The Mothers and Daughters of the Bible Speak WaterBrook

While the men got much of the credit in Biblical history, there are many exceptions, as over 100 women were written about as anchors to many elements that molded the outcomes of Biblical stories and secured the way for Jesus' final testimony. Some of these women were villainous, but most issued forth the elements of goodness, faith, honor, and love no matter their lot in life. Some were harlots who became heroes. Some were warriors like Leboa,

Tryphena, and Deborah. Others were Queens like Ammah, Bathsheba, Amytis, etc This book will introduce these influential women of the Bible impacted not only the nation of Israel but also eternal history. Some were saints; some were scoundrels. A few were queens, but most were commoners. All played a key role in the spectacular Bible story. Each woman brought her unique character to bear on her situation, and for this, we still remember her centuries later.

Whispers of Remarkable Women Bethany House

USA Today Bestseller Christianity Today 2022 Book Award Finalist (History & Biography) "A powerful work of skillful research and personal insight."--Publishers Weekly Biblical womanhood--the belief that God designed women to be submissive wives, virtuous mothers, and joyful homemakers--pervades North American Christianity. From choices about careers to roles in local churches to relationship dynamics, this belief shapes the everyday lives of evangelical women. Yet biblical womanhood isn't biblical, says Baylor University historian Beth Allison Barr. It arose from a series of clearly definable historical moments. This book moves the conversation about biblical womanhood beyond Greek grammar and into the realm of church history--ancient, medieval, and modern--to show that this belief is not divinely ordained but a product of

human civilization that continues to creep into the church. Barr's historical insights provide context for contemporary teachings about women's roles in the church and help move the conversation forward. Interweaving her story as a Baptist pastor's wife, Barr sheds light on the #ChurchToo movement and abuse scandals in Southern Baptist circles and the broader evangelical world, helping readers understand why biblical womanhood is more about human power structures than the message of Christ.

God always keeps His promises, but not always in the way we expect.... "Have faith" is a phrase we hear all the time. But what does it actually look like to live it out? In The Mothers and Daughters of the Bible Speak, Shannon Bream examines the lives of biblical women to see how God's plans can turn our worlds upside down. She tells the story of Jochebed, a mother who took enormous risks to protect her son, Moses, from Pharaoh. Could Jochebed have imagined that God's actual design for her son involved flight into exile and danger? And yet this was all part of the master plan to deliver Israel from slavery. Another biblical mother, Rebekah, made terrible choices in an attempt to ensure her son's place in history. And a daughter, Michal, struggled to keep her faithless father, Saul, from sin, while battling pride in herself. Through these stories, Shannon explains the intimate connection between faith and family—and how God's unexpected agenda can redefine the way we think about family. Not all of these mothers and daughters in the Bible were paragons of virtue. Like us, they were human beings who faltered and struggled to do their best. While some heard God's voice, others chose their own paths. Through the lens of their imperfections, we can see how God used their stories to bring about His divine plans. He's still doing the same work in our lives today. The Mothers and Daughters of the Bible Speak shows that faith is more often a twisting road than a straight line. Yet, as the stories of biblical families attest, at the end of these journeys lies greater peace and joy than we could ever imagine. Supplemental enhancement PDF accompanies the audiobook.

Radiant records the triumph of the gospel as Christian women faced kings and governors, soldiers and wild beasts, Japanese guards and Muslim raiders, fire, exile, Nazis, cannibals, riots, and more. "Look to heaven and forsake the world" has been their cry for two thousand years, and in Christ these women became invincible. From South America to Europe, from China to Africa to the Wild West, in prisons and in throne rooms, the Christian heroines of Radiant have left a stunning legacy. These short and moving biographies for young people introduce fifty often unfamiliar champions of the faith: women like Ida Kahn, who opened the first hospital in a Chinese city of 300,000 people; Lady Anne Hamilton, who rode with the Covenanter cavalry at the decisive Battle of Berwick; and Anngrace Taban, who was forced to type secret battle plans for the Sudan People's Liberation Army.
