The Fair Isle Trilogy is a complete series collection, featuring three full length novels in a single volume: *To Carve a Fae Heart*, *To Wear a Fae Crown*, and *To Spark a Fae War*. All my life I knew I'd come of age during the Hundred Year Reaping. According to the ridiculous treaty, two human girls are sent to the faelands as brides for the fearsome fae king and his devilish younger brother. Not me. I was supposed to be safe. Two girls were chosen from my village already. But when they are executed for offending the

king, my sister and I are sent in their place. What a mess. Then again, maybe it's not so bad. The younger brother I'm paired with doesn't seem as monstrous as I'd expected. He's delightfully handsome too. But nothing compares to the chilling, dangerous beauty of the fae king. And when my sister flees the castle and her terrifying husband-to-be, I'm left to marry him instead. If I go through with this, I might not survive my wedding night. If I don't, no one is safe, neither human nor fae. An ancient war will return, bringing

devastation we haven't seen in a thousand years. Can I sacrifice myself for the good of my people? Or will a dangerous desire be the death of me first? If I don't lose my heart, the king will certainly lose his. I'll carve it out with an iron blade if I have to. The Fair Isle Trilogy Complete Series Collection is an enemies-to-lovers fantasy, perfect for fans of *The Cruel Prince*, *ACOTAR*, and *The Iron King*. If you like snarky fae, brooding fae royals, sizzling romance, and fierce heroines, you'll love this breathtaking fae fantasy. **BUY THE FAIR ISLE**
