**The Second Mountain:
The Quest for a Moral Life**

The world tells them to be a good consumer, but they want to be the one consumed—by a moral cause. The world tells them to want independence, but they want interdependence—to be enmeshed in a web of warm relationships. The world tells them to want individual freedom, but they want intimacy, responsibility, and commitment.

THE SECOND MOUNTAIN by David

Brooks is a complex book that is part philosophy, part personal disclosure, and part research. It serves as an excellent source to challenge the reader's thinking about a variety of subjects including religion, marriage, social responsibility and personal growth.

The Quest for a Moral Compass: A Global History of Ethics ... Professional Codes of Ethics, Jacob Birgen In “The Quest for a Code of Professional Ethics: An Intellectual and Moral Confusion,” Ladd argues that professional codes of ethics are seriously confused about the nature

of ethics. In the readings, Ladd backed this up by arguing that ethical principals can only be established as a result of deliberation and argumentation. The Quest for a Moral Compass by Kenan Malik The Second Mountain: The Quest for a Moral Life [ebook free] by David Brooks (epub/mobi) Every so often, you meet people who radiate joy—who seem to know why they were put on this earth, who glow with a kind of inner light. Life, for these people, has often followed what we might think of as a two-mountain shape. [The Quest For A Moral](#)

In his new book *The Quest for a Moral Compass: A Global History of Ethics*, during a brief but incisive passage on the medieval Islamic philosopher Ibn Rushd (Averroes), Kenan Malik remarks that this fascinating thinker's philosophy, which made a profound impact on

Christianity, Judaism and Islam, for all its novelty and originality, returns us to a perennial dilemma originally highlighted by Plato: 'either goodness is divinely defined but arbitrary, or it is rational but exists ...

"In his new book, "The Second Mountain: The Quest for a Moral Life," Brooks writes that living to satisfy relationships rather than one's own ego fills people's lives with "wonder, gratitude and hope." This is actually a proven theory. In fact this morning I was listening to a similar message on the 10% Happier podcast.

Everybody tells you to live for a cause larger than yourself, but how exactly do you do it? The bestselling author of *The Road to Character* explores what it takes to lead a meaningful life in a self-centered world. Every so often, you meet people who radiate joy--who seem to know why they were put on this earth, who glow with a kind of inner light.

The Second Mountain by David Brooks

My guest today would say that

you ' ve got to move on from trekking up life ' s first mountain, to begin a journey up its second. His name is David Brooks and he ' s the author of The Second Mountain: The Quest for a Moral Life. In that book, David makes the case that there are two mountains that we climb in life: The first is about the self — getting a college degree, starting a career, buying a home, and making your mark on the world.

The Quest for a Moral Compass » Melville House Books question issues of right and wrong, good and bad, is a defining characteristic of what it is to be human. Ultimately in the quest for a moral compass the search is more important than any final

destination.

The Quest for a Moral Compass by Kenan Malik ...
The Quest for a Moral Compass is a surprising book. At one level, it is a high-level overview of famous thinkers around the world. From Confucious to St Aquinas from Buddha to Spinoza, Keenan Malik dances around the evolution of moral thought on a global scale. As with any book of this scale, there are obvious gaps.
