The Reluctant Suitor This is good. Not as good as some of the others, but definitely worth reading. It takes place in England in the 1700s, but no historical value. The premise is sad at the beginning, but the characters are good. Everlasting This was her last novel she wrote. It is a good story and good characters, but the ending felt very rushed.

Kathleen is the best! I struggled with Lynn as the narrator. Ive read many books by Kathleen and I decided to get this one on Audio, but I was very disappointed. The over all story is what I expected but I didnt like her voice. I didnt feel it fit the story. I really enjoyed the interview at the end!
