[Henry Luce and 20th Century U.S. Internationalism](#)

Henry Robinson Luce was an American magazine magnate who was called "the most influential private citizen in the America of his day". He launched and closely supervised a stable of magazines that transformed journalism and the reading habits of

millions of Americans. Time summarized and interpreted the week's news; Life was a picture magazine of politics, culture, and society that dominated American visual perceptions in the era before television; Fortune reported on national and international b

Literature | Showcase : JFK vs. the Military: The Kennedy Assassination and Cuban Missile Crisis (2013) The Short American Century The Publisher is the story of Henry Luce, the founder of the Time publishing empire – Time, Life, Fortune, and Sports Illustrated – and a major figure in the American 1940s-1960s. It is a conventional biography – boy is born, boy does Great Things (but encounters troubles too), boy reflects on his achievements, boy dies – but is well-researched and benefits from an interesting subject.
