BESTSELLER • “ A richly detailed  
story on a par with the rest of  
the Pern canon . . . another  
successful McCaffrey

mother-and-son collaboration. ” —Book  
list At Natalon ' s mining camp,  
Pellar embarks on a secret mission  
to discover whether the  
condemned criminals known  
as the Shunned are stealing coal.  
But the gifted tracker discovers  
that a far more treacherous plot  
is unfolding. A heartless thief  
named Tenim has realized there is  
profit to be made from firestone,  
the volatile mineral that  
enables the dragons of Pern  
to burn the lethal Thread out of the  
sky. When the last remaining  
firestone mine explodes, a  
desperate race

---

begins to find a new deposit of the deadly but essential mineral. Sure enough, Tenim has a murderous plan to turn tragedy to his own advantage. Now Pellar and his new friends—the kind and gentle Halla, a child of the Shunned, and Cristov, the son of a corrupt miner—must stop Tenim. If they fail, it will mean the end for Pern and its dragonriders.

“Grittier than the early parts of the series; Todd’s apparently brought a wider, more current worldview to Pern.” —The San Diego Union-Tribune “These

fabled dragons still cast a spell.” —Publishers Weekly  
All the Weyrs of Pern Bantam Press  
“[Anne] McCaffrey here adds yet another dimension to her colorful and vivid saga by focusing on the attractive dolphins and their highly believable society.” —Publishers Weekly  
When the first humans came to settle the planet Pern, they did not come alone: intelligence-enhanced dolphins also crossed the

stars to colonize Pern’s oceans while their human partners settled the vast continents. But then disaster struck. The deadly silver spores called Thread fell like rain from the sky, and as the human colonists’ dreams of a new, idyllic life shattered into a desperate struggle for survival, the dolphins were forgotten. Now, centuries later, as the dragonriders of Pern prepare to complete the momentous task

---

of ridding their world of Thread forever, T'lion, a young bronze rider, and his friend Readis, son of the Lord Holder of Paradise River Hold, make contact with the legendary "shipfish." And as the dragonriders grapple with the end of an era, T'lion, Readis, and the dolphins face the start of a new one: reviving the bond between land- and ocean-dwellers—and resurrecting the dreams of the first colonists of

Pern.  
The White Dragon  
Macmillan  
A new hero emerges in a divided world as one of sci-fi's most beloved series—Anne McCaffrey's *Dragonriders of Pern*—relaunches with this original adventure from Anne's daughter, Gigi McCaffrey. In honor of the fiftieth anniversary of the *Dragonriders of Pern* series, Gigi does her mother proud, adding to the family tradition of spinning unputdownable tales that recount the adventures of the brave inhabitants of a

distant planet who battle the pitiless adversary known as Thread. The last time Thread attacked Pern, the world was unprepared for the fight—until the Oldtimers appeared. These courageous dragonriders arrived from the past, traveling four hundred years to help their descendants survive. But the collision of past and present took its toll. While most of the displaced rescuers adapted to their new reality, others could not abide the jarring change and found themselves in soul-

---

crushing exile, where unhappiness and resentment seethed. Piemur, a journeyman harper, also feels displaced, cast adrift by the loss of his spectacular boyhood voice and uncertain of his future. But when the Masterharper of Pern sees promise in the young man and sends him undercover among the exiled Oldtimers, Piemur senses the looming catastrophe that threatens the balance of power between the Weyrs and Holds of Pern. When the unthinkable

happens, Piemur must rise to the challenge to avert disaster and restore honor to the dragons and dragonriders of Pern. Because now, in a world already beset by Thread, another, more insidious danger looms: For the first time in living memory, dragons may be on the verge of fighting dragons.

*Dragonheart*  
Ballantine Books  
“It’s a strange thing, nyctophobia. You’re not born with it. It can start at any time. It comes and goes, and it’s one of the only phobias you can transmit to other people.”  
Newly-married

architect Callie and her wealthy husband Mateo move to Hyperion House, a grand old home in southern Spain. It’s an eccentric place built in front of a cliff: serene and beautiful, but eerily symmetrical, and cunningly styled so that half the house is flooded with light, and half – locked up and neglected – is shrouded in darkness.

Unemployed and feeling isolated in a foreign country, Callie determines to research the history of the curious building. But the past is sometimes best left alone. Uncovering the folklore of the house’s strange history, Callie is drawn into darkness

---

and delusion. As a teenager Callie was afraid of the dark, and now with her adolescent nyctophobia returning she becomes convinced there's someone in the darkened rooms. Somewhere in the darkness lies the truth about Hyperion House. But some doors should never be opened.

For use in schools and libraries only. The inhabitants of Pern are threatened by a band of renegades that attempts to expose them to deadly airborne spores in the

atmosphere.

*Dragon Harper*

Del Rey

“When McCaffrey's beloved dragons roar and their riders soar on the beasts' mighty backs . . . fans of Pern will likely be enthralled.”—Publishers Weekly For generations, the dragonriders had dedicated their lives to fighting Thread, the dreaded spores that periodically rained from the sky to ravage the land. On the backs of their magnificent telepathic dragons they

flew to flame the deadly stuff out of the air before it could reach the planet's surface. But the greatest dream of the dragonriders was to find a way to eradicate Thread completely, so that never again would their beloved Pern be threatened with destruction. Now, for the first time, it looks as if that dream can come true. For when the people of Pern, led by Masterharper Robinton and F'lar and Lessa, Weyrleader and Weyrwoman of Bendon Weyr,

---

excavate the ancient remains of the planet's original settlement, they uncover the colonists' voice-activated artificial intelligence system—which still functions. And the computer has incredible news for them: There is a chance—a good chance—that they can, at long last, annihilate Thread once and for all. Vows of Empire Parthian Books Two young princes on opposite sides of a war must decide between loyalty and love in this galaxy-shaking

finale of the Bloodright Trilogy. “Skrutskie handily sticks the landing. Series fans are sure to be pleased.”—Publishers Weekly Gal and Ettian have never been farther apart. Once, they were roommates and best friends, each suffocating under a secret of galactic consequence. When Gal’s came to light—that he was heir to the Umber Empire and all of its brutal conquest—the two were forced to flee their military academy, fall in with a brewing rebellion to reclaim the Archon Empire from Umber’s grasp, and face their long-held feelings for each other. Then the rebellion discovered Gal’s identity and

to save his life, Ettian had no choice but to unveil his own secret: that he was the long-lost heir to the Archon throne. With Gal as a political prisoner, Ettian began the fight to restore his own empire—and to open Gal’s eyes to the possibility of a galaxy reclaimed from Umber’s greed. But just when Gal was starting to come around, a team of Umber operatives rescued him from Archon’s clutches and dragged him home to take up his crown. Now, separated for the first time and in full command of the might of their respective forces, the star-crossed rulers find themselves truly at

---

odds. And with the war reaching a tipping point, the time has finally come for Gal and Ettian to confront what they owe their empires, their friends, and each other if they're ever to forge a universe where the two of them can be together.

### **Dragonquest**

Simon and Schuster  
A deadly epidemic was sweeping across Pern! Everyone, holder and dragonrider alike, pitched in to help—except Nerilka's father, who refused to share Fort Hold's bounty with the other Holds. So, ashamed of her

family and determined to do her part, Nerilka packed up medicines and supplies and sneaked off to aid her people. Her quest to help wherever she was most needed led her finally to Ruatha Hold, where Lord Alessan was frantically preparing the precious serum needed for mass inoculations against the dread plague. Nerilka had long ago abandoned her hope of marriage and a home of her own. Now she found happiness in being useful and

appreciated—first the Healers and then Alessan made very clear that they were grateful for her help. She had no idea that her new path would change the course of her life forever!

on their own, pursuing in secret all they are denied? But in doing so, the two friends will find themselves facing a desperate choice—one that will push their bond to the breaking point . . . and threaten the future of Pern itself.

*Dragon's Time* Del Rey

For more than thirty years, Pern has conjured visions of brave men and women mounted upon the backs of dragons. As anyone knows who has been touched by the storytelling magic of Anne McCaffrey, to read of the exotic world of Pern is to inhabit

it—and to experience its extraordinary dragons is to soar aloft with them and share their dazzling adventures. Now, *A Gift of Dragons* brings together three beloved stories and a thrilling new tale of Pern in a single volume illustrated with beautiful artwork by Tom Kidd. In “The Smallest Dragonboy,” Keevan is the youngest dragonrider candidate, determined to impress a dragon when the next clutch of eggs hatches. But what transpires will surprise everyone—Keevan most of all. In “The Girl Who Heard Dragons,” a young

girl’s rare ability to communicate with dragons puts her family in danger and will bring her face to face with her greatest fears—and with her most secret desire. The “Runner of Pern” is a girl named Tenna, who follows family tradition by delivering messages—and who will find her destiny on the mossy traces that runners have used for centuries under the dragon-filled sky. And finally, a very special gift: an exciting new Pern adventure, published here for the first time, fresh from the imagination of Anne McCaffrey.

*Nerilka's Story* Del Rey

---

With a cast of beloved characters from previous Pern novels, *Dragongirl* is another triumph for Todd McCaffrey—and a riveting chapter for the *Dragonriders of Pern*. Young Fiona, rider of the gold queen Talenth, has returned with the dragons and riders who fled into the past to heal their battle wounds and prepare to fight anew the menace of Thread. Now more than three years older, Fiona is no longer a child but a woman—thrust into authority by a shocking tragedy. But leading

weyrfolk who are distrustful of a young outsider will be only one of her challenges. Despite gaining reinforcements from the past, too few dragons have survived the recent plague to stem the tide of the intensifying Threadfall. As a senior Weyrwoman, Fiona must take decisive action. With the aid of Lorana, the rider who sacrificed her dragon for others, and Fiona's true love, the harper Kindan, she proposes a daring, nearly impossible plan. But if it succeeds, it just might save them

all.

**Get Off the Unicorn** Del Rey Fantasy-roman.

**The Renegades of Pern** Bloomsbury Publishing USA

Volume II of *The Dragonriders of Pern*®, the legendary series by award-winning author Anne McCaffrey. Since Lessa and Ramoth, her golden queen dragon, traveled into the past to bring forward a small army of dragons and riders to save their world from deadly alien spores, fear and desperation have spread across the land. But while the dragonriders struggle with threats both otherworldly and human, a young

---

rider named F'nor and his brown dragon, Canth, hatch a bold plan to destroy the alien scourge at its source—the baleful red star that fills the heavens and promises doom to all.

*Dragon's Kin* Del Rey

A splendid selection of stories from the lady who taught dragons to fly and rockets to sing . . . Lady in the Tower The Rowan was one of a select group of telepaths—a complete Prime, one of only five. Then one day, another Prime appeared mysteriously from the outer

boundaries of space, asking for help in a savage battle against evil! Finder's Keepers Young Peter had a unique gift which earned him and his mother a little money and gave pleasure to others. Then, one day, an unscrupulous man forced Peter to use his precious gift in a crooked scheme—and Peter grew up fast! Honeymoon Helva and her new brawn were sent on an especially urgent mission . . . a mission that not only put them both in great danger, but a mission that also caused them to break the ultimate taboo!

The Smallest Dragon Boy The only thing Keevan wanted in life was to be a dragonrider, just like his father . . . but everything seemed to stand in his way!
