"Where are we? Kady asked, as they turned to look at the entire room. They saw the kitchen had a wood-burning stove, no sink faucet, and no refrigerator." "I don't know, Allie said, "but look out this window, across the yard and the garden. Isn't that the cotton patch where Nanna said she had to cross the narrow dirt road to help pick cotton?" The sisters, Allie, Kady, Lindey, and their cousin, Taylor, have been transported into their great grandmother's world when she is five and then again when she is seven. During their second visit, Taylor's little brother, Lance, shows up, surprising everyone, except Minnie, who has expected him and is so pleased he has come with them. This fictional story is based on contemporary children, who are real, and the historical, real-life happenings of the Tucker family in the 1920's told by Jewel Tucker Phillips.

While many books have been written on the Falklands War, this is the first to focus on the vital aspect of logistics. The challenges were huge; the lack of preparation time; the urgency; the huge distances involved; the need to requisition ships from trade to name but four.??After a brief discussion of events leading to Argentina's invasion the book describes in detail the rush to re-organise and deploy forces, despatch a large task force, the innovative solutions needed to sustain the Task Force, the vital staging base at Ascension Island, the in-theatre resupply, the set-backs and finally the restoring of order after victory.??Had the logistics plan failed, victory would have been impossible and humiliation inevitable, with no food for the troops, no ammunition for the guns, no medical support for casualties etc.??The lessons learnt have never been more important with increasing numbers of out-of-area operations required in remote trouble spots at short notice. The Falklands experience is crucial for the education of new generations of military planners and fascinating for military buffs and this book fills an important gap.

This book is a compilation of my thoughts-- transformed into poems, quotes, and self notes. At the unseasoned age of 20, I can testify to life taking me through some expected changes and detours. There were many days that I couldn't speak, think, or even write clearly. Through silence, prayer, and this little writing outlet, I've learned so much. I've found inspiration in the most unexpected places. I've learned that it's okay to cry. It's okay to not know all the answers. It's okay to be you-- Unapologetically you. Sometimes, it's even okay to feel lost.. So long as you remember who you are. We're all destined for greatness and success. I pray this book opens minds, encourages smiles, and inspires creativity. Above all, I'm forever grateful to my Heavenly Father for his magnificent plan over my life.

In high school, everyone's talking about college. What to do. Where to go. Why it's important. Classes are given on it. Books are written about it. But details get left out. Every year, college graduates learn this the hard way as they step into adulthood. I was one of them. After earning a four-year degree, I went through two of the worst years of my life. Not that my situation is unique. I am a part of a generation that was told to go to college first and sort out the details later. Most of us did. We chased the promise of a big shiny future, and we ended up being chased by the mistakes of our past. That's not to say we completely regretted going. This book isn't a list of privileged millennial complaints. It's a collection of wisdom gained in less than pleasant ways. It's a story of hardship, failure, victory, and perseverance. It's all of the things we wish someone had told us. And it takes place before college, in college, after college, and without college. This is the wild, painful, awkward, hilarious, depressing, & beautiful journey from youth to maturity. This is the college book that no one ever gave us.

Steeped in authentic cultural traditions and spiritual beliefs, this rich and wonderful historical novel follows the times and trials of a family band of the Schi'tsu'umsh Indians, now called the Coeur d'Alene Tribe in northern Idaho. Through a boy named Sun Bear and his sister, Rainbow Girl, the band's oral stories are told as it struggles to hold onto what is precious and sacred about life.

The Red Brick House Crown

Ceres had never met anyone like Liam before. It wasn't his looks or anything physical that made him different, but was something that was impossible to see and even harder to describe. It was the way that he made her feel. As if a world filled with the reanimated dead wasn't enough, a new, even more insidious threat has now reared its ugly head. They tore her away from him and made her fight for her life. Cornered and hopelessly outnumbered she was about to succumb when an unexpected ally intervened to save her life. Ceres has now joined the resistance, literally under ground – a covert alliance known as CATO – between humans and an alien race known as the Gray. But after decades of mistrust and misinformation the alliance is on the brink of collapse. As her world becomes stranger and uncomfortably complex she focuses on a live overhead satellite image of Liam – her beacon of hope, harmony and sanity in an inhuman and insane world. Time is running out for the survival of the human race and the odds are stacked heavily against the unstable alliance known as CATO. Can Ceres find a way to make a difference before it's too late? STILL ALIVE is a genre-crossing thrill ride which takes the reader from narrowly surviving a zombie outbreak to learning that the plague is just the pre-cursor to something even larger and much more sinister. Just when solo running and gunning seems like the epitome of surviving a running-zombie infested world STILL ALIVE leads us to the cusp of hard science fiction, reinventing the zombie 'virus' while at the same time upgrading it to seeming plausibility.

On a block dressed up in Red and Green one house shone Blue and White. It's a holiday season that both Isaac, whose family is Jewish, and Teresa, whose family is Christian, have looked forward to for months! They've been counting the days, playing in the snow, making cookies, drawing (Teresa) and writing poems (Isaac). They enjoy all the things they share, as well as the things that make them different. But when Isaac's window is smashed in the middle of the night, it seems like maybe not everyone appreciates "difference." Inspired by a true story, this is a tale of a community that banded together to spread light.
