The Proposition 1 Harvard University Press

When Mari accidentally overhears that Trystan is in love, she can't believe it. He's pining over some girl that doesn't know he's alive. The confident swagger and endless stream of girls is a facade. It conceals his loneliness and hides how messed up he's really become trying to flee from a life that's battered him to his core. Trystan tries to figure out how to make it clear how much he loves her. But every insincere kiss, every broken promise haunts him because she knows them all. Now Trystan has to prove to the one girl who thinks true love is real that she's not just another conquest. Mari keeps his secret, but quickly learns about an even bigger secret about Trystan Scott—one that is impossible to keep.

The Cambridge Handbook of Immunities and International Law
Springer Science & Business Media

This two-volume book is a modern introduction to the theory of numbers, emphasizing its connections with other branches of mathematics. Part A is accessible to first-year undergraduates and deals with elementary number theory. Part B is more advanced and gives the reader an idea of the scope of mathematics today. The connecting theme is the theory of numbers. By exploring its many connections with other branches a broad picture is obtained. The book contains a treasury of proofs, several of which are gems seldom seen in number theory books.

Crimson Sunrise 3m Company

By NEW YORK TIMES Bestselling Author H.M. Ward *Blackmail*. Sex. Ferro. His dark hair, bright eyes, and cocky grin look just the way I remembered. The last time I saw Bryan's Ferro's beautiful body, he was naked and shimmering with sweat. This time he's wearing a tux and a wicked smirk that makes my heart beat too fast. It's been so long since I've seen him, the moment feels supercharged. But, the words that fall out of his mouth aren't what I expect and shock me to the core. They aren't light and pleasant, like ex-lovers who decided to part ways. His tone is clipped, and if his jaw locked any tighter, it would crack. He doesn't care about my personal life, my recent loss, or my boyfriend. Bryan makes his intentions clear--if I don't sleep with him, he'll ruin me. Genre: New Adult Romance

The Proposition 4 H.M. Ward Press

"Sean Ferro is my addiction. I can't tell him no, no matter what he asks for, and I know there are so many dark questions behind those blue eyes, so many things he wants me to do with him. When I watch him go down on one knee, with his sexy body covered in sand, and hold up a glittering ring, I can barely stand. It looks like he's going to propose, and I know exactly what I'm going to say."--Page 4 of cover.

A very active field of research is emerging at the frontier of statistical physics, theoretical computer science/discrete mathematics, and coding/information theory. This book sets up a common language and pool of concepts, accessible to students and researchers from each of these fields.

The Constable de Bourbon American Bar Association

In uncovering these hidden sex crimes, Ferraro exposes the further abuse of women by both the men who perpetrated these illegal acts and the courts that prosecuted them.

Model Code of Judicial Conduct Open Book Publishers

"There are some mistakes that are too big to fix. I'll never recover from this one. Damn it, I called Bryan an addict and treated him

worse. Maybe it was wrong for him to approach me the way he did. Maybe it wasn't right for Bryan to just take what he wanted, consequences be damned. I can't blame him, though-- not now that I know the truth"--Page 4 of cover.

Revolutionary ideas on how to use markets to achieve fairness and prosperity for all Many blame today's economic inequality, stagnation, and political instability on the free market. The solution is to rein in the market, right? Radical Markets turns this thinking on its head. With a new foreword by Ethereum creator Vitalik Buterin and virtual reality pioneer Jaron Lanier as well as a new afterword by Eric Posner and Glen Weyl, this provocative book reveals bold new ways to organize markets for the good of everyone. It shows how the emancipatory force of genuinely open, free, and competitive markets can reawaken the dormant nineteenth-century spirit of liberal reform and lead to greater equality, prosperity, and cooperation. Only by radically expanding the scope of markets can we reduce inequality, restore robust economic growth, and resolve political conflicts. But to do that, we must replace our most sacred institutions with truly free and open competition—Radical Markets shows how.

The Latin Sexual Vocabulary JHU Press

This book constitutes the thoroughly refereed proceedings of the 7th Italian Research Conference on Digital Libraries held in Pisa, Italy, in January 2011. The 20 revised full papers presented were carefully reviewed and cover topics of interest such as system interoperability and data integration; formal and methodological foundations of digital libraries; semantic web and linked data for digital libraries; multilingual information access; digital library infrastructures; metadata creation and management; search engines for digital library systems; evaluation and log data; handling audio/visual and non-traditional objects; user interfaces and visualization; digital library quality.

Love and tragedy dominate book four of Virgil's most powerful work, building on the violent emotions invoked by the storms, battles, warring gods, and monster-plagued wanderings of the epic's opening. Destined to be the founder of Roman culture,

Aeneas, nudged by the gods, decides to leave his beloved Dido, causing her suicide in pursuit of his historical destiny. A dark plot, in which erotic passion culminates in sex, and sex leads to tragedy and death in the human realm, unfolds within the larger horizon of a supernatural sphere, dominated by power-conscious divinities. Dido is Aeneas' most significant other, and in their encounter Virgil explores timeless themes of love and loyalty, fate and fortune, the justice of the gods, imperial ambition and its victims, and ethnic differences. This course book offers a portion of the original Latin text, study questions, a commentary, and interpretative essays. Designed to stretch and stimulate readers, Ingo Gildenhard's incisive commentary will be of particular interest to students of Latin at both A2 and undergraduate level. It extends beyond detailed linguistic analysis to encourage critical engagement with Virgil's poetry and discussion of the most recent scholarly thought.

THE SERIES WITH OVER 12 MILLION COPIES SOLD

"Volume 3 in the USA Today Bestselling series." "A one-night stand with a hot, artistic stranger-what could go wrong?" They say the best way to get over a broken heart is a random hook-up. So my new BFF is dragging me to a bar. All I have to do is wear a slutty dress, choose a dude, and do the deed, right? The thing is, this isn't me. I'm the good girl-the one who has sex for love. But, since the love of my life is shackled up with someone else, I guess it's time to move on. One night, one time. That's all. I'll have a clean slate. A guy with a sketch pad, sitting alone, catches my eye. I'm a sucker for the artistic type with dark hair and bright blue eyes. Soon we're in his hotel room doing things I've never done. His smoldering body, perfectly toned with hot skin and a firm touch, has my mind reeling with the things to come. We're both naked and glistening with sweat, breathless. And then he darts, right before doing the deed, abandoning me in his room. He doesn't return. A week later I see him again, and realize that he wasn't just a random guy-he's my teacher. My heart clenches at my massive mistake, and I still don't grasp the extent of it. I should

have run and never looked back. "Genre: New Adult Romance" "This story unfolds over multiple volumes, approximately 125 pigs each."

Having eradicated the obstacles between them, Emma Johnson and Caleb Blackney are prepared to embrace their future. They have important decisions to make, especially as it pertains to Emma's heritage and her choice to remain human. Unfortunately, Caleb's refusal to allow anyone or anything to harm his mate only complicates matters. Until an unforeseen event changes all the rules. When Caleb's sister goes missing, personal issues are forced aside. To secure their future, Emma and Caleb will have to face their fears, confront their enemies, and unite their families to stand against a shadow from her past that could kill them all.

Essays discuss poetry, communication, television, form, aesthetics, bad taste, and art

An Arrow's Flight Oxford University Press

With her thirtieth birthday looming, Emma Harrison finds her biological clock clanging and the elusive knight in shining armor yet to appear. She's running out of options, especially after her gay best friend backs out from being her sperm donor. Of course, there's always a sperm bank, but Emma fears a donor mix-up might impregnate her with the spawn of Satan. Resident company womanizer, Aidan Fitzgerald, is used to always getting what he wants, especially in the bedroom. When Emma spurns his advances at the company Christmas party, he's determined to have her no matter what it takes. After Aidan learns of Emma's predicament, he is quick to offer a proposition that will benefit them both. He will father Emma's child, but she must conceive it with him naturally. Not one for hook-ups or casual sex, Emma is reluctant to take him up on his offer, but his charm, coupled with her intense desire for motherhood, wins out. Soon their baby-making sessions become more than just physical. Aidan can't seem to walk away from her while Emma begins to wonder if Aidan could be the one. But can Aidan leave his past behind to become the man Emma needs him to be?

A Discourse Concerning Algebra JHU Press

Few topics of international law speak to the imagination as much as international immunities. Questions pertaining to immunity from jurisdiction or execution under international law surface on a frequent

basis before national courts, including at the highest levels of the judicial branch and before international courts or tribunals. Nevertheless, international immunity law is and remains a challenging field for practitioners and scholars alike. Challenges stem in part from the uncertainty pertaining to the customary content of some immunity regimes said to be in a 'state of flux', the divergent — and at times directly conflicting - approaches to immunity in different national and international jurisdictions, or the increasing intolerance towards impunity that has accompanied the advance of international criminal law and human rights law. Composed of thirty-four expertly written contributions, the present volume uniquely provides a comprehensive tour d'horizon of international immunity law, traversing a wealth of national and international practice.

Radical Markets Courier Corporation

"There's no doubt in my mind that Bryan Ferro is serious-- if I don't sleep with him, he'll destroy me. Everything I've earned will be blown away like dust, and my life will no longer be my own. His demand for just one night rolls into days. He doesn't want me for a one-time fling, it's more than that. But as I stand there, ready to tell him off, I hear it. The familiar sound, the hesitation, the slight hitch in his voice, and that's what forces me to my knees. It's not Neil, Maggie, or even the money-- it's Bryan"--Page 4 of cover.

California Style Manual Springer

"An engagement is the farthest thing from my mind, but as Neil holds up the ring I glance around and notice someone is missing. Maggie. The man had the audacity to invite everyone except my best friend. Where is she? When I go to find out, I don't like what I discover. Once, I'd thought I was different from the Ferros and the Campones, but when it comes down to it--I'm exactly the same"--Page 4 of cover.
