[The Report](#)

The book, Visser's Annotated European Patent Convention, is a commentary on the European Patent Convention and a bestseller in European patent law. The 2021 edition of this preeminent work – the only regularly updated authoritative article-by-article commentary in English on the European Patent Convention (EPC), its implementing regulations, and associated case law provides the complete text of the law annotated with commentary and expert guidance on the interpretation of each paragraph. Since its first edition in 1994 it has provided the European patent community with the necessary insights to

practice successfully before the European Patent Office. The EPO recommends the Visser's Annotated European Patent Convention as the first book in its list of non-EPO/WIPO literature to be used for the preparation of the European qualifying examination. In addition to a thorough updating of developments, new material in the 2021 edition includes the following: Amended EPO Guidelines that entered into force on 01.03.2021 Consolidated discussion of procedures relating to oral proceedings held by video conference Commentary on recent amendments to the implementing regulations Recent decisions of the boards of appeal The 2021 edition is suitable for candidates preparing for the EQE 2022. A free supplemental note will be published providing candidates with an overview of the main legal changes between the 2021 edition and the 31.10.2021 legal cut-off date for the EQE 2022.
