"Witches are gathering." When most people hear the word "witches," they think of horror films and Halloween, but to the nearly one million Americans who practice Paganism today, witchcraft is a nature-worshipping, polytheistic, and very real religion. So Alex Mar discovers when she sets out to film a documentary and finds herself drawn deep into the world of present-day magic. Witches of America follows Mar on her immersive five-year trip into the occult, charting modern Paganism from its roots in 1950s England to its current American mecca in the San Francisco Bay Area; from a gathering of more than a thousand witches in the Illinois woods to the New Orleans branch of one of the world's most influential magical societies. Along the way she takes part in dozens of rituals and becomes involved with a wild array of characters. This sprawling magical community compels Mar to confront what she believes is possible--or hopes might be. With keen intelligence and wit, Mar illuminates the world of witchcraft while grappling in fresh and unexpected ways with the question underlying every faith: Why do we choose to believe in anything at all?--Adapted from book jacket.

[Grimoire for the Green Witch](#) Createspace Independent Publishing Platform  
Reveals the origins and history of the New England witch hysteria, its continuing repercussions, and the multilayered practices of today ' s modern witches • Shares the stories of 13 accused witches from the New England colonies through interviews with their living descendants • Explores the positive role witches played in rural communities until the dawn of the industrial age, despite ongoing persecution • Includes in-depth interviews with 25 modern witchcraft practitioners, interwoven with practical information on the sacred calendar, herb lore, spells, and magical practices New England has long been associated with witches. And while the Salem witch trials happened long ago, the prejudices and fears engendered by the witchcraft hysteria still live on in our culture. What forces were at work that brought the witch hysteria quickly from Europe to the new American colony, a place of religious freedom--and what caused these prejudices to linger centuries after the fact? Weaving together history, sacred lore, modern practice, and the voices of today ' s witches, Ellen Evert Hopman offers a new, deeper perspective on American witchcraft and its ancient pagan origins. Beginning with the “ witch hysteria ” that started in Europe and spread to the New World, Hopman explores the witch hunts, persecutions, mass hysteria, and killings, concluding that between forty and sixty thousand women and men were executed as witches. Combining records of known events with moving interviews with their descendants, she shares the stories of 13 New England witches persecuted during the witch trials, including Tituba and Mary Bliss Parsons, the Witch of Northhampton. Despite the number of false accusations during the witch hysteria in the New England colonies, Hopman reveals how there were practicing witches during that time and describes the positive role witches played in rural communities until the dawn of the industrial age. Exploring how the perception and practices of witches has evolved and expanded over the centuries, Hopman also includes in-depth interviews with 25 modern-day practitioners from a variety of pagan faiths, including druids, wiccans, Celtic reconstructionists, and practitioners of the fairy faith. Emerging from their insights is a treasure trove of practical information on the sacred calendar, herb lore, spells, and magical practices. Bringing together past and present, Hopman reveals what it really means to be a “ witch,” redefining the label with dignity and spiritual strength.

Experienced witch Arin Murphy-Hiscock guides you on your path to creating your own personal book of your most cherished magic. Continue to hone your craft and grow into the green witch you've always dreamed of as you personalize your own Green Witch's Grimoire.

*The Little Witch's Book of Spells* Simon and Schuster  
• Explains how to work with baneful herbs through rituals and spells, as plant spirit familiars, as potent medicines, and as visionary substances • Details the spiritual, alchemical, astrological, and symbolic associations of each plant, its active alkaloids, how to safely cultivate and harvest it, and rituals and spells suited to its individual nature and powers • Shares plant alchemy methods, magical techniques, and recipes featuring the plants, including a modern witches' flying ointment Part grimoire and part herbal formulary, this guide to the Poison Path of occult herbalism shares history, lore, and practical information regarding the use of poisonous, consciousness-altering, and magical plants. Author Coby Michael explains how, despite their poisonous nature, when approached with respect and reverence, baneful herbs can become powerful plant allies, offering potent medicine, magical wisdom, and access to altered states and the spirit realm. Detailing the spiritual, alchemical, astrological, and symbolic associations of each plant, the author explores their magical uses in spells and rituals throughout history as well as their active alkaloids. He focuses primarily on the Nightshade family, or Solanaceae, such as Mandrake, Henbane, and Thornapple, yet also explores baneful plants from other families such as Wolfsbane, Hemlock, and Hellebore. He also examines plants in the witch's pharmacopoeia that are

safer to work with but just as chemically active, such as Wormwood, Mugwort, and Yarrow. The author shares rituals suited to the individual nature and powers of each plant and explains how to attract and work with plant spirit familiars. He offers plant alchemy methods for crafting spagyric tinctures and magical techniques to facilitate working with these plants as allies and teachers. He shares magical recipes featuring the plants, including a modern witches' flying ointment. He also explores safely cultivating baneful herbs in a poison garden. Revealing the magical secrets of the Poison Path, Coby Michael shows that although these plants can be deadly in nature, they are also wise spiritual teachers who can provide us with profound healing and bring us closer to the natural world.

“For covens who prefer meeting outdoors, perhaps in a garden or a deep forest clearing, The Green Witch is a delightful guide to nature magic. It's filled with practical recipes for herbal blends and potions, the properties of essential oils, and lots of ideas for healing and relaxation.” —Bustle Discover the power of natural magic and healing through herbs, flowers, and essential oils in this guide to green witchcraft. At her core, the green witch is a naturalist, an herbalist, a wise woman, and a healer. She embraces the power of nature; she draws energy from the Earth and the Universe; she relies on natural objects like stones and gems to commune with the land she lives off of; she uses plants, flowers, oils, and herbs for healing; she calls on nature for guidance; and she respects every living being no matter how small. In The Green Witch, you will learn the way of the green witch, from how to use herbs, plants, and flowers to make potions and oils for everyday healing as well as how crystals, gems, stones, and even twigs can help you find balance within. You'll discover how to find harmony in Earth's great elements and connect your soul to every living creature. The green witch focuses on harmony, healing, and balance with the Earth, but also with humanity and yourself. This guide also contains easy-to-understand directions for herbal blends and potions, ritual suggestions, recipes for sacred foods, and information on how to listen to and commune with nature. Not only will you attune yourself to nature, but you will also embrace your own power. Learn about the world of the green witch and discover what the power of nature has in store for you.

*The Real Witches' Handbook* Bantam  
Learn how to cultivate your own magical garden, begin your journey with folk herbalism, and awaken to your place in nature through practical skills from an experienced Appalachian forager and witch. Witchcraft is wild at heart, calling us into a relationship with the untamed world around us. Through the power of developing a relationship with plants, a witch—beginner or experienced—can practice their art more deeply and authentically by interacting with the beings that grow around us all. Bridging the gap between armchair witchcraft and the hedge witches of old, Wild Witchcraft empowers you to work directly with a wide variety of plants and trees safely and sustainably. With Wild Witchcraft, Rebecca Beyer draws from her years of experience as an Appalachian witch and forager to give you a practical guide to herbalism and natural magic that will share: -The history of witchcraft and Western herbalism -How to create and maintain your own herbal garden -Recipes for tinctures, teas, salves, and other potions to use in rites and rituals -Spells, remedies, and rituals created with the wild green world around you, covering a range of topics, from self-healing to love to celebrating the turning of the seasons -And much more! Wild Witchcraft welcomes us home to the natural world we all dwell in by exploring

practical folk herbal and magical rites grounded in historical practices and a sustainable, green ethic.

*The Real Witches' Garden* Simon and Schuster

NEW YORK TIMES BESTSELLER • From the acclaimed author of *The Flight Attendant*: “Historical fiction at its best.... The book is a thriller in structure, and a real page-turner, the ending both unexpected and satisfying” (Diana Gabaldon, bestselling author of the *Outlander* series, *The Washington Post*). A young Puritan woman—faithful, resourceful, but afraid of the demons that dog her soul—plots her escape from a violent marriage in this riveting and propulsive novel of historical suspense. Boston, 1662. Mary Deerfield is twenty-four-years-old. Her skin is porcelain, her eyes delft blue, and in England she might have had many suitors. But here in the New World, amid this community of saints, Mary is the second wife of Thomas Deerfield, a man as cruel as he is powerful. When Thomas, prone to drunken rage, drives a three-tined fork into the back of Mary’s hand, she resolves that she must divorce him to save her life. But in a world where every neighbor is watching for signs of the devil, a woman like Mary—a woman who harbors secret desires and finds it difficult to tolerate the brazen hypocrisy of so many men in the colony—soon becomes herself the object of suspicion and rumor. When tainted objects are discovered buried in Mary’s garden, when a boy she has treated with herbs and simples dies, and when their servant girl runs screaming in fright from her home, Mary must fight to not only escape her marriage, but also the gallows. A twisting, tightly plotted novel of historical suspense from one of our greatest storytellers, *Hour of the Witch* is a timely and terrifying story of socially sanctioned brutality and the original American witch hunt.

*The Modern Witchcraft Guide to Magickal Herbs* Llewellyn Worldwide Limited

A successful caterer in Bascomb, North Carolina, Claire has always remained tied to the long and magical legacy of the Waverly family, until her peaceful life is transformed by Tyler Hughes, an art teacher and new next-door neighbor, and by the return of her prodigal sister, Sydney, who has arrived with her five-year-old daughter, Bay. A first novel. 75,000 first printing.

*The Real Witches' Year* HarperThorsons

The richly atmospheric and luminous debut about three generations of women whose magic is as much a part of life as love, death, and the rich, dark earth beneath their feet--perfect for fans of Practical Magic and *Midnight at the Blackbird Cafe*. There’s something magical about Yarrow, Kentucky. The three empathic witches of the Haywood family are known for their shadow garden—from strawberries that taste like chocolate to cherry tomatoes imbued with the flavors of basil and oregano. Their magic can cure any heartache, and the fruits of their garden bring a special quality to the local bourbon distillery. On one day every year, a shot of Bonner bourbon will make your worst memory disappear. But the Haywoods will never forget the Bonners’ bitter betrayal. Twenty years ago, the town gave up more than one memory; they forgot an entire summer. One person died. One person disappeared. And no one has any recollection of either. As events from that fateful summer start to come to light, there must be a reckoning between the rival Haywood and Bonner families. But untangling the deep roots of this town’s terrible secrets will expose more than they could ever imagine about love, treachery, and the true nature of their power.
