Relic is a 1995 novel by American authors Douglas Preston and Lincoln Child, and the first in the Special Agent Pendergast series. As a techno-thriller, it comments on the possibilities inherent in genetic manipulation, and is critical of museums and their role both in society and in the scientific community. It is the basis of the film *The Relic* (1997).

Stan Winston's monster is the most convincing thing in this pretty entertaining horror flick that doesn't stint on gory decapitations. It is well shot, in a museum of all places, by Peter Hyams who keeps the monster well hidden through dark corridors and mood lighting (in fact pretty much the whole film is set in the dark).

The primary purpose of the “R”
licensed establishment is to habitually
and principally provide food service to
the public. The service of liquor, wine
or beer products is secondary. The
interior dimensions must be no less
than 400 square feet, equipped with at
least 30 chairs, or the equivalent
seating, at tables for public use.

The jurisdiction may be a state, U.S. territory,
District of Columbia or any other
governmental jurisdiction such as a city or

county. If a license was for an HVACR
business that covered all its employees,
instead of your own license as an individual, it
is not necessary to obtain a license verification
for that business.
