uses a potent  
combination of  
journalism, cultural

---

commentary, and memoir to take us “inside religious purity culture as only one who grew up in it can” (Gloria Steinem) and reveals the devastating effects evangelical Christianity’s views on female sexuality has had on a generation of young women. In the 1990s, a “purity industry emerged out of the white evangelical Christian culture. Purity rings, purity pledges, and purity balls came with a dangerous message: girls are potential sexual “stumbling blocks” for boys and men, and any expression of a girl’s sexuality could reflect the corruption of her character. This message traumatized many girls—resulting in anxiety, fear, and experiences that mimicked the symptoms of Post-Traumatic Stress Disorder—and trapped them in a cycle of shame. This is the sex education Linda Kay Klein grew up with. Fearing being marked a Jezebel, Klein broke up with her high school boyfriend because she thought God told her to and took pregnancy tests despite being a virgin, terrified that any sexual activity would be punished with an out-of-wedlock pregnancy. When the youth pastor of her church was convicted of sexual enticement of a twelve-year-old girl, Klein began to question purity-based sexual ethics. She contacted young women she knew, asking if they were coping with the same shame-induced issues she was. These intimate

---

conversations developed into a twelve-year quest that took her across the country and into the lives of women raised in similar religious communities—a journey that facilitated her own healing and led her to churches that are seeking a new way to reconcile sexuality and spirituality. Pure is “a revelation... Part memoir and part journalism, Pure is a horrendous, granular, relentless, emotionally true account” (The Cut) of society’s larger

subjugation of women and the role the purity industry played in maintaining it. Offering a prevailing message of resounding hope and encouragement, “Pure emboldens us to escape toxic misogyny and experience a fresh breath of freedom” (Glennon Doyle, #1 New York Times bestselling author of Love Warrior and founder of Together Rising). The Purity Myth Penguin Sacred poetry from

twelve mystics and saints, rendered brilliantly by Daniel Ladinsky, beloved interpreter of verses by the fourteenth-century Persian poet Hafiz One of 6 Books Oprah Loves to Give as Gifts During the Holidays “All kinds of beautiful poetry.” -Hoda Kotb In this luminous collection, Daniel Ladinsky—best known for his bestselling

---

interpretations of the great Sufi poet Hafiz—brings together the timeless work of twelve of the world's finest spiritual writers, six from the East and six from the West. Once again, Ladinsky reveals his talent for creating profound and playful renditions of classic poems for a modern audience.

Rumi's joyous, ecstatic love poems; St. Francis's loving observations of nature through the eyes of Catholicism; Kabir's wild, freeing humor that synthesizes Hindu, Muslim, and Christian beliefs; St. Teresa's sensual verse; and the mystical, healing words of Sufi poet

Hafiz—these along with inspiring works by Rabia, Meister Eckhart, St. Thomas Aquinas, Mira, St. Catherine of Siena, St. Teresa of Avila, St. John of the Cross, and Tukaram are all "love poems by God" from writers considered "conduits of the divine." Together, they form a spiritual treasure to cherish always.

## **Twelve Sacred Voices from the East and West**

University Press of Kentucky

The first full-length volume of Rumi's cherished verse, from bestselling poet Daniel Ladinsky. Renowned for his poignant renderings of mystical texts, here Daniel Ladinsky captures the beauty, intimacy, and musicality of one of Islam's most beloved poets and spiritual thinkers. With learned insight and a delicate

touch, this work explores the nuances of desire—that universal emotion—in verse inspired by Rumi's love and admiration for his companion and spiritual teacher, Shams-e Tabriz. These poems thoughtfully capture the compelling wisdom of one of Islam's most revered artistic and religious voices and one of the most widely read poets in the English language. *The Purity of Desire* is an essential volume for anyone looking to feel their soul awakened.

*Sexual Fluidity* Penguin  
Calls for new categories in sexual identity for women based on research that concludes that they tend to be attracted to the individual rather than gender and their sexuality fluctuates more than men, which stays fixed once established.

*Exploring God's Heart on Purity*  
Penguin

*Killing the Indian Maiden* examines the fascinating and often disturbing portrayal of Native American women in film. Through discussion of thirty-four Hollywood films from the silent period to the present, M. Elise Marubbio examines the sacrificial

---

role of what she terms the "Celluloid Maiden" -- a young Native woman who allies herself with a white male hero and dies as a result of that choice. Marubbio intertwines theories of colonization, gender, race, and film studies to ground her study in sociohistorical context all in an attempt to define what it means to be an American. As Marubbio charts the consistent depiction of the Celluloid Maiden, she uncovers two primary characterizations -- the Celluloid Princess and the Sexualized Maiden. The archetype for the exotic Celluloid Princess appears in silent films such as Cecil B. DeMille's *The Squaw Man* (1914) and is thoroughly established in American iconography in Delmer Daves's *Broken Arrow* (1950). Her more erotic sister, the Sexualized Maiden, emerges as a femme fatale in such films as DeMille's *North West Mounted Police* (1940), King Vidor's *Duel in the Sun* (1946), and Charles Warren's *Arrowhead* (1953). The two characterizations eventually combine to form a hybrid Celluloid Maiden who first appears in John Ford's *The Searchers* (1956) and reappears in the 1970s and the 1990s in such films as Arthur Penn's *Little Big Man* (1970) and Michael Apted's *Thunderheart* (1992). *Killing the Indian Maiden* reveals a cultural iconography about Native Americans and their role in the frontier embedded in the American psyche. The Native American woman is a racialized and sexualized other -- a conquerable body representing both the seductions and the dangers of the frontier. These films show her being colonized and suffering at the hands of Manifest Destiny and American expansionism, but Marubbio argues that the Native American woman also represents a threat to the idea of a white America. The complexity and longevity of the Celluloid Maiden icon -- persisting into the twenty-first century -- symbolizes an identity crisis about the composition of the American national body that has played over and over throughout different eras and political climates. Ultimately, Marubbio establishes that the ongoing representation of the

---

Celluloid Maiden signals the continuing development and justification of American colonialism.

In the Arms of the Beloved Harper  
Collins

Chosen by author Elizabeth Gilbert  
as one of her ten favorite books,  
Daniel Ladinsky ' s extraordinary  
renderings of 250 unforgettable  
lyrical poems by Hafiz, one of the  
greatest Sufi poets of all time More  
than any other Persian poet—even  
Rumi—Hafiz expanded the  
mystical, healing dimensions of  
poetry. Because his poems were  
often ecstatic love songs from God  
to his beloved world, many have

called Hafiz the “ Invisible  
Tongue. ” Indeed, Daniel  
Ladinsky has said that his work with  
Hafiz is an attempt to do the  
impossible: to render Light into  
words—to make the Luminous  
Resonance of God tangible to our  
finite senses. I am a hole in a flute  
that the Christ's breath moves  
through— listen to this music!  
With this stunning collection of  
Hafiz ' s most intimate poems,  
Ladinsky has succeeded brilliantly  
in presenting the essence of one of  
Islam ' s greatest poetic and  
religious voices. Each line of The  
Gift imparts the wonderful qualities  
of this master Sufi poet and spiritual  
teacher: encouragement, an  
audacious love that touches lives,  
profound knowledge, generosity,

and a sweet, playful genius  
unparalleled in world literature.  
6,000 International Names  
and the Meaning Behind  
Them Harvard University

If you have struggled  
personally against the  
powerful draw of  
pornography, or if you have  
ever tried to help someone  
fighting this battle, you know  
how hard it is to break free.  
But real freedom isn ' t found  
by trying harder to change.  
Nor is it found in a particular  
method or program. Only  
Jesus Christ has the power to

---

free people from the enslaving power of pornography. In *Finally Free*, Dr. Heath Lambert, a leader in the biblical counseling movement, lays out eight gospel-centered strategies for overcoming the deceitful lure of pornography. Each chapter clearly demonstrates how the gospel applies to this particular battle and how Jesus can move readers from a life of struggle to a life of purity. If you or someone you care about is fighting this battle, there is good news: No matter how intense or long-standing the

struggle, Jesus Christ can, will, and does set people free from the power of pornography. [How America's Obsession with Virginity is Hurting Young Women](#) Penguin

From bestselling poet Daniel

---

Ladinsky, a rich collection that brings the great Sufi poet Hafiz to Western readers. To Persians, the poems of Hafiz are not “classical literature” from a remote past but cherished wisdom from a dear and intimate friend that continues to be quoted in daily life. With uncanny insight, Hafiz captures the many forms and stages of love. His poetry outlines the stages of the mystic’s “path of love”—a journey in which love dissolves personal boundaries and limitations to join larger processes of growth and transformation. With this stunning collection, Ladinsky

has succeeded brilliantly in capturing the essence of one of Islam’s greatest poetic and spiritual voices. “If you haven’t yet had the delight of dining with Daniel Ladinsky’s sweet, playful renderings of the musings of the great saints, I Heard God Laughing is a perfect appetizer. . . . This newly released edition of his first playful foray into Hafiz’s divinely inspired poetry is essential reading. . . . Ladinsky is a master who will be remembered for finally bringing Hafiz alive in the West.”  
—Alexandra Marks, *The Christian Science Monitor*  
A Novel e-artnow

Daniel Ladinsky’s stunning interpretations of 365 soul-nurturing poems—one for each day of the year—by treasured Persian lyric poet Hafiz. The poems of Hafiz are masterpieces of sacred poetry that nurture the heart, soul, and mind. With learned insight and a delicate hand, Daniel Ladinsky explores the many emotions addressed in these verses. His renderings, presented here in 365 poignant poems—including a section based on the interpretations of Hafiz by Ralph Waldo Emerson—capture the compelling wisdom of one of the most revered Sufi poets. Intimate and often spiritual, these poems are beautifully sensuous, playful, wacky, and profound, and provide

---

guidance for everyday life, as well as deep wisdom to savor through a lifetime.

### Annual Meeting New World Library

The world is in a terrible mess. It is toxic, irradiated, and full of injustice. Aiming to stand aside from the mess can produce a seemingly satisfying self-righteousness in the scant moments we achieve it, but since it is ultimately impossible, individual purity will always disappoint. Might it be better to understand complexity and, indeed, our own complicity in much of

what we think of as bad, as fundamental to our lives? Against Purity argues that the only answer—if we are to have any hope of tackling the past, present, and future of colonialism, disease, pollution, and climate change—is a resounding yes. Proposing a powerful new conception of social movements as custodians for the past and incubators for liberated futures, Against Purity undertakes an analysis that draws on theories of race, disability, gender, and animal ethics as a foundation for an

innovative approach to the politics and ethics of responding to systemic problems. Being against purity means that there is no primordial state we can recover, no Eden we have desecrated, no pretoxic body we might uncover through enough chia seeds and kombucha. There is no preracial state we could access, no erasing histories of slavery, forced labor, colonialism, genocide, and their concomitant responsibilities and requirements. There is no food we can eat, clothes we

---

can buy, or energy we can use without deepening our ties to complex webbing of suffering. So, what happens if we start from there? Alexis Shotwell shows the importance of critical memory practices to addressing the full implications of living on colonized land; how activism led to the official reclassification of AIDS; why we might worry about studying amphibians when we try to fight industrial contamination; and that we are all affected by nuclear reactor meltdowns. The slate

has never been clean, she reminds us, and we can't wipe off the surface to start fresh—there's no fresh to start. But, Shotwell argues, hope found in a kind of distributed ethics, in collective activist work, and in speculative fiction writing for gender and disability liberation that opens new futures.

Cabin Lessons: Reflections  
Random House

"May Robert's wonderful life and work and heart keep helping others to know that inherent in life . . . is Love." - from the foreword by Daniel

Ladinsky "I didn't have much time for poetry when I was young," Robert Holden writes in the introduction to this elegant and inspiring book.

"Maybe I was in too much of a hurry. . . . Fortunately for me, one poem after another found their way through my defenses and came to my rescue.

Slowly, but surely, I began to see that inside each poem there was a gift waiting for me. A gift to help open up something inside of me—a new awareness, an epiphany, a cure for loneliness, renewed courage, and a call to action."

---

Finding Love Everywhere offers that same gift to you. A luminous collection of original poetry set within a framework of deep wisdom from an acclaimed teacher, it invites you on a journey that will move you and transform you as you awaken to the awareness of love's presence all around you. The 66½ poems in these pages "are meditations with lyrics," Robert explains. "They invite you to be wise, to choose love, and to live your most authentic life."

G. A. HENTY Ultimate Collection: 100+ Historical

Novels, Adventure Tales & Short Stories Zondervan

Drug overdose, driven largely by overdose related to the use of opioids, is now the leading cause of unintentional injury death in the United States. The ongoing opioid crisis lies at the intersection of two public health challenges: reducing the burden of suffering from pain and containing the rising toll of the harms that can arise from the use of opioid medications. Chronic pain and opioid use disorder both represent complex human conditions affecting millions of Americans and causing untold disability and loss of function. In the context of the growing opioid problem, the U.S. Food and Drug Administration (FDA) launched

an Opioids Action Plan in early 2016. As part of this plan, the FDA asked the National Academies of Sciences, Engineering, and Medicine to convene a committee to update the state of the science on pain research, care, and education and to identify actions the FDA and others can take to respond to the opioid epidemic, with a particular focus on informing FDA's development of a formal method for incorporating individual and societal considerations into its risk-benefit framework for opioid approval and monitoring.

Father in heaven! What is a man without Thee! What is all that he

---

knows, vast accumulation though pregnancy statistics, or warnings it be, but a chipped fragment if he does not know Thee! What is all his striving, could it even encompass a world, but a half-finished work if he does not know Thee: Thee the One, who art one thing and who art all!  
More Than Just Saying "No" to You-Know-What U of Minnesota Press  
Purity. What exactly is it? According to bestselling authors Hayley and Michael DiMarco, purity is far more than abstinence from sex or other sexual activities. It's not about rules. It's not a list of don'ts. It's not about scare tactics, teen

about STDs. And it's not ruined the moment we mess up. It goes way deeper than that. In their honest, down-to-earth style that teens trust, Hayley and Michael explain that purity starts in the heart and involves every thought, desire, and action--not just sex. They show that purity isn't just for the superspiritual, but that it is a daily choice that every teen must make. And most importantly, they show teens that it's never too late to become pure and that lost purity can be redeemed through God's grace.  
Living Ethically in Compromised Times Image

By the New York Times bestselling author of *The Bone Clocks* and *Cloud Atlas* | Longlisted for the Man Booker Prize In 2007, Time magazine named him one of the most influential novelists in the world. He has twice been short-listed for the Man Booker Prize. The New York Times Book Review called him simply “ a genius. ” Now David Mitchell lends fresh credence to The Guardian ’ s claim that “ each of his books seems entirely different from that which preceded it. ” The *Thousand Autumns of Jacob de Zoet* is a stunning departure for this brilliant, restless, and wildly

---

ambitious author, a giant leap forward by even his own high standards. A bold and epic novel of a rarely visited point in history, it is a work as exquisitely rendered as it is irresistibly readable. The year is 1799, the place Dejima in Nagasaki Harbor, the “ high-walled, fan-shaped artificial island ” that is the Japanese Empire ’ s single port and sole window onto the world, designed to keep the West at bay; the farthest outpost of the war-ravaged Dutch East Indies Company; and a de facto prison for the dozen foreigners permitted to live and work there. To this place of devious

merchants, deceitful interpreters, costly courtesans, earthquakes, and typhoons comes Jacob de Zoet, a devout and resourceful young clerk who has five years in the East to earn a fortune of sufficient size to win the hand of his wealthy fiancé e back in Holland. But Jacob ’ s original intentions are eclipsed after a chance encounter with Orito Aibagawa, the disfigured daughter of a samurai doctor and midwife to the city ’ s powerful magistrate. The borders between propriety, profit, and pleasure blur until Jacob finds his vision clouded, one rash promise made and then fatefully broken. The

consequences will extend beyond Jacob ’ s worst imaginings. As one cynical colleague asks, “ Who ain ’ t a gambler in the glorious Orient, with his very life? ” A magnificent mix of luminous writing, prodigious research, and heedless imagination, *The Thousand Autumns of Jacob de Zoet* is the most impressive achievement of its eminent author. Praise for *The Thousand Autumns of Jacob de Zoet* “ A page-turner . . . [David] Mitchell ’ s masterpiece; and also, I am convinced, a masterpiece of our time. ” —Richard Eder, *The Boston Globe* “ An achingly

---

romantic story of forbidden love . . . Mitchell ' s incredible prose is on stunning display. . . . A novel of ideas, of longing, of good and evil and those who fall somewhere in between [that] confirms Mitchell as one of the more fascinating and fearless writers alive. ” —Dave Eggers, The New York Times Book Review “ The novelist who ' s been showing us the future of fiction has published a classic, old-fashioned tale . . . an epic of sacrificial love, clashing civilizations and enemies who won ' t rest until whole family lines have been snuffed out. ” —Ron Charles, The

Washington Post “ By any standards, The Thousand Autumns of Jacob de Zoet is a formidable marvel. ” —James Wood, The New Yorker “ A beautiful novel, full of life and authenticity, atmosphere and characters that breathe. ” —Maureen Corrigan, NPR Look for special features inside.
