To get ahead she'll have to become a man -- and a man, she always thought, never lets love get in the way... Clementine dreams of being a naturalist -- a career that leaves no time for romance. To sneak on an adventurous prospecting expedition, Clementine will have to convince everyone she's a man. A mysterious tonic offers her just that disguise. But "Calvin," as she calls herself now, had no idea what she was giving up. When Wesley, the expedition's gentle preacher, catches her eye, she can't get him out of her head; not his lush lips, wide brown eyes ... or broad chest. Dare she reveal her secret to him, and can she keep her career if she does? Among run-ins with cowboys, natural disasters, and traveling shows, Wesley's most fascinating adventure is meeting Calvin. Though Wesley's betrothed, the cute, clever naturalist threatens to make him fall into temptation...

The Plot of the Book Title: Revolution in Wazobia: The Revolutionary Vision of the Triumph of a Triumvirate Written in 407 pages including the preliminary pages, 14 Chapters and a Postscript Copyright: Anene Nwuzor, 2013, Published in 2015 Publishers: Ann's Indulgence Limited (ALL), Abuja, Nigeria. The book is a historical fiction for a general readership. The author, Anene Nwuzor, used a fictional approach to deal with realities in Africa. Bad leadership and corruption have contributed to having most of the African countries falling behind with failed education, economic and socio-political systems. Just like many innovations, which come with imaginations turned into clear visions, the author put up a challenge to a possibility, which with commitment can be brought to reality. Just a reminiscent of the saying, 'with imagination one can fly', with his vision in order to inspire in the people a rethink, hope and confidence for a change towards growth and development of African countries. The author's analogy of the prevailing pathetic state of African countries, using an imaginary country in this book started in his earlier book; Educating for Democracy in Nigeria, a psycho-socio analysis, which specifically analysed the systems' failure in Nigeria. The book pitched from helping readers in understanding human and developmental psychology went on explaining to readers what contributed to the systems' abnormalities. With an unassuming boldness, the author in this new book traced the need for social change, reformation of minds and use of scientific innovation (Nanotechnology) to offer what will help change the systems. While some people have given up hope on a change to normal standard systems, some have the notion that for the countries in Africa, if at all a positive change will come, it will come with revolution, which has been mostly viewed as one of violence, bloodshed. However, the author in another different stroke daringly offered a practical solution on how the needed change can happen. Committed to impacting on societal growth and development, he reaffirmed the need for a radical change-not one of bloodshed-but in attitude with Revolution in Wazobia. Despite portraying the disheartening tales of abnormal things that have become normal things, which people seem not working on changing but rather devising means to living with or leaving for some other foreign lands, Revolution in Wazobia created a fascinating and mind-boggling thriller of the tales that make readers to laugh hilariously (this is possibly to nerve the readers while exposing the weak structure of the educational, economic, social and political institutions), but then the readers pause and think. The book somewhat taught what democratic leadership and followership should offer. The author found a figure, a woman, Andora, who despite the odds surrounding her sexuality-in most African cultures is subjected for no just cause to social, economic and moral deprivation-triumphed along with two other major characters. They promoted an ideology and a movement that helped change the people's executive, legislature and judiciary systems. Nwuzor tactically employed the skills of a teacher, a historian, a psycho-socio analyst and many years of experience as a researcher to analyse the behaviour of the polity in most of the African countries. The story completed in 2013, in simple past tense tells of a modest future triumph for Africans. His work depicted with utmost precision what played out in Nigeria's 2015 general election. The work is a result of thorough analysis, and thus deemed worth reading for the actualization of its actual vision. It has an audio and e-book versions. By the time he is twelve, Frank Levy understands that to attain his wishes, he must depend upon himself. In the young adult edition of Life with an Accent we meet Levy as a happy toddler oblivious to political dangers. Seeking safety, in 1936 his family moves from Germany to the British Mandate of Palestine. Ten years later they emigrate to America to be with grandma. Again, Levy must change languages, cultures, even his name. With every effort to adapt, he sees that the history we live through matters.

Read about familiar communities such as Myrtle, Couch, Kosh, Thomasville, Alton, Thayer; and many places like Grand Gulf, Eleven Point River, Greer Mill, Many Springs, and amany more. Sit back and let nostalgia wash over you as you travel back in time with the history of Oregon County, Missouri in the Ozarks. The Oregon County Historical Society developed and published this book in 1990 as a labor of love. The current club has reprinted this book digitally with issues available in paper and e-book form. More books to follow.

[A Short History](#) Ludwig von Mises Institute

Having survived the worst effects of the Civil War, the city of Memphis, battered but unbowed, finds itself facing a far more dangerous foe. It is invisible, lethal, and unstoppable: a plague of yellow fever. It is the story of JP Mahoney, 14-year-old farm boy who dreams of escape from tedious chores and farmlife routine. It is the story of a courageous young woman, Ginnie Moon, onetime Confederate spy, who now operates a boarding house for men who have survived the war. And it is the story of Kevin O'Boyle, an embittered riverfront laborer, who blames the world for his troubles, and finds the crippled city his perfect prey. Several characters in the novel are actual historical figures, most notably Ginnie Moon, Judge "Pappy" Hadden, and Cap'n Jim Lee. Their actions, and those of the other characters, are entirely fictional. The plague, one of several to hit the city in the years following the war, was all too real.

"A brilliant work of US history." --School Library Journal (starred review) "Gripping." --BCCB (starred review) "Accessible...Necessary." --Kirkus Reviews (starred review) A National Book Award Finalist for Nonfiction, Never Caught is the eye-opening narrative of Ona Judge, George and Martha Washington's runaway slave, who risked everything for a better life--now available as a young reader's edition! In this incredible narrative, Erica Armstrong Dunbar reveals a fascinating and heartbreaking behind-the-scenes look at the Washingtons when they were the First Family--and an in-depth look at their slave, Ona Judge, who dared to escape from one of the nation's Founding Fathers. Born into a life of slavery, Ona Judge eventually grew up to be George and Martha Washington's "favored" dower slave. When she was told that she was going to be given as a wedding gift to Martha Washington's granddaughter, Ona made the bold and brave decision to flee to the north, where she would be a fugitive. From her childhood, to her time with the Washingtons and living in the slave quarters, to her escape to New Hampshire, Erica Armstrong Dunbar, along with Kathleen Van Cleve, shares an intimate glimpse into the life of a little-known, but powerful figure in history, and her brave journey as she fled the most powerful couple in the country.

In a beautifully written history, the award-winning UCLA historian gives us an insightful account of the development of capitalism, from its first stirrings in seventeenth-century England to the present worldwide phenomenon. Appleby's overall strategy is to focus on the turning points and the critical factors. She succeeds in restoring the unexpected to this story, showing that what may seem to us inevitable was in fact contingent and surprising. She peoples her story with a fresh cast of characters, including not only the doers but the thinkers - those who first grasped and articulated the new social arrangements taking shape around them. Within her narrative Appleby addresses some important questions: did capitalism originate in the trade of the early-modern world or in some other way? Why the West - why did this set of practices and beliefs get its start there? What about religious belief - what role did that play in the early growth of capitalism? Are the business cycles we see all too clearly a necessary component of this dynamic system? Overall a beautifully written

introduction to the history of this global phenomenon.

England and America W. W. Norton & Company

Mr. Soberon has provided us with a fascinating chronological review of the history of money in all its forms from several hundred years BCE through the present day. From gold and silver to paper money and beyond, from Dictators to Democrats and Republicans, he chronicles the evolution of the various mediums of exchange and the power and influence held and wielded by those who possessed them in great amounts. This book is certain to hold the interest of both the high school student and the seasoned banker. It is required reading for anyone interested in economics, business, investing or simply world history. Clearly written and unbiased, Mr. Soberon's narrative appears at a crucial juncture in world affairs."

"A fascinating historiographical essay. . . . An unusually lucid and inclusive explication of what it ultimately at stake in the culture wars over the nature, goals, and efficacy of history as a discipline."—Booklist

Beethoven: The Relentless Revolutionary W. W. Norton & Company

Caution: this book is a document from the future, on how the United States finally split into two independent republics in 2029, and its aftermath. The topic is so sensitive, that its futuristic author must be identified merely as John Doe, Ph.D. Dateline: 2029. The "One Nation, Indivisible," finally divides. - A political satire.

The Famous Temples of a Remarkable Civilization - Ancient Egypt History Books for 4th Grade | Children's Ancient History W. W. Norton & Company

Confederate Winter is historical fiction based on a true family story backed up by an affidavit in the Confederate archives in Montgomery, Alabama. The author's great, great, great grandfather, William Sweeney, fought as a Confederate soldier at the tender age of 14. His father, John, had been drafted the year before into the Union Army. Confederate Winter is their story. By 1864 the Confederacy is on the verge of defeat. Atlanta has fallen and Confederate General John Bell Hood's army is in retreat. Hood formulates a bold plan to re-capture Nashville, the great base for the Union army in the West. A victory could change the course of the war. Hood needs manpower, however, and sends his conscription parties out to scour the countryside. Confederate Winter tells the story of a true-life family caught up in this grand adventure. The Federals conscript John Sweeney, the father, in late 1863 as General Sherman prepares his march on Atlanta and the sea. His son William is left in charge of the family farm, until one early fall morning...
