The foremost experts on the North American Model of Wildlife Conservation come together to discuss its role in the rescue, recovery, and future of

our wildlife resources. At the end of the nineteenth century, North America suffered a catastrophic loss of wildlife driven by unbridled resource extraction, market hunting, and unrelenting subsistence killing. This crisis led powerful political forces in the United States and Canada to collaborate in the hopes of reversing the process, not merely halting the extinctions but returning wildlife to

abundance. While there was great understanding of how to manage wildlife in Europe, where wildlife management was an old, mature profession, Continental methods depended on social values often unacceptable to North Americans. Even Canada, a loyal colony of England, abandoned wildlife management as practiced in the mother country and joined forces with like-minded

Americans to develop a revolutionary system of wildlife conservation. In time, and surviving the close scrutiny and hard ongoing debate of open, democratic societies, this series of conservation practices became known as the North American Model of Wildlife Conservation. In this book, editors Shane P. Mahoney and Valerius Geist, both leading authorities on the North American Model, bring

together their expert colleagues to provide a comprehensive overview of the origins, achievements, and shortcomings of this highly successful conservation approach. This volume addresses the emergence of conservation in late nineteenth – early twentieth century North America • provides detailed explorations of the Model's institutions, principles, laws, and policies • places the

Model within ecological, cultural, and socioeconomic contexts • describes the many economic, social, and cultural benefits of wildlife restoration and management • addresses the Model's challenges and limitations while pointing to emerging opportunities for increasing inclusivity and optimizing implementation

Studying the North American experience

offers insight into how institutionalizing policies and laws while incentivizing citizen engagement can result in a resilient framework for conservation. Written for wildlife professionals, researchers, and students, this book explores the factors that helped fashion an enduring conservation system, one that has not only rescued, recovered, and sustainably utilized

wildlife for over a century, but that has also advanced a significant economic driver and a greater scientific understanding of wildlife ecology. Contributors: Leonard A. The "actually unputdownable" (Ali Smith) fourth novel from the award-winning author of *Hamnet* and *The Marriage Portrait*: the shocking, breathtaking story of a woman's life stolen, and reclaimed. Edinburgh in the 1930s. The Lennox family is having trouble with its youngest daughter. Esme is outspoken, unconventional, and repeatedly embarrasses them in polite

society. Something will have to be done. Years later, a young woman named Iris Lockhart receives a letter informing her that she has a great-aunt in a psychiatric unit who is about to be released. Iris has never heard of Esme Lennox and the one person who should know more, her grandmother Kitty, seems unable to answer Iris's questions. What could Esme have done to warrant a lifetime in an institution? And how is it possible for a person to be so completely erased from a family's history?

In August 1981, the Professional Air Traffic Controllers Organization (PATCO) called an illegal strike. The new president, Ronald Reagan, fired the strikers, establishing a reputation for both decisiveness and hostility to organized labor. As Joseph A. McCartin writes, the strike was the culmination of two decades of escalating conflict between controllers and the government that stemmed from the high-

pressure nature of the job and the controllers' inability to negotiate with their employer over vital issues. PATCO's fall not only ushered in a long period of labor decline; it also served as a harbinger of the campaign against public sector unions that now roils American politics. Now available in paperback, *Collision Course* sets the strike within a vivid panorama of the rise of the world's busiest air-traffic control system. It begins with an arresting account of the 1960 midair collision over

New York that cost 134 lives and exposed the weaknesses of an overburdened system. Through the stories of controllers like Mike Rock and Jack Maher, who were galvanized into action by that disaster and went on to found PATCO, it describes the efforts of those who sought to make the airways safer and fought to win a secure place in the American middle class. It climaxes with the story of Reagan and the controllers, who surprisingly endorsed the Republican on the promise that he would

address their grievances. That brief, fateful alliance triggered devastating miscalculations that changed America, forging patterns that still govern the nation's labor politics. Written with an eye for detail and a grasp of the vast consequences of the PATCO conflict for both air travel and America's working class, *Collision Course* is a stunning achievement. The Pearl Shroud Publishing, LLC She is the daughter of his enemy...and the keeper of his

Cast out by his noble father for marrying the woman he loved, Jean Donet took to the sea, becoming a smuggler, delivering French brandy and tea to the south coast of England. When his young wife died, he nearly lost his sanity. In time, he

became a pirate and then a privateer, vowing to never again risk his heart. As Donet's wealth grew, so grew his fame as a daring ship's captain, the terror of the English Channel in the American War. When his father and older brother die in a carriage accident in France, Jean becomes the comte de Saintonge, a title he never wanted. Lady Joanna West cares little for London Society, which considers her its darling. Marriage in the ton is either dull or disastrous. She wants no part of it. To help the poor in Sussex, she joins in their smuggling. Now she is the master of the beach, risking her reputation and her life. One night off the coast of Bognor, Joanna encounters the menacing captain of a smuggling ship, never realizing he

is the mysterious comte de Saintonge. Can Donet resist the English vixen who entices him as no other woman? Will Lady Joanna risk all for an uncertain chance at love in the arms of the dashing Jean Donet?

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she

would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more,

determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for *From Blood and Ash*: "Dreamy, twisty, steamy escapism. The fates of Ragnvald and his sister Svanhild unfold to their

stunning conclusion in this riveting final volume in The Golden Wolf Saga, a trilogy that conjures the ancient world with the gripping detail, thrilling action, and vivid historical elements of Game of Thrones and Outlander. Ragnvald has long held to his vision of King Harald as a golden wolf who will bring peace to Norway as its conqueror - even though he knows that Harald's success will eventually mean his own doom. He is grateful to have his beloved sister, the fierce and independent Svanhild,

once more at his side to help keep their kingdom secure. Free from the evil husband who used her, she is now one of Harald's many wives. While Svanhold is happy to be reunited with her beloved brother, and enjoys more freedom than ever before, she is restless and lonely. When an old enemy of Ragnvald's kidnaps his niece, Freydis, his sister follows the daughter she has neglected to Iceland, where an old love awaits. This strange new land offers a life far different from what each has left behind, as well as

unexpected challenges and choices. Ragnvald, too, must contend with change. His sons - the gifted Einar, the princely Ivar, and the adventurous Rolli - are no longer children. Harald's heirs have also grown up. Stepping back from his duties as king, he watches as his sons pursue their own ambitions. But Norway may no longer be large enough for so many would-be kings. Now in their twilight years, these venerable men whose lives have been shaped by war must face another battle. A growing rebellion pits Ragnvald and his

sons against enemies old and new, and a looming tragedy threatens to divide them all. Across the sea, Svanhild, too, wrestles with a painful decision, risking the dissolution of her fragile new family as she desperately tries to save it. Yet as old heroes fall, new heroes arise. For years, Ragnvald and Svanhild pursued the destinies bestowed by their ancient gods. Though the journey has cost them much, their sacrifices and dreams will be honoured by the generations that follow, beginning with

Freydis and Einar. Emerging from their parents' long shadows, they have begun to pursue their own glorious fates. This compelling conclusion to the Golden Wolf trilogy recreates Viking-age Scandinavia in all its danger, passion, power, and glory - a world of brutality and myth, loyalty and betrayal, where shifting alliances and vengeance can build kingdoms . . . and can tear them down. *The Book of Secrets* Oxford University Press While cannons thundered, swords flashed, and the sky

turned red with flame, Nate Chandler and his slave friend, James, went about the darker business of espionage. Their spy-world of whispered conspiracies, secret missions alone in the dead of night, and narrow escapes were every bit as dangerous as the thrust of a bayonet. Utilizing their wits, courage, and coolness under pressure, the unlikely duo and a huge dog helped undo the might British army at Yorktown and win the American Revolution. *Barnyard Slam* Simon and Schuster Book one in the hit series that's

soon to be a major motion picture starring Amandla Stenberg and Mandy Moore--now with a stunning new look and an exclusive bonus short story featuring Liam and his brother, Cole. When Ruby woke up on her tenth birthday, something about her had changed. Something alarming enough to make her parents lock her in the garage and call the police. Something that got her sent to Thurmond, a brutal government "rehabilitation camp." She might have survived the mysterious disease that killed most of America's children, but she and the others emerged with something far worse: frightening abilities they cannot control. Now sixteen, Ruby is one of the dangerous ones. But

when the truth about Ruby's abilities--the truth she's hidden from everyone, even the camp authorities--comes out, Ruby barely escapes Thurmond with her life. On the run, she joins a group of kids who escaped their own camp: Zu, a young girl haunted by her past; Chubs, a standoffish brainiac; and Liam, their fearless leader, who is falling hard for Ruby. But no matter how much she aches for him, Ruby can't risk getting close. Not after what happened to her parents. While they journey to find the one safe haven left for kids like them--East River--they must evade their determined pursuers, including an organization that will stop at nothing to use Ruby in their fight against the government. But as

they get closer to grasping the things they've dreamed of, Ruby will be faced with a terrible choice, one that may mean giving up her only chance at a life worth living.

"Dubbed the Black Wolf for his raven hair, his fierceness in battle and his way with women, Sir Alexander of Talisand attacked life as he did the king's enemies. But acclaim on the battlefield and his lusty escapades did not satisfy. King William Rufus would bind him to Normandy through marriage to one of its noblewomen, but the only woman Alexander wanted was a commoner he had saved from a terrible fate. The shame of being the child of a Norman's rape dogged Merewyn's

steps from her youth. Determined never to be a victim of a man's lust like her mother, in Wales she donned the garb of an archer and developed extraordinary skill with a bow. Despite her fair beauty, men now keep their distance. No longer in need of protection from other men, can Merewyn protect herself from Alexander when he holds her heart yet can never be hers?" -- Provided by publisher.

"All the sizzle, chaos, noise and scariness of war is clay in the hands of ace storyteller Lynch." -- Kirkus Reviews for the World War II series

Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs,

and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

From the bestselling author of Hotel on the Corner of Bitter and

Sweet comes a powerful novel, inspired by a true story, about a boy whose life is transformed at Seattle ' s epic 1909 World ' s Fair. " An evocative, heartfelt, beautifully crafted story that shines a light on a fascinating, tragic bit of forgotten history. " —Kristin Hannah, author of The Nightingale
For twelve-year-old Ernest Young, a charity student at a boarding school, the chance to go to the World ' s Fair feels like a gift. But only once he ' s there, amid the exotic exhibits, fireworks, and Ferris wheels, does he discover that he is the one who is actually the prize. The half-Chinese orphan is astounded to learn he will be raffled off—a healthy boy " to a good home. " The winning ticket

belongs to the flamboyant madam of a high-class brothel, famous for educating her girls. There, Ernest becomes the new houseboy and befriends Maisie, the madam ' s precocious daughter, and a bold scullery maid named Fahn. Their friendship and affection form the first real family Ernest has ever known—and against all odds, this new sporting life gives him the sense of home he ' s always desired. But as the grande dame succumbs to an occupational hazard and their world of finery begins to crumble, all three must grapple with hope, ambition, and first love. Fifty years later, in the shadow of Seattle ' s second World ' s Fair, Ernest struggles to help his ailing wife reconcile who she once was with

who she wanted to be, while trying to keep family secrets hidden from their grown-up daughters. Against a rich backdrop of post-Victorian vice, suffrage, and celebration, *Love and Other Consolations* is an enchanting tale about innocence and devotion—in a world where everything, and everyone, is for sale.
