In her narrative, *Nine-Year Pregnancy*, Delana H. Stewart reveals a journey of having a dream, experiencing the death of that vision, and seeing God fulfill it in His time. If you are waiting on God to answer a prayer or feel like God will never answer your prayer-for a child, for a mate, for some other need or desire or dream-then this book will show you how one family trusted God to walk with them through the dark, scary, unknown valleys as they waited on Him. If you are anywhere in the adoption process-from thinking about it to preparing to go pick up your child to dealing with attachment disorder-then this book will offer you insights, faith, and peace for the journey. If you are trying to get pregnant or have experienced a miscarriage, then this book may give you hope and encourage you to hang on. "For the vision is yet for the appointed time; It hastens toward the goal and it will not fail. Though it tarries, wait for it; For it will certainly come, it will not delay" (Habakkuk 2:3 NASB).

There are few people who can tell you a story about seeing miraculous fire coming out of a rose bush in the front yard or a sea parting down the middle or tiptoeing across a stormy lake. But, as you journey through each day, you have those experiences with people that leave you gazing past the moment. The storyteller invites you into life stories of a moment's encounter with people who were never famous but always real. These are Delilah, Herb, Sue, Carl, and others that helped shape a life and belief. When you become a part of the story, just maybe, you too will feel a little nudge toward something more. The nudge may be felt by the teenager looking forward or the adult looking around. And for the one looking back, they will recall the nudge and maybe just smile.

Mysticism, the full realization of God cannot be attained through thoughts or words. The Archetype of the Story of Exodus provides a paradigm of spiritual development that includes spiritualized intellect symbolized by Moses. Mr. Gilberti's tome is more than his personalized writing, but rather takes you through the maze of thought to new realizations. Using Carl Jung's concept of archetype symbols and Aristotle's method of reasoning you are led to the brink of your mind in An Experience of God. There will be those who will no longer run from the fear, who will go into free fall, who will begin to trust the world more to be what it always has been and always will be -- God. The taboo against sensuousness, the indictment and conviction of Eros as evil, effectively puts us at odds with the entirety of our creation as the universe, since we know this creation only through our senses.

Hello. My name is Josh, and I'm a dentist. If you are like me, that simple introduction typically sets off one of several severe reactions. The uncomfortable shuffle as the person you just met tries to get away from you. Or maybe it goes the opposite direction and an emergency exam about tooth whitening ensues. Like you, I decided to pursue this career years ago because I wanted to help people. Like you, I go to the office every day and do many things that are hard to reconcile as actually "helping people." I wrote this book because you and I probably share one distinct fear. You know the one. The one where you sink years of your life, thousands upon thousands of dollars, and many sleepless nights into a profession. The fear that, despite all that effort, you end up a nameless face working for a big box organization that doesn't care about you, your co-workers, or the people you are serving. Dr. Fries-With-That is a book about getting past that fear and finding a new way forward.

Based on the Gospel of Matthew, this book is the first of five in the series. The only reason Luke is even at the church youth overnight event is because his mother convinced him to go after an argument. His mother wants him to be baptized but, at 15, Luke doesn't believe he is old enough and doesn't know Jesus well enough. That changes when Luke meets an angel who says he has been chosen by God to deliver a message. First Luke must decide if what he saw and heard is real and then he must decide if he will go. Luke sets out on what he is sure is a crazy adventure with his friend Keith. Starting on bicycles they end up crossing half the United States on a mission for God. Along the way, they learn much more about loving Jesus while facing bullies, drugs and even seeing death - and Luke delivers God's message. He delivers it to a senior pastor of a large church and the pastor doesn't even know he needs the message.

In the new novel, Dare to Respect, six women, all unhappy with their marriages, accept the challenge to break away from popular culture and follow a daring path in relating to their husbands. They decide to embark on The Respect Dare, a book of 40 challenges that disclose the real foundation of lasting and loving marriages. Despite their differences in age, cultural backgrounds, and religions, the women find support and encouragement within their small group as they learn to deal with the realities of infidelity, alcoholism, pornography, and co-dependency in ways that bring new life and health to their marriages. Alma is a Mexican-American mother of three teenagers, and has been married to Marco for 19 years. He is facing mid-life issues such as aging, job security, increasing bills, and declining health. She has deep love for Marco, but his mood swings, lack of engagement, and negative attitude leave her wishing he would "go away... not permanently, mind you, but for just 14 or 15 hours a day." Anne is in her mid-30s, and is consumed with her job as a third-grade teacher, her teenage stepsons, and the business end of her husband's successful construction company. Between her teaching responsibilities, her endless efforts to control her stepsons, and attempting to influence her husband, Tony, to stop drinking, she is so busy that she overlooks her own health. Joyce, a cashier at the local grocery store, is outspoken and practical. She and her husband, Jim, are approaching two major lifetime milestones—their 40th anniversary and the impending birth of their first grandchild. Despite their genuine affection for one another, the two are physically disconnected and haven't been intimate in several years. Jessica is in her late 20s and the perfect specimen of youth. She is pretty, energetic, and dresses stylishly, as expected of the wife of her husband, Bob, a wealthy corporate attorney. She has three children and works hard to keep up appearances. She frequently irritates the older, less perky hockey moms with descriptions of her 'perfect' marriage. Mona, a Palestinian Muslim woman in her mid-40s, is a stay-at-home mother who has one son, Samir. Her gentle-natured husband, Aahil recently admitted to having an affair with a co-worker. Mona's anger, pain, and jealousy push her into an online relationship with another man. The friendship and acceptance she experiences from the other hockey moms force her to question her own behaviors as well as her belief system. Maxine is a high-powered, successful Black executive who is married to Samuwel. Their daughter Cynthia is a hockey goalie, and Samuwel stays home to care for their four-year-old twin sons. Maxine follows modern societal norms of treating her husband more like her assistant than her spouse. Their constant sarcasm and teasing insults have negatively impacted their relationship, which, unbeknownst to Maxine, is primed for a dangerous detonation. Set in Chicago, with a long hockey season as the backdrop, this realistic fiction highlights themes of sisterhood, trust, forgiveness, and every man's deepest need—respect. Readers peer into the private lives, internal struggles, and remarkable transformation of these bold, daring women. Along the way, there are unexpected complications, humorous quips, explosive fights, and makeovers—and not every relationship has a "happily ever after" conversion.
