Understanding End Times Prophecy Baker Academic
The author of the book of Revelation struggled, as we do today, to live out a Christian faith in the context of an empire that trampled and destroyed the earth and its creatures. In this book, Micah D. Kiel will look at how and why Revelation was written, along with how it has been interpreted across the centuries, to come to an understanding of its potential contribution to a modern environmental ethic. While the book of Revelation is replete with images of destruction of the earth, Kiel shows readers, through Revelation's ancient context, a message of hope that calls for the care of and respect for the environment.
Healing the Wounds of Sexual Abuse Liturgical Press
"This book focuses on the Apocalypse's use of familiar two-women topos (the "whore" or evil woman and the "bride" or good woman) to depict the New Jerusalem as an alternative to Babylon and to exhort the audience to choose between the two cities." "Early apocalyptic language, Rossing writes, can function in two ways, either to control the behavior of individuals or to provide an alternative vision and encouragement of new community structures in the face of oppression. The choice for the good woman advocated by the Apocalypse is not a gendered or individualistic choice but a political one - a choice for God's New Jerusalem, God's alternative city of justice and well being."--BOOK JACKET. Left Behind and Loving It is a cheeky critique of popular writings about the end times. Rather than presenting a steroid-buffed Jesus wrapped in an American flag and "coming again in clouds of gunfire," *Left Behind and Loving It* invites readers to approach some of the most controversial and scary portions of the Scriptures with the utter confidence that "God's steadfast love endures forever." Rather than asserting a hope premised on a few chosen ones escaping the world, *Left Behind and Loving It* argues that if it is Jesus who is to return (and not his evil twin), then the second coming has redemption written all over it. Many today cannot accept the escapist, violent, end-of-the-world scenario envisioned by "Left Behind" theology. *Left Behind and Loving It* invites readers not to fear but to trust in God's steadfast love and look at the finitude of the world with hope in an infinitely loving God.

Gods and Arms Wipf and Stock Publishers

The complete guide to debunking right-wing misinterpretations of the Bible—from economics and immigration to gender and sexuality. Jesus loves borders, guns, unborn babies, and economic prosperity and hates homosexuality, taxes, welfare, and universal healthcare—or so say many Republican politicians, pundits, and preachers. Through outrageous misreadings of the New Testament gospels that started almost a century ago, conservative influencers have conjured a version of Jesus that speaks to their fears, desires, and resentments. In *Republican Jesus*, Tony Keddie explains not only where this right-wing Christ came from and what he stands for but also why this version of Jesus is a fraud. By restoring Republicans' cherry-picked gospel texts to their original literary and historical contexts, Keddie dismantles the biblical basis for Republican positions on hot-button issues like Big Government, taxation, abortion, immigration, and climate change. At the same time, he introduces readers to an ancient Jesus whose life experiences and ethics were totally unlike those of modern Americans, conservatives and liberals alike.

In this lively introduction, J. Nelson Kraybill shows how the book of Revelation was understood by its original readers and what it means for Christians today. Kraybill places Revelation in its first-century context, opening a window into the political, economic, and social realities of the early church. His fresh interpretation highlights Revelation's liturgical structure and directs readers' attentions to twenty-first-century issues of empire, worship, and allegiance, showing how John's apocalypse is relevant to the spiritual life of believers today. The book includes maps, timelines, photos, a glossary, discussion questions, and stories of modern Christians who live out John's vision of a New Jerusalem.

Lynn R. Huber argues that the visionary aspect of Revelation, with its use of metaphorical thinking and language, is the crux of the text's persuasive power. Emerging from a context that employs imagery to promote imperial mythologies, Revelation

draws upon a long tradition of using feminine imagery as a tool of persuasion. It does so even while shaping a community identity in contrast to the dominant culture and in exclusive relationship with the Lamb. By drawing upon the work of medieval and modern visionaries, Huber answers a call to examine the way 'real' readers engage with biblical texts. Revealing how Revelation continues to persuade audiences through appeals to the visual and provocative imagery she offers a new sense of how the text metaphorical language simultaneously limits and invites new meaning, unfurling a range of interpretations.

Resisting Empire: The Book of Revelation as Resistance Wipf and Stock Publishers

This book brings together a variety of perspectives on how religion can be related to violence and war--both in a destructive and constructive way. Religion can justify and mobilize violence--even terrorism or guerilla wars--just like political ideology. But how is such a link between religion and violent behavior established in the first place? How can we go further in understanding this possible connection between religion and war? Is religious peace work just the flip side of religious support of war? Or can peace work be informed by knowing about how religion promotes violence and war? In the search for answers to the puzzle of religion and war, it is easy to focus on conflict and war situations, but maybe there is as much to learn from peace work as from war studies? Therefore, this book also analyses religious peace work from different contexts. The multifaceted presence of religion in conflict situations--whether justifying violence or promoting peace--is illustrated in this book using a variety of situations, in an enlightening panorama of one of today's most puzzling social connections: religion and armed conflict. Contributors include: R. Scott Appleby, Goran Gunner, Mariyahl Hoole, Mark Juergensmeyer, Anne Kubai, Kjell-Ake Nordquist, Jehan Perera, Jennifer Schirmer, Nari Senanayake, and Maria Smaberg.

Reading Revelation Responsibly St. Martin's Press

A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of *Beyond Belief*. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book,

however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds--Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, Revelations explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text.

Thinking and Seeing with Women in Revelation Westminster John Knox Press

Revelation speaks to the reality that we are caught in the fray of cosmic conflict. We are guilty. We've already been contaminated. But it's not too late for us to exit empire and enter the kingdom. We are yet both victim and victimizer. We have healing work to do, and we must take responsibility for the ways in which we have benefited from and been complicit with the religion of empire. This is the truth of Revelation. God wants to liberate us in body, heart, soul, and mind. Revelation reveals how scapegoating functions within empire to define its own boundaries and contours as being over and against wicked others. Revelation critiques wealth and shows that even in the first century there was prophetic critique against an economic system that was based on abundance for some, while exploiting the rest. Revelation demonstrates the importance of liturgy as something that forms people into the likeness of either empire or the lamb. Revelation reveals an alternative social order which becomes the center of resistance rooted in a vision of what the book describes as "the multitude."

The Rapture Trap Abingdon Press

Secrets Revealed at the Time of the End is a detailed description of events that will take place before, during and after the 7 year tribulation. It also contains instructions on how you can survive the Great Tribulation unscathed! Amo 3:7 Whatever the LORD God plans to do, he tells his servants, the prophets. My inspiration for writing this book actually started when I was very young*. I had graduated Confirmation class with a solemn promise to study my bible. I began by reading the Book of Revelation. As I read through the prophecies containing specific amounts of time (1260 days, 42 months, 3 1/2 years), I became frustrated because there were no beginning and ending dates for them. I remember slapping my bible shut, looking towards heaven and emphatically stating "God, why can't you just put the dates in here for us!" Instantly, I felt a very strange sensation in the back of my mind, it said something like "The dates are there, you just need to find them." Isa 46:9-10 "Let the things which are past come to your memory: for I am God, and there is no other; I am God, and there is no one like me; Making clear from the first what is to come, and from past times the things which have not so far come about; saying, My purpose is fixed, and I will do all my pleasure." As I kept combing through the bible searching for answers, it soon became evident that I was not equipped with the right knowledge to know what to look for, so I put it out of my mind thinking the sensation had been my imagination. In 2003 I offered my life to Christ again - this time with 100% commitment, I held nothing back. By this point in my life I had made many mistakes that had hurt myself and others - I knew I owed Jesus an enormous apology. As I repented, I even made a special request to be allowed to become a Tribulation Saint so I could help guide others to salvation. Again I felt an extraordinary sensation throughout my whole body, not just my mind. I physically felt my shoulders lift as the weight of the world was taken from them! A veil was removed from my eyes - sins I had not realized I was committing were

exposed to me so that I could turn away from them. I was forgiven and accepted by the Messiah! I learned later that the sensation I had felt was baptism by His Holy Spirit! Eventually as I increased my worship, prayers and bible studies, I was guided to pray for more understanding, especially about end-time bible prophecy. On the morning of August 2, 2009, I experienced another sensation, much more powerful than the others - another visit from the Holy Spirit! I was instantly filled with an overwhelming love for all of God's people and an unquenchable desire to search for those end-time dates until I found them. At this same time, I also received the gift of discernment so that I could determine biblical truth from various false doctrines and theories. I began to read as many end-time prophecy theories as I could, comparing them to the bible to see if they followed scripture. I logged all the information and a couple years into my research, I realized the Holy Spirit had been guiding me all along to write this book. I discovered that the dates I sought all those years ago, are cleverly hidden throughout the entire bible! According to the prophet Daniel, they were 'sealed up (unsolvable) until the time of the end.' The most logical date for 'the time of the end' to begin - 1948, the year of Israel's rebirth. Therefore, the secrets are no longer sealed! "Secrets Revealed at the Time of the End" is the direct result of the inspiration given to me by the Messiah's Holy Spirit.
