Analysis ...

Set in the rural Midlands of England, The Rainbow (1915) revolves around three generations of the Brangwens, a strong, vigorous family, deeply involved with the land. When Tom Brangwen marries a Polish widow, Lydia Lensky, and adopts her daughter Anna as his own, he is unprepared for the conflict and passion that erupts between them.

The story line traces three generations of the Brangwen family in the Midlands of

England from 1840 to 1905. The marriage of farmer Tom Brangwen and foreigner Lydia Lensky eventually breaks down. Likewise, the marriage of Lydia ' s daughter Anna to Tom ' s nephew Will gradually fails. The novel is largely devoted to Will and Anna ' s oldest child, the schoolteacher Ursula, who stops short of marriage when she is unsatisfied by her love affair with the conventional soldier Anton Skrebensky.
