things that he did, and the deeds that he hid... For years, Erika bit her nails, unable to look away. Now, she's in college, but she hasn't stopped watching him. He's bad and the things she's seen aren't content to stay in her head anymore. Because he's finally noticed her. But Michael Crist knows the hold he has on Rika, how much she fears him. She looks down when he enters the room and stills when he's close. He knows she thinks only of him. When Michael's brother leaves for the military, leaving Rika alone and unprotected, he knows the opportunity is too good to be true. Three years ago she put Michael's friends in prison, and now they're free. Every last one of her nightmares is about to come true.

More than a year after the events of *The Long Goodbye*, hard-boiled private detective Philip Marlowe is hired by an unknown client to tail Eleanor King, a beautiful red-head. Tracking her to the resort town of Esmeralda, Marlowe must unravel the truth about Eleanor and his mysterious client before it is too late. *Playback* was Raymond Chandler’s final novel and was published one year before his death. Since he first appeared in Chandler’s *The Big Sleep* in 1939, Philip Marlowe has come to define our idea of the private investigator. Many of Chandler’s short stories and novels featuring the Marlowe character were adapted for film and radio (including 1946 film *The Big Sleep*, starring Humphrey Bogart), and in 1983, the Marlowe character and many of

Chandler’s short stories were used as the inspiration for the television series *Philip Marlowe, Private Eye*. The Philip Marlowe character’s popularity was such that Chandler even re-released many of his early short stories, changing the names of the various protagonists to Philip Marlowe.
