Book Review: The Referral Engine - Touch Your Clients Heart

The Referral Engine: Teaching Your Business to Market Itself by John Jantsch. My rating: 5 of 5 stars. This is one of the best marketing books I've read! Jantsch, clearly a master marketer, shows how to guide prospects to you. How? Educate, and you won't need to sell. **The Referral Engine Review**
The Referral Engine is certainly not your average book about referrals and marketing, this is a small business how-to guide on creating content that makes a difference. I consider myself to be very well versed in the ways of new media and social engagement for my business and my personal brand, but I could not stop writing notes and tweaking existing ideas.

The Referral Engine Review - video dailymotion

Referral Engine is a good follow up to Duct Tape marketing. I have used Duct Tape Marketing a TON in developing my marketing strategy and have used Referral Engine to refine it. The book was good, not great only because I think that Duct Tape Marketing covered most of what RE did and in more of an overview fashion, which is what I need at this point in time.

The Referral Engine focuses on building trust by keeping promises and then delighting and thrilling customers. Trust is the basis for buying decisions and delighting and thrilling are what create buzz and give people something to talk about.

The Referral Engine Review
The Referral Engine is spread over 256 pages and 13 chapters. The first five chapters discussed the concept of a referral and how it will benefit your business. Jantsch advocated for not only asking for referrals but also creating lists of high-quality businesses, individuals, and agencies whom you would refer to others.
The Referral Engine » MustReadSummaries.com - Learn from ...
John Jantsch, already one of the nation's acknowledged leading authorities on referral generation, has taken his game to an entirely new level. The Referral Engine is a must read for anyone and everyone whose business could benefit from a steady, increasing stream of A-list, high-quality referrals. And I cannot think of a single business that doesn't qualify for that.

Amazon.com: Customer reviews: The Referral Engine ...
The "referral engine" really is a process rather than a mechanism. Despite what this book's subtitle claims, no business can be "taught to market itself" any more than a piano can be "taught to play Bach." However, as Jantsch explains, an organization's leaders [begin italics] can [end italics] devise and then execute the aforementioned strategy.
