Father in heaven! What is a man without Thee! What is all that he knows, vast accumulation though it be, but a chipped fragment if he does not know Thee! What is all his striving, could it even encompass a world, but a half-finished work if he does not know Thee: Thee the One, who art one thing and who art all!

Architecture has long been understood as a cultural discipline able to articulate the human condition and lift the human spirit, yet the spirituality of architecture is rarely directly addressed in academic scholarship. The seventeen chapters provide a diverse range of perspectives, grouped according to topical themes: Being in the World; Sacred, Secular, and the Contemporary Condition; Symbolic Engagements; Sacred Landscapes; and Spirituality and the Designed Environment. Even though the authors' approach the subject from a range of disciplines and theoretical positions, all share interests in the need to rediscover, redefine, or reclaim the sacred in everyday experience, scholarly analysis, and design.

Sacred poetry from twelve mystics and saints, rendered brilliantly by Daniel Ladinsky, beloved interpreter of verses by the fourteenth-

century Persian poet Hafiz One of 6 Books Oprah Loves to Give as Gifts During the Holidays "All kinds of beautiful poetry." —Hoda Kotb In this luminous collection, Daniel Ladinsky—best known for his bestselling interpretations of the great Sufi poet Hafiz—brings together the timeless work of twelve of the world's finest spiritual writers, six from the East and six from the West. Once again, Ladinsky reveals his talent for creating profound and playful renditions of classic poems for a modern audience. Rumi's joyous, ecstatic love poems; St. Francis's loving observations of nature through the eyes of Catholicism; Kabir's wild, freeing humor that synthesizes Hindu, Muslim, and Christian beliefs; St. Teresa's sensual verse; and the mystical, healing words of Sufi poet Hafiz—these along with inspiring works by Rabia, Meister Eckhart, St. Thomas Aquinas, Mira, St. Catherine of Siena, St. Teresa of Avila, St. John of the Cross, and Tukaram are all "love poems by God" from writers considered "conduits of the divine." Together, they form a spiritual treasure to cherish always.

Daniel Ladinsky's stunning interpretations of 365 soul-nurturing poems—one for each day of the year—by treasured Persian lyric poet Hafiz The poems of Hafiz are masterpieces of sacred poetry that nurture the heart, soul, and mind. With learned insight and a delicate hand, Daniel Ladinsky explores the many emotions addressed in these verses. His renderings, presented here in 365 poignant poems—including a section based on the interpretations of Hafiz by Ralph Waldo Emerson—capture the compelling wisdom of one of the most revered Sufi poets. Intimate and often spiritual, these poems are beautifully sensuous, playful, wacky, and profound, and provide guidance for everyday life, as well as deep wisdom to savor through a lifetime.

Exploring God's Heart on Purity Harvard University Press

Elsa's teenage daughter picked up three books on sexual purity... and set all three of them down within the first two chapters. When asked why she didn't read on, her daughter responded, "I know they mean well, but the stories seem unrealistic and because of that, it's hard to follow the advice. I would love to read something that discusses real issues, uses my language and talks to me like I'm a maturing adult, not a little girl." As a result, this book was born. [Pure] will prayerfully offer teens not only what they're looking for, but what they need. It is the type of read where girls will see themselves (and their culture) in its pages. It is honest, raw, humorous and real. It talks about the true struggles, but also the deep adventure and joy that comes as a result of standing strong. Elsa defines what purity looks like, how teens can live it in a broken reality, and why they would want to put such effort into the fight. In addition to solid biblical counsel made relevant, girls will hear from other teenagers, read the stories of girls who

have done it well, (or maybe not so well), and be inspired by quotes—one to another. Finally, this book will offer practical tools to help navigate the temptations and frustrations they face every day.

Killing the Indian Maiden examines the fascinating and often disturbing portrayal of Native American women in film.

Through discussion of thirty-four Hollywood films from the silent period to the present, M. Elise Marubbio examines the sacrificial role of what she terms the "Celluloid Maiden" -- a young Native woman who allies herself with a white male hero and dies as a result of that choice. Marubbio intertwines theories of colonization, gender, race, and film studies to ground her study in sociohistorical context all in an attempt to define what it means to be an American. As Marubbio charts the consistent depiction of the Celluloid Maiden, she uncovers two primary characterizations -- the Celluloid Princess and the Sexualized Maiden. The archetype for the exotic Celluloid Princess appears in silent films such as Cecil B. DeMille's *The Squaw Man* (1914) and is thoroughly established in American iconography in Delmer Daves's *Broken Arrow* (1950). Her more erotic sister, the Sexualized Maiden, emerges as a femme fatale in such films as DeMille's *North West Mounted Police* (1940), King Vidor's *Duel in the Sun* (1946), and Charles Warren's *Arrowhead* (1953). The two characterizations eventually combine to form a hybrid Celluloid Maiden who first appears in John Ford's *The Searchers* (1956) and reappears in the 1970s and the 1990s in such films as Arthur Penn's *Little Big Man* (1970) and Michael Apted's *Thunderheart* (1992). *Killing the Indian Maiden* reveals a cultural iconography about Native Americans and their role in the frontier embedded in the American psyche. The Native American woman is a racialized and sexualized other -- a conquerable body representing both the seductions and the dangers of the frontier. These films show her being colonized and suffering at the hands of Manifest Destiny and American expansionism, but Marubbio argues that the Native American woman also represents a threat to the idea of a white America. The complexity and longevity of the Celluloid Maiden icon -- persisting into the twenty-first century -- symbolizes an identity crisis about the composition of the American national body that has played over and over throughout different eras and political climates. Ultimately, Marubbio establishes that the ongoing representation of the Celluloid Maiden signals the continuing development and justification of American colonialism.

Purity. What exactly is it? According to bestselling authors Hayley and Michael DiMarco, purity is far more than abstinence from sex or other sexual activities. It's not about rules. It's not a list of don'ts. It's not about scare tactics, teen pregnancy statistics, or warnings about STDs. And it's not ruined the moment we mess up. It goes way deeper than that. In their honest, down-to-earth style that teens trust, Hayley and Michael explain that purity starts in the heart and involves every thought, desire, and action--not just sex. They show that purity isn't just for the superspiritual, but that it is a daily choice that every teen must make. And most importantly, they show teens that it's never too late to become pure and that lost purity can be redeemed through

God's grace.

The Confessions of S. Augustine Hay House, Inc

A rake in tarnished armor... Desdemona Carlisle has spent most of her young life dreaming of a knight in shining armor. When a dashing figure in midnight-black riding a snow-white steed comes to rescue her from the ruffians who have kidnapped her, she believes her destiny has finally arrived. She surrenders herself to the masked stranger's embrace only to discover her rescuer is none other than Harry Braxton, the scoundrel who stole her heart when she was just a girl, adding it to his collection of exotic treasures as if it were just another trinket. Harry Braxton doesn't want to be any woman's knight-errant. He plays the role of notorious rake to hide the dangerous secret that has kept him from offering Desdemona his own heart. But his tarnished armor soon begins to crumple beneath the irresistible assault of Desdemona's sparkling wit, her dazzling beauty, her teasing and tender touch. As a legendary treasure hunter, he never dreamed he'd be forced to give up the most priceless treasure of all. When Lord Ravenscroft, Harry's aristocratic cousin, comes courting, Desdemona makes a startling discovery. She might yearn for a hero, but what she really needs is a man—the only man who can fulfill all of her desires... Weapons & Armor in the Fight for Sexual Purity New World Library

One of the 20th century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. It is a rich and brilliant chronicle of life and death, and the tragicomedy of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the endlessness of death, the search for peace and truth -- these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race.

Drug overdose, driven largely by overdose related to the use of opioids, is now the leading cause of unintentional injury death in the United States. The ongoing opioid crisis lies at the intersection of two public health challenges: reducing the burden of suffering from pain and containing the rising toll of the harms that can arise from the use of opioid medications. Chronic pain and opioid use disorder both represent complex human conditions affecting millions of Americans and causing untold disability and loss of function. In the context of the growing opioid problem, the U.S. Food and Drug Administration (FDA) launched an Opioids Action Plan in early 2016. As part of this plan, the FDA asked the National Academies of Sciences, Engineering, and Medicine to convene a committee to update the state of the science on pain research, care, and education and to identify actions the FDA and others can take to respond to the opioid epidemic, with a particular focus on informing FDA's development of a formal method for incorporating individual and societal considerations into its risk-benefit framework for opioid approval and monitoring.

Chosen by author Elizabeth Gilbert as one of her ten favorite books, Daniel Ladinsky's extraordinary renderings of 250 unforgettable lyrical poems by Hafiz, one of the greatest Sufi poets of all time More than any other Persian poet—even Rumi—Hafiz expanded the mystical, healing dimensions of poetry. Because his poems were often ecstatic love songs from God to his beloved world, many have called Hafiz the "Invisible Tongue." Indeed, Daniel Ladinsky has said that his work with Hafiz is an attempt to do the impossible: to render Light into words—to make the Luminous Resonance of God tangible to our finite senses. I am a hole in a flute that the Christ's breath moves through—listen to this music! With this stunning collection of Hafiz's most intimate poems, Ladinsky has succeeded brilliantly in presenting the essence of one of Islam's greatest poetic and religious voices. Each line of *The Gift* imparts the wonderful qualities of this master Sufi poet and spiritual teacher: encouragement, an audacious love that touches lives, profound knowledge, generosity, and a sweet, playful genius unparalleled

in world literature.

Poems by Hafiz, the Great Sufi Master Routledge

If you have struggled personally against the powerful draw of pornography, or if you have ever tried to help someone fighting this battle, you know how hard it is to break free. But real freedom isn't found by trying harder to change. Nor is it found in a particular method or program. Only Jesus Christ has the power to free people from the enslaving power of pornography. In *Finally Free*, Dr. Heath Lambert, a leader in the biblical counseling movement, lays out eight gospel-centered strategies for overcoming the deceitful lure of pornography. Each chapter clearly demonstrates how the gospel applies to this particular battle and how Jesus can move readers from a life of struggle to a life of purity. If you or someone you care about is fighting this battle, there is good news: No matter how intense or long-standing the struggle, Jesus Christ can, will, and does set people free from the power of pornography.
