of elite private education in shaping youth culture. He shows how this central British institution has inspired a counterculture of artists, intellectuals, and radicals—from Percy Shelley and George Orwell to Peter Gabriel and Richard Branson—who have rebelled against both the schools themselves and the wider society for which they stand. Written with verve and humor in the tradition of Owen Jones' *The Establishment: And How They Get Away With It*, this highly original cultural history is an eye-opening leap over the hallowed iron gates of privilege—and perturbation.

A Teenager's Story of Longing for  
Acceptance and Friendship Reaktion  
Books

From the award-winning author of *Swordpoint* comes a witty, wicked coming-of-age story that is both edgy and timeless. . . . Welcome to Riverside, where the aristocratic and the ambitious battle for power and prestige in the city ' s labyrinth of streets and ballrooms, theatres and brothels, boudoirs and salons. Into this alluring and alarming world walks a bright young woman ready to take it on and make her fortune. A well-bred country girl, Katherine knows all the rules of conventional society. Her biggest mistake is

thinking they apply. Katherine ' s host and uncle, Alec Campion, the capricious and decadent Mad Duke Tremontaine, is in charge here—and to him, rules are made to be broken. When he decides it would be far more amusing for his niece to learn swordplay than to follow the usual path to ballroom and husband, her world changes forever. And there ' s no going back. Blade in hand, it ' s up to Katherine to find her own way through a maze of secrets and betrayals, nobles and scoundrels—and to gain the power, respect, and self-discovery that come to those who master. . . .  
“ Unholy fun, and wholly fun . . . an

---

elegant riposte, dazzlingly executed. ” —Gregory Maguire, New York Times bestselling author of *Wicked*

*Growing Up with Privilege in a Racially Divided America* Moody Publishers  
*Developing Cultural Humility* offers a unique look into the journeys of psychologists striving towards an integration of multiculturalism in their personal and professional lives.

Contributing authors—representing a mix of “ cultural backgrounds ” but stereotypically identified as “ White ” —engage in thoughtful dialogue with psychologists from underrepresented communities who are identified as established and respected individuals within the

multicultural field. The contributing authors discuss both the challenges and rewards they experienced in their own journeys and how they continue to engage in the process of staying connected to their cultural identity and to being culturally responsive. In addition, psychologists who represent historically disenfranchised communities have similarly reflected on their own journey, while offering commentary to the personal stories of White psychologists. This text is useful for stimulating discussions about privilege, power, and the impact race has on either bringing people together or creating more distance, whether intentionally or unintentionally. It demonstrates to readers how to engage

---

in the process of examining one ' s own  
“ culture ” in more intentional ways, and  
discusses the implications as we move  
towards engaging in more dialogue  
around multicultural issues.
