For more than thirty years, Pern has conjured visions of brave men and women mounted upon the backs of dragons. As anyone knows who has been touched by the storytelling magic of Anne McCaffrey, to read of the exotic world of Pern is to inhabit it—and to experience its extraordinary

dragons is to soar aloft with them and share their dazzling adventures. Now, A Gift of Dragons brings together three beloved stories and a thrilling new tale of Pern in a single volume illustrated with beautiful artwork by Tom Kidd. In “The Smallest Dragonboy,” Keevan is the youngest dragonrider candidate, determined to impress a dragon when the next clutch of eggs hatches. But what transpires will surprise everyone—Keevan most of all. In “The Girl Who Heard Dragons,” a young girl’s rare ability to communicate with dragons puts her family in danger and will bring her face to face with her greatest fears—and with her most secret desire. The “Runner of Pern” is a girl named Tenna, who follows family tradition by delivering messages—and who will find her destiny on the mossy traces that runners have used for centuries under the dragon-filled sky. And finally, a very special gift: an exciting new Pern adventure, published here for the first time, fresh from the imagination of Anne McCaffrey.

“It’s a strange thing, nyctophobia. You’re not born with it. It can start at any time. It comes and goes, and it’s one of the only phobias you can transmit to other people.” Newly-married architect Callie and her wealthy husband Mateo move to Hyperion House, a grand old home in southern Spain. It’s an eccentric place built in front of a cliff: serene and beautiful, but eerily symmetrical, and cunningly styled so that half the house is flooded with light, and half – locked up and neglected – is shrouded in darkness. Unemployed and feeling isolated in a foreign country, Callie determines to research the history of the curious building. But the past is sometimes best left alone. Uncovering the folklore of the house’s strange history, Callie is drawn

into darkness and delusion. As a teenager Callie was afraid of the dark, and now with her adolescent nyctophobia returning she becomes convinced there’s someone in the darkened rooms. Somewhere in the darkness lies the truth about Hyperion House. But some doors should never be opened.
