Cyber Crime Investigator's Field Guide Artisan Books
National bestselling book:
Featured on Midwest, Mountain Plains, New Atlantic, Northern, Pacific Northwest

and Southern
Regional Indie
Bestseller Lists
Perfect book for
the birder and anti-
birder alike A
humorous look at 50
common North
American dumb
birds: For those
who have a disdain
for birds or bird
lovers with a sense
of humor, this
snarky, illustrated
handbook is equal
parts profane,
funny, and—let's
face it—true.
Featuring common
North American
birds, such as the
White-Breasted Butt
Nugget and the
Goddamned Canada
Goose (or White-
Breasted Nuthatch
and Canada Goose

for the layperson),
Matt Kracht
identifies all the
idiots in your
backyard and
details exactly why
they suck with
humorous, yet
angry, ink
drawings. With The
Field Guide to Dumb
Birds of North
America, you won't
need to wonder what
all that racket is
anymore! • Each
entry is
accompanied by
facts about a
bird's (annoying)
call, its (dumb)
migratory pattern,
its (downright
tacky) markings,
and more. • The
essential guide to
all things wings
with migratory

maps, tips for birding, musings on the avian population, and the ethics of birdwatching. • Matt Kracht is an amateur birder, writer, and illustrator who enjoys creating books that celebrate the humor inherent in life's absurdities. Based in Seattle, he enjoys gazing out the window at the beautiful waters of Puget Sound and making fun of birds. "There are loads of books out there for bird lovers, but until now, nothing for those that love to hate birds. The

Field Guide to Dumb Birds of North America fills the void, packed with snarky illustrations that chastise the flying animals in a funny, profane way. " - Uncrate A humorous animal book with 50 common North American birds for people who love birds and also those who love to hate birds • A perfect coffee table or bar top conversation-starting book • Makes a great Mother's Day, Father's Day, birthday, or retirement gift
The ROM Field Guide to Butterflies of Ontario Little, Brown

With more than 700 mushrooms detailed with color photographs and descriptive text, this is the most comprehensive photographic field guide to the mushrooms of North America. The 762 full-color identification photographs show the mushrooms as they appear in natural habitats. Organized visually, the book groups all mushrooms by color and shape to make identification simple and accurate in the field, while the text account for each species includes a detailed physical description, information on edibility, season, habitat, range, look-alikes, alternative names, and facts on edible and poisonous species, uses, and folklore. A supplementary section on cooking and eating wild mushrooms, and illustrations identifying the parts of a mushroom, round out this essential guide.

Elsevier Health Sciences
Play with paint, get creative with color, and discover your personal palette--a joyful, interactive workbook for creativity, self-expression, and deepening your understanding of how color works. Color is

one of the most profound ways we have to express ourselves. In this lively workbook for artists, graphic designers, hobbyists, and creators of all types, you will journal your way through fresh and enriching ways to develop a more personal connection to color in your art and life. Using watercolors, gouache, or any other water-based medium, dive into color theory and explore your personal style while playing with a balanced blend of experiments and color meditations. Discover a personal color wheel while exploring tints and shades. Experiment with color mixing while you make as many of one color as you can - and then name them all (honeydew green, avocado green, mint ice cream...). Through playful prompts and inspiring examples, and with lots of room for painting, this book will guide you to a new or expanded relationship with

color and deepen your understanding of what color can do for you.

Field Guide to the Haunted Forest Houghton Mifflin

Harcourt

The New York Times bestselling author and a central figure in the field of meditation, Sharon Salzberg, uses ancient Buddhist wisdom to redefine love and experience it in a more profound way. You are a person worthy of love. You don't have to do anything to deserve all the love in the world. Real Love is a creative tool kit of mindfulness exercises and meditation techniques that help you to truly engage with your present experience and create deeper love relationships with yourself, your partner, friends and family, and with life itself. Sharon Salzberg, a leading expert in Lovingkindness

meditation, encourages us to strip away layers of negative habits and obstacles, helping us to experience authentic love based on direct experience, rather than preconceptions. Across three sections, Sharon explains how to dispel cultural and emotional habits, and direct focused care and attention to recapture the essence of what it is to love and be loved. With positive reflections and practices, Sharon teaches us how to shift the responsibilities of the love that we give and receive to rekindle the powerful healing force of true connection. By challenging myths perpetuated by popular culture, we can undo the limited definitions that reduce love to simply romance or passion, and give the heart a much needed tune-up to connect ourselves to the truest experience of love in our daily lives.

Smithsonian Field Guide to the Birds of North America

HarperCollins

A new edition of the best-selling field guide with 25 all-new plates covering the birds of Hawaii. For decades, the Peterson Field Guide to Birds has been a popular and trusted guide for birders of all levels, thanks to its famous system of identification and unparalleled illustrations.

Now that the American Birding Association has expanded its species Checklist to include Hawaii, the Peterson Guide is the first edition to include the wonderful and exotic species of our fiftieth state.

In addition, the text and range maps have been updated, and much of the art has been touched up to reflect current knowledge.
