Between the White Lines CCS Publishing

As eighteen-year-old Cheryl Hunter escapes rural Colorado for the bright lights of Europe, she does so with nothing more than an over-packed suitcase and a dream. Once there, her mind is bent on solving one problem alone: how does a small-town cowgirl pull off the feat of becoming an international supermodel? When Cheryl is abducted, raped and brutally beaten instead, she is faced with solving a much bigger problem: how does she survive? Using her journey of rising from the ashes as fuel, Hunter delivers a step-by-step method that can be applied by anyone who has ever dealt with less-than-favorable circumstances. In a world where—let ' s face it—life often hijacks our personal agendas, Cheryl shows you how to immediately take back the reins, design a life you love, and become the unstoppable force of nature you were born to be.

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

[The Seeds of New Earth \(the Silent Earth, Book 2\)](#) Createspace Independent Publishing Platform

One Brick at a Time is Elaine Oostr's life story from childhood to now. She shares her fond and some time humorous memories of childhood as well as the struggles of growing up with a Mom who suffered from mental illness. She goes into depth of what it took to overcome trying and difficult times. She confronts the walls we can put around ourselves for protection from present or past hurts inflicted by others , or, our own regrets we want to keep secret. The building materials for the wall is bitterness , guilt , and anger. The mortar that holds the bricks in place is fear. There is nothing attractive about these walls, no matter how pretty we try to make them. We decorate them with pretty clothes , makeup, work, education , doing good deeds , and much more. The walls we build shut out others and God. Secrets kept buried deep inside destroy us from the inside out. We think we hide things well, yet they seep out of us in our actions and character and cling to us like a static dress. One Brick at a Time offers hope for those who are in bondage to bitterness and past pain and are longing to overcome and be set free. It offers hope to learn to trust God and tear down these walls one brick at a time. Proverbs 3:5-6 Trust in the Lord with all your heart, lean not on your own understanding , but in all your ways acknowledge Him and He will direct your paths.

The Pursuit of Victory Createspace Independent Publishing Platform

In Freedom, Glorious Freedom, acclaimed author John J. McNeill shows how lesbian and gay Christians can achieve full spiritual maturity and self-acceptance. McNeill discusses freedom of conscience and discernment of spirits, ancient teachings of the Christian church that have a special urgency for lesbian and gay people who need to free themselves from all the homophobic authorities and deal with God on a direct and personal basis. The liberating process of coming out of the closet is seen as a spirit-filled effort to achieve the glory of God by becoming fully alive. McNeill offers a twelve-step spirituality as a spiritual process of liberation from all addictions in order to experience the love of God in its fullness. The epilogue expresses in detail a philosophical vision, looking both to the past and to the future, of how gay liberation fits into the Spirit-directed evolution of human history and its role in the ongoing struggle for human liberation. For more than thirty-five years, John J. McNeill, an ordained priest and psychotherapist, has been devoting his life to spreading the good news of God ' s love for lesbian and gay Christians.

Planting God Penguin UK

As disappointing and difficult as your

incarceration may be, there is always hope and a spiritual solution. In your desperation, take time to be still, put your anxieties to rest and draw close to God. He is very near and will meet you at your point of need. This book will help you discover that the God of all comfort is near to the brokenhearted and discouraged. God will turn your despair into hope, your darkness into light, and your doubts into faith. What other prisoners have written about Prayers by a Prisoner: "Price puts our deepest questions about walking with God through this darkness into perspective. Every prisoner must read this book." Jason Chapman, federal prisoner "I've been arrested forty nine times and have read many books in jail and prison. I've read this book three times already, and I feel like I need to read it again and again. This book on prayer helped me understand that God loves me no matter what I've done." Terry Buck, federal prisoner "After struggling with years of depression, bad decisions and lots of prison time, chapter twelve has changed my entire thought process. If you read nothing else, read chapter twelve. Chapters fourteen and fifteen are very powerful too!" David McNutt "After over thirty arrests and being in and out of jail since I was thirteen, this book helped me finally understand why I am making so many impulsive and irrational decisions. I did not understand that God loved me this way. My life is now being transformed." Johnny Hill, federal prisoner From the Introduction: I want to explain that I am a fellow struggler in Christ. I am not infallible, and thankfully, I have abandoned the God complex. My flaws and mistakes are obvious, and I say along with the apostle Paul that I am the chief of all sinners. This book is not about any extra ordinary knowledge or insight that I have attained. It is simply about the practices and habits that God has led me to develop to make the most of my time in prison and the remainder of my life. I am a learner, an avid reader, and a lifelong student of contemplative prayer. I am always asking God to make the necessary changes that He knows I need to implement in order for me to conform to the image of Christ. Just because I am a Christian does not mean I am without troubles, pain and suffering. We all know the affliction and darkness we experience in prison. We have been through the inhumane, harsh and brutal process of eternal condemnation. We are alienated, isolated and despised by society. Our names have become a reproach. The odds of any kind of comeback are stacked against us. The world looks upon us as pariah and with contempt. Many of us are rejected and forsaken, and we wrestle with feelings of deep loneliness, abandonment and overwhelming regret. We wonder if there is any hope. The good news is that Jesus repeatedly gave dignity back to the despised. Others may look at us with scorn, but Jesus makes us human again. Here is the bottom line: God knows every thought we have ever had, every step we've ever taken, and every word we've ever spoken. He knows the intentions of our hearts. He knows all the things we've seen and done that make us want to run, hide, and even die. And yet, He still loves us. Jesus is a friend and lover of sinners like you and me, and there is nothing we can do to make Him stop loving us. He meets us where we are. He disciplines and corrects us when necessary. He forgives our past. He overwhelms us with His love, and He gives us an eternal home in Heaven. Nothing can separate us from His infinite love. Because of this, we can say along with the Psalmist, "I will not die, but live, and tell of the works of the Lord. The Lord has disciplined me severely, but He has not given me over to death (Psalm 118:17-19)." Included as a supplement is a five chapter preview of my memoir, Hope Is Not My Enemy, which details my life story and the failure of my securities business and MBT Bank. The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek

revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. [The Facts of My Life](#) David's Books

'Fascinating . . . Shot through with fresh insights . . . No previous biography has attempted anything so comprehensive.' Observer Nelson is a thrilling new appraisal of Horatio Nelson, the greatest practitioner of naval command the world has ever seen. It explores the professional, personal, intellectual and practical origins of one man's genius, to understand how the greatest warrior that Britain has ever produced transformed the art of conflict, and enabled his country to survive the challenge of total war and international isolation. In Nelson, Andrew Lambert - described by David Cannadine as 'the outstanding British naval historian of his generation' - is able to offer new insights into the individual quality which led Byron rightly to celebrate Nelson's genius as 'Britannia's God of War'. He demonstrates how Admiral Nelson elevated the business of naval warfare to the level of the sublime. Nelson's unique gift was to take that which other commanders found complex, and reduce it to simplicity. Where his predecessors and opponents saw a particular battle as an end in itself, Nelson was always a step ahead - even in the midst of terrifying, close-quarters action, with officers and men struck down all around him. 'Excellent . . . Worthy of the stirring events [it celebrates].' Independent

\*Includes pictures \*Explains the roles played by Tecumseh and William Henry Harrison before, during, and after the battle \*Includes various accounts of what happened at the battle according to both sides \*Includes a bibliography for further reading \*Includes a table of contents The Battle of Tippecanoe, fought on November 7, 1811 near present-day Lafayette, Indiana, involved forces of fewer than 2,000 Native American warriors and white soldiers, and only about 300 men were killed or wounded on both sides. Given those numbers, it's apparent that the battle was far from being a Saratoga or a Gettysburg in terms of its scale or significance as an historical turning point, yet it was one of the most important battles in shaping American history during the early 19th century. The battle also involved an epic confrontation between two important American figures: William Henry Harrison, who would become the 9th president of the United States by running on his success in the battle, and the Shawnee war chief Tecumseh, arguably the most famous Native American leader in American history. From the American Revolution up through the Battle of Tippecanoe, Native Americans in the Old Northwest (today's Midwestern states) had been putting up stout resistance to that region's settlement by white land speculators and settlers. Things came to a head when Tecumseh and his brother, the Prophet Tenskwatawa, spearheaded a movement in the region that greatly influenced the area's Native Americans. In 1806, Harrison began to publicly denounce Tenskwatawa to other tribal leaders, calling him a fraud and charlatan, but the

Shawnee Prophet responded by accurately predicting a solar eclipse, which embarrassed Governor Harrison, and after this event, which tribal leaders took as a sign of Tenskwatawa's authenticity, his movement grew even more rapidly. By 1808, Tenskwatawa and his followers had moved west and founded a large, multi-tribal settlement near the confluence of the Tippecanoe and Wabash Rivers, called Prophetstown or Tippecanoe. Assisted by his brother Tecumseh, Tenskwatawa's settlement grew tremendously and eventually became the largest Native American settlement in the region. It also served as a Native American cultural center and provided a steady cadre of warriors ready to hear the Prophet's message that they should return to their ancestral lifestyles and force the white settlers and their culture out of their territory. Although accounts of the battle conflict, all agree that sentinels aroused the main body of the American troops when they detected Native American warriors attacking the Americans' perimeter from the south. The initial Native American attack struck the southern point of the defensive perimeter around 4:30 a.m. on November 7, 1811, and almost immediately the warriors rushed in among the American defenders manning that sector. Soldiers defending the southern side of the perimeter suffered the highest casualties, with the Yellow Jackets suffering a 30% casualty rate, but in fighting lasting about two hours Harrison's force of roughly 1,000, suffered only 62 dead and about 120 wounded. As the sun rose, the warriors began running low on ammunition, and the light revealed their small numbers, leading them to break off the attack and retreat towards Prophetstown. The battle was hardly a decisive victory, but at the end of the fighting the Americans still held their perimeter, allowing them to claim victory. While Tippecanoe was clearly not a total victory, and Native American resistance would continue through the War of 1812, the battle is widely considered the end of Tecumseh's War and did help bring about the decline of Native American ascendancy in the region. The Battle of Tippecanoe: The History and Legacy of the American Victory That Ended Tecumseh's War analyzes the background that led up to the battle and its aftermath.

"It's about time a book came out about one of the most talented and beloved performers in the American theater. Charlotte is the consummate actress, comedienne, entertainer. Her work on stage and screen is always hilarious and somehow also gets you right in the gut. Her story is every bit as brilliant. Read it and smile." -Comedy Legend, Carl Reiner "To think of Charlotte Rae is to smile. Consequently, when I began to read "The Facts of My Life," I was unprepared for the emotional impact it would have on me. By the time I finished the first chapter, dealing as it does with her severely troubled son Andy, I was in tears. "As an old friend of Charlotte's, I thought I knew her fairly well. But as I read on, I discovered that the 'facts of her life' were constantly surprising (as well as amusing and engrossing)! There is so much that I don't know about Charlotte and so much that I now want to know, when the book is finally completed and published, I'll be first in line to get my copy!" -Sheldon Harnick (Composer, Fiddler on the Roof) Charlotte Rae's career spans more than seventy years, from the golden age of television to Shakespeare in the Park, the New York Cabaret scene of the late 1940's and 50's to her hit series, The Facts of Life and well beyond. Off stage and screen, Charlotte's life has been one of joy and challenge, raising an autistic son, coming to terms with alcoholism, the heartache of a broken marriage, the revelation of a gay husband and the sudden challenge of facing middle-age with financial and emotional uncertainties-an crisis she ultimately turned into the determination that brought her stardom. The Facts of My Life is the first opportunity for Charlotte fans to explore the fascinating story of her extraordinary life:

poignant and hilarious, a story of courage and triumph, one that speaks for a generation of women breaking barriers, taking on challenges, overcoming personal tragedy, and paving the way for others.

Rural Rides is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing Rural Rides, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free vent to Cobbett's opinions

Getting money, paying bills, finding your prince charming, finding your happiness it looked so easy when you were young. You thought you had it all figured out. Little did you know life throws you curve balls. And you thought grownups had it easy so did these ladies. Follow their journies while getting lost in the grownup world.

**The Gospel Messenger, #1** Brandt Tobler

The biographic text of St. Anthony is presented complete in this edition for the reader's absorption and contemplation. First published in the 4th century A.D., Anthony the Great's biography was authored by Christian Saint Athanasius of Alexandria. Since its release, the book has helped spread the beliefs, practices and arduous faith of Anthony the Great. A significant progenitor of the monastic tradition, Saint Anthony lived an ascetic lifestyle in the arid lands of Egypt. Although not the earliest of religious figures committed to this tradition, through actions and preaching Anthony helped popularise and spread principles that would contribute heavily to the establishment of Christian monasteries in Europe and beyond. One event in St. Anthony's life was his encounter with the supernatural in the remote Egyptian desert. This occurrence, where the otherworldly presence tried to tempt him from his spartan philosophy of living, is much recreated in Western art and literature.

**Heartbreak Therapy** Free Your Words

Paul "Chuck Norris" Yurkin has never been one to give up. A product of the inner city projects, he pulled himself up by the bootstraps and enlisted in the Marine Corps-serving proudly in Desert Storm before beginning a fifteen-year career with the Myrtle Beach police force. But when he saw the efforts of his policing failing to create any positive change, it wasn't long before Yurkin became jaded by the system as a whole. Seeking a new life for himself and his daughters, he met up with a private contracting firm and began training for a trip to sunny Afghanistan, where he would work on training the fledgling Afghan National Police. In the midst of two weeks of training in Virginia, he earned the nickname that would stick with him for years to come-and met three best friends that remained by his side through dangerous missions, misadventures, and the frustrations of being stationed abroad. In *Memoirs of a Security Contractor*, Yurkin tells the true story of his time as a security contractor in Afghanistan in candid detail-in an eye-opening tale of determination, friendship, and never giving up.

**How Being Consistent Changed Everything** Faber & Faber

In his first book, Pastor D. Foy Hutchins candidly shares his journey of emotional healing after a season of loss, pain, and disappointment. Once happily married and budding in ministry, Hutchins found his world caving in when he seemed to have lost it all. After a heartbreaking divorce and devastating church failures, he found the inner strength to rebound and recover. Heartbreak Therapy is designed to help you rediscover the

possibilities that seem so bleak. As you read, you will find that emotional healing is possible and you can recover.

**Use It** Katheryn Maddox Haddad

A thief has quietly crept into our churches. This thief has robbed us blind and most of us do not even realize it. Most of what our Lord wants for us has been taken from us by a "spirit of religion". This spirit has caused us to become a self-centered, flesh-serving institution instead of the life-giving, hope-building, Christ-filled Body that Jesus wants to build. Our only hope of reconnecting with our Lord and the culture around us is to return to the Lord Himself. He will build His own Church, with much less help from us than we realize. This book shows the power of restoring the Church by restoring the intimacy of relationship with our Lord and then with the people God has put into our lives.

**Freedom, Glorious Freedom** The Pursuit of Victory Has it• Been a rough day?• Been a rough year?• Been a rough career?Do you• Dream about that creative idea just beyond your grasp?• Feel trapped in a job that pays you just enough to survive?• Regret not finishing your music, photography or screenplay?• Wish you had more time, more money, more ability to get things done?If so, The Pursuit Of Passion is the book for you.

A concise book of deep thought and meditation, The Pursuit Of Passion is one of those rare experiences that comes along only once in a great while. It is a treasury of thoughtful, insightful reminders that can be read in one sitting, or can be referred to daily, one page at a time. The book takes you on a journey from the darkest days of the 2009 Great Recession to a place of recovery, creativity, hope and passion. "These writings came from a promise. Right before Memorial Day 2009, I met with my business coach Joe Stumpf. After 20 years as a commissioned loan officer, I had just lived through possibly the worst year ever in the business. My previous company had collapsed in the mortgage meltdown of 2008. During the previous 12 months my assistant had earned more money than I had. About 50% of the people in my industry were either out of work or actively looking for jobs in other areas of business. Things looked bleak, and there was no fun left. Work had become a painful grind with very little financial reward to show for all the time spent. I shared my total burn out in the business of 20 years with my coach. Frustrated by what my life had become, it became clear that something had to give. Either I had to change jobs, or change my attitude. Maybe both! I promised to get up at 5:00 AM every day, meditate and journal, and focus on bringing passion back into every aspect of my life, my work, my family and my personal growth. Instead of going to work every day and having a pity party, I have decided to have a passion party. These writings (a sample of the 475+ entries from the website <http://passionparty09.blogspot.com>) are the outgrowth of that commitment. I hope they inspire you to find your passion, and that you enjoy reading them as much as I did writing them."

-George Kahn "When a person integrates the practical and the artistic, the material and the spiritual, I listen. The world has more than enough disconnection; I am inspired by people who put things together. Real passion flows from these poems, the product of a mind and heart in synch." -Shmuel Klatzkin, Rabbi

**And I Thought...** Createspace Independent Publishing Platform

This new edition replaces both The Pursuit of Holiness and the separate study guide by combining both resources into one volume! "Be holy, for I am holy," commands God. But holiness is something that is often missed in the Christian's daily life. According to Navigator author Jerry Bridges, that's because we're not exactly sure what our part in holiness is. In The Pursuit of Holiness, he helps us see clearly just what we should rely on God to do-and what we should take responsibility for ourselves. As you deepen your relationship with God, learn more about His character, and understand the Holy Spirit's role in holiness, your spiritual growth will mature. The included study guide contains 12 lessons.
