### The Lion and the Lamb Macmillan

"The central character of this book is not 'Jesus Christ' as we perceive him, but rather the Eternal Initiate, the Great Candidate of All Religions. It is hoped that as you read you will become so emotionally involved in the problems of this Great Initiate that as he approaches initiation in his preparation for the Final Effort on The Cross, you will feel that you are there." - EUGENE E.

Struck down by the deadly Viper blade, Sarah Dalcome's life hangs in the balance. Her only hope is the mysterious antidote called the Elixir of Life. But, there's one problem-the ingredients they need reside on the planet Haven. With time running out Sam, Travis, and Demetrius must use his mother's portal key to embark on a death-defying mission to save Sarah. But unbeknownst to them, Haven is on the brink of civil war. Secrets have been exposed regarding the truth and cover-up behind the Dalcome family deaths. With the Majesty in chaos, a deadly splinter cell from the once mighty alliance seeks to gain power by hunting Sam down and stealing the portal keys. Meanwhile, Bellisoria Vontella, the Majesty's High Priestess fights to keep order while orchestrating safe passage for the Dalcome boy by enlisting a former Paladin and deadly assassin known as Ruger. With their life now in danger, the objective has changed, and staying

alive is priority number one. Will Sam and his friends reach the safety of Ashaway Cottage before they are captured? Or will the hunters of Haven get to them first?

Against a backdrop of international intrigue and ruthless drug monopolies, award-winning author Davis Bunn delivers an intoxicating page-turner in this redemptive thriller. Multi-billion dollar giant Revell Pharmaceuticals is devouring its competition. A new research breakthrough propels the company into releasing its most profitable product ever. Yet a family crisis confronts them when Kirra Revell, heiress to the empire, goes missing. Taylor Knox, an employee of Revell's latest acquisition, is blackmailed into leading the search. An expert surfer, Taylor pursues the world's biggest waves as a cover, only to be ensnared in a deadly contest of corporate espionage. In the race to find Kirra, everyone's motives are suspect. A Celtic monk's warning only heightens the peril. Is it money, power, passion, or something deeper that compels Taylor to risk everything? From Scotland's holy islands to the rugged Basque coast of Spain, from boardrooms and luxury yachts to the dungeons of America's oldest surviving fortress, the hunt is on. Can Taylor Knox achieve his quest before time runs out for Kirra Revell -- and for himself?

A modern-day quest that echoes the ancient alchemists' work to discover the elixir of life •

Provides an overview of alchemical practices in the ancient world--from Europe to China • Reveals the alchemical secrets for creating this elixir in clear scientific language In 1989, while attempting to extract precious minerals from his property, a wealthy Arizonan obtained a mysterious white material that initially defied scientific attempts to identify it. After several years of testing, this substance was revealed to consist of gold and platinum--but in a form unknown to modern science. Further research showed that this powder, which had also been discovered to possess

marvelous healing powers, contained monatomic forms of precious metals whose electron units had been altered to no longer display the physical, chemical, or electrical properties of the original elements. This substance, Robert Cox shows, bears eerie resemblance to the ultimate quest of the alchemists: the elixir of immortality. The mysterious material-spiritual science of alchemy was once pervasive throughout the ancient world, spanning the globe from China and India to Egypt and medieval Europe. In *The Elixir of Immortality*, Robert Cox reviews the alchemical lore of these traditions and the procedures each used to produce this fabulous elixir. Using his own alchemical research, Cox then reveals secrets that have been kept hidden for millennia uncovered in his own modern-day quest to rediscover this long-sought elixir of life.

readers into a magical world where stone gargoyles live among humans, ferocious water horses infiltrate the sea, and school hallways are riddled with magic wards--and where a group of young heroes seeking justice discovers those very creatures are the best of allies. Twenty years ago, a door opened between the world of humans and the Netherwhere, allowing all kinds of otherworldly creatures entry. Some, like the kelpies and fairies, who like to bite, are best avoided. But the gargoyles are wise and wonderful, and show a special affection for humans. Vicky has grown up under the watchful eye of a gargoyle named Rupert, and excels at sword-fighting and magic. But there's so much she doesn't know--like why her mother, once one of the queen's elite Ravens, keeps Vicky hidden away and won't let Vicky train at the elite Corvus school where girls with her gifts perfect their skills. But when a horrific tragedy occurs, Vicky knows it's finally time to use her gifts, and that the only place she should be to avenge the crime against her

family is at Corvus. There she bands together with a former street thief and an alchemy student to figure out whom they can trust in a place that's rife with intrigue and secrets. And all the while, the gargoyles watch and nudge. Time's not linear to them, so they know change comes in ripples. With their steadying influence, Vicky and her friends just might be the generation to expose the court's secrets and ensure a better future for both worlds.
