[Soul Rebels](#) Waveland Press

A book on Rastafari's teachings of the books of *The Glory of Kings* and *The Utterance of Jah*.

[The Rastafarians](#) Createspace Independent Publishing Platform

So much has been written about the Rastafari, yet we know so little about why and how people join the Rastafari movement. Although popular understandings evoke images of dreadlocks, reggae, and marijuana, Rastafarians were persecuted in their country, becoming a people seeking social justice. Yet new adherents continued to convert to Rastafari despite facing adverse reactions from their fellow citizens and from their British rulers. Charles Price draws on in-depth interviews to reveal the personal experiences of those who adopted the religion in the 1950s to 1970s, one generation past the movement's emergence. By talking with these Rastafari elders, he seeks to understand why and how Jamaicans became Rastafari in spite of rampant discrimination, and what sustains them in their faith and identity. Utilizing new conceptual frameworks, Price explores the identity development of Rastafari, demonstrating how shifts in the movement's identity—from social pariah to exemplar of Blackness—have led some of the elder Rastafari to adopt, embrace, and internalize Rastafari and blackness as central to their concept of self.

[The Rastafarians](#) Temple University Press

Once an obscure group of outcasts from the ghettos of West Kingston, Jamaica, the

Rastafarians have transformed themselves into a vibrant movement, firmly grounded in Jamaican society and beyond. In *Rastafari*, Ennis Barrington Edmonds provides a compelling portrait of the Rastafarian phenomenon and chronicles how this group, much maligned and persecuted, became a dominant cultural force in the world today. Edmonds charts the evolution of the relationship between Rastafari and the wider Jamaican society, from confrontation and repression to grudging tolerance and eventually to cultural integration. Edmonds focuses in particular on the internal development of Rastafarianism as a social movement, with its network of "houses" (small, informal groups that form around leading Rastas) and "mansions" (larger, more communal associations), to track the process of this strikingly successful integration. He further demonstrates how Rastafarian artistic creativity, especially in fashioning the music and message of reggae, was a significant factor in the transition of Rastas from the status of outcasts to the position of cultural bearers.

[The Rastafari Reader](#) Univ. Press of Mississippi

Reveals the personal experiences of those who adopted the Rastafari religion in the 1950s to 1970s. This title explores the identity development of the religion, demonstrating how shifts in the movement's identity have led some of the elder Rastafari to adopt, embrace, and internalize Rastafari and Blackness as central to their concept of self.

Simon and Schuster

The Rastafari Movement: A North American and Caribbean Perspective provides a historical and ideological overview of the Rastafari movement in the context of its early beginnings in the island of Jamaica and its eventual establishment in other geographic locations. Building on previous scholarship and the author's own fieldwork, the text goes on to provide a rich comparative analysis of the Rastafari movement with other Black theological movements, specifically the Nation of Islam and the Black Hebrew Israelites in the context of the United States. The text explores the following topics: • Pan-Africanism, Black nationalism and Rastafari; • gender dynamics; • globalization; • concepts and symbols; • other Black theological movements. This text is ideal for students of religious studies, sociology, anthropology, African Diaspora studies, African American studies, and Black studies who wish to gain

an understanding of the history and beliefs of the Rastafari Movement.

[The Rastafarians](#) Heinemann Educational Publishers

... a cult, a deviant subculture, a revolutionary movement ... these descriptions have been commonly used in the past to identify the Rastafari, a group perhaps best known to North American readers for their gift of reggae music to the world. With both compassion and a sharp sense of reality, anthropologist William Lewis suggests alternative perspectives and reviews existing social theories as he reports on the diverse world of the ganja-smoking Rastafari culture. He carefully examines this culture in its confrontations with the law, its growing ambivalence about itself as well as the continued conflict between many Rasta and contemporary middle-class values.

Characterized by rich ethnographic detail, an engaging writing style, and thoughtful commentary, *Soul Rebels* uncovers the complex inner workings of the Rasta movement and offers a critical analysis of the meaning of Rastafari commitment and struggles. *Soul Rebels* offers a solid historical overview of the movement, an excellent picture of diversity within the faith, fair and accurate discussions of sexism among the Rasta, engaging life history material, and rich descriptions of what actually goes on in a reasoning session. Lewis's treatment of Rastafari populations in a Jamaican fishing village, an Ethiopian market town, and an urban neighborhood in the northeastern United States sets his ethnography in the cross-cultural and comparative framework central to anthropological analysis.

[The Rastafarians](#) Empress Yuajah Presents the history and beliefs of the Rastafarians, whose roots of protest go back to the seventeenth-century maroon societies of escaped slaves in Jamaica. Provides an important contribution to the sociology of religion and to our knowledge of the variety of religious expressions that have grown up during the West African Diaspora in the Western Hemisphere.

[Rastafarians. A Movement Tied with a Social and Psychological Conflict](#) McGill-Queen's Press - MQUP

The first comprehensive work on the origins of the Jamaica-based Rastafaris, including

interviews with some of the earliest members of the movement. *Rastafari* is a valuable work with a rich historical and ethnographic approach that seeks to correct several misconceptions in existing literature—the true origin of dreadlocks for instance. It will interest religion scholars, historians, scholars of Black studies, and a general audience interested in the movement and how Rastafarians settled in other countries.

From the Trade Paperback edition.

Chanting Down Babylon Bear

"Yet when reggae became internationally popular in the 1970s, divisions among Rastafarians grew wider, spawning a number of pseudo-Rastafarians who embraced only the external symbolism of this world-wide religion. Exploiting this opportunity, Jamaica's new Prime Minister, Michael Manley, brought Rastafarian political imagery and themes into the mainstream. Eventually, reggae and Rastafari evolved into Jamaica's chief cultural commodities and tourist attractions."--Jacket.

Reggae, Rastafari, and the Rhetoric of Social Control Oxford University Press

Going far beyond the standard imagery of Rasta—ganja, reggae, and dreadlocks—this cultural history offers an uncensored vision of a movement with complex roots and the exceptional journey of a man who taught an enslaved people how to be proud and impose their culture on the world. In the 1920s Leonard Percival Howell and the First Rastas had a revelation

concerning the divinity of Haile Selassie, king of Ethiopia, that established the vision for the most popular mystical movement of the 20th century, Rastafarianism. Although jailed, ridiculed, and treated as insane, Howell, also known as the Gong, established a Rasta community of 4,500 members, the first agro-industrial enterprise devoted to producing marijuana. In the late 1950s the community was dispersed, disseminating Rasta teachings throughout the ghettos of the island. A young singer named Bob Marley adopted Howell's message, and through Marley's visions, reggae made its explosion in the music world.

Find out all about Rastafari culture, and what it means to follow Jah Rastafari, Emperor Haile Selassie I, according to the Rastamans way of life.

Rastafari NYU Press

This anthology explores Rastafari religion, culture, and politics in Jamaica and other parts of the African diaspora. An Afro-Caribbean religious and cultural movement that sprang from the streets of Kingston, Jamaica, in the 1930s, today Rastafari has close to one million adherents. The basic message of Rastafari—the dismantling of all oppressive institutions and the liberation of humankind—even has strong appeal to non-believers who are captivated by reggae music, the lyrics, and the "immortal spirit" of its enormously popular practitioner, Bob Marley. Probing into Rastafari's still evolving belief system, political goals, and cultural expression, the contributors to this volume emphasize the importance of Africana history and the Caribbean context. Author

note: Nathaniel Samuel Murrellis Assistant Professor of Philosophy and Religion at the University of North Carolina, Wilmington, and Visiting Professor at the Caribbean Graduate School of Theology in Kingston, Jamaica. William David Spencer serves as Pastor of Encouragement at Pilgrim Church in Beverly, MA, and was an Adjunct Professor of Theology at Gordon-Conwell Theological Seminary's Center for Urban Ministerial Education in Boston. He has authored, co-authored, or edited *The Prayer of Life of Jesus*, *Mysterium and Mystery: The Clerical Crime Novel*, *God through the Looking Glass*, *Joy through the Night*, *2 Corinthians: Bible Study Commentary* and *The Global God*. Adrian Anthony McFarlane is Associate Professor of Philosophy and Chair of the Department of Philosophy and Religious Studies at Hartwick College in Oneonta, NY. He is author of *A Grammar of Fear and Evil—A Husserlian-Wittgensteinian Hermeneutic*.

How to Become a Rasta The Rastafarians Twentieth Anniversary Edition
Over de religieuze, filosofische en psychologische achtergronden van de rastafari-beweging.

The Rastafarians in Britain and Jamaica CreateSpace

Shares the spiritual wisdom of Rastafari through the stories, teachings, and traditions of practicing Rastas in Jamaica • Includes the author's interviews with bush doctors, healers, and Rastafarians gathered during his 15 years of living in Jamaica • Reveals the old ways of the Rastafarians and how their beliefs form an unbroken lineage tracing back to King Solomon • Explains the connection of Rasta beliefs to important biblical passages Tracing their lineage back to King Solomon--the wisest man who ever lived--Rastafarians follow a spiritual tradition of peace and meditation that is more a way of life than an organized religion. During his 15 years living in Jamaica, Gerald Hausman developed deep friendships with Rastafarians and rootsmen, enabling him to experience firsthand the beliefs and traditions of these followers of the Kebra Nagast--the African gospel excised from the King James version of the Bible. He met bush doctors, Rasta preachers, members of the Marley family, and respected elders who knew Marcus Garvey, prophet of the Rasta movement and vocal proponent of the Pan-African movement in America. He also met elders who were present when Haile Selassie I, Emperor of Ethiopia and descendant of the House of David, came to Jamaica in the

1960s. Through interviews with fishermen, mystics, and wise men, as well as direct encounters with spirits and the spiritual, the author reveals the deep wisdom that underlies the "old ways" of the Rastas. He connects their stories, lives, and teachings with important biblical passages as well as reggae songs. He shares their views on the medicinal and meditative powers of cannabis--the sacred herb of Solomon--and explains that while Rastas believe it to be "the opener of the door," they maintain that peace and understanding must be found within. Illustrating the unwavering faith and hope of the Rastafari of Jamaica, Hausman shows them to be a people who, above all, emphasize equality, because the Holy Spirit within each of us makes us all one and the same.

The Rastafarians Beacon Press

Dread Talk examines the effects of Rastafarian language on Creole in other parts of the Caribbean, its influence in Jamaican poetry, and its effects on standard Jamaican English. This revised edition includes a new introduction that outlines the changes that have occurred since the book first appeared and a new chapter, "Dread Talk in the Diaspora," that discusses Rastafarian as used in the urban centers of North America and Europe. Pollard provides a wealth of examples of Rastafarian language-use and definitions, explaining how the evolution of these forms derives from the philosophical position of the Rasta speakers: "The socio-political image which the Rastaman has had of himself in a society where lightness of skin, economic status, and social privileges have traditionally gone together must be included in any consideration of Rastafarian words " for the man making the words is a man looking up from under, a man pressed down economically and socially by the establishment."

Social Origins of the Rastafari

Movement Cultural Survival

A new Rastafarian prayerbook with Biblical readings and speeches of the prophet Marcus Garvey and Emperor Haile Selassie.
