Ben Walsh is well on his way to becoming one of Manhattan's top litigators, with a gorgeous boyfriend and friends on the A-list. His life is perfect until he gets a phone call that brings it all crashing down: a car accident takes his parents, and now he must return to Austin to raise three teenage brothers he barely knows. During the

funeral, Ben meets Travis Atwood, the redneck neighbor with a huge heart. Their relationship initially runs hot and cold, from contentious to flirtatious, but when the weight of responsibility starts wearing on Ben, he turns to Travis, and the pressure shapes their friendship into something that feels a lot like love. Ben thinks he's found a way to have his old life, his new life, and Travis too, but love isn't always easy. Will he learn to recognize that sometimes the worst thing imaginable can lead him to the place he was meant to be?

All across the United States, individuals, families, communities, and health care systems are struggling to cope with

substance use, misuse, and substance use disorders. Substance misuse and substance use disorders have devastating effects, disrupt the future plans of too many young people, and all too often, end lives prematurely and tragically. Substance misuse is a major public health challenge and a priority for our nation to address. The effects of substance use are cumulative and costly for our society, placing burdens on workplaces, the health care system, families, states, and communities. The Report discusses opportunities to bring substance use disorder treatment and mainstream health care systems into alignment so that they can address a person's overall health, rather than a substance misuse or a physical health condition alone or in isolation. It also provides suggestions and recommendations for action that everyone-

individuals, families, community leaders, law enforcement, health care professionals, policymakers, and researchers-can take to prevent substance misuse and reduce its consequences.

Dating is hard enough. Throw in an incontinent Chihuahua, an unrequited love affair, a severe case of social anxiety disorder, a dying father, and a man-eating hog and it becomes darned near impossible. Still, it takes two to tango--and when Tom Morgan, a mild-mannered assistant bank manager with a debilitating case of shyness, meets Frank Wells, who is straight off the farm and even shyer than he is, sparks start flying. Just when Tom and Frank's burgeoning love affair is rolling along nicely, Frank must return to Indiana to oversee the farm while his father battles cancer. Tom tags along to help Frank out and finds himself slopping hogs and milking cows and wondering what the hell happened to his orderly citified existence. And what's with all the chickens? Tom hates chickens! With Frank's help, Tom grits his teeth and muddles through. Funny what a couple of guys can accomplish

when they're crazy about each other. Not even nine hundred chickens can stand in the way of true love.

Yes Duke University Press

This concise guide brings orthopaedic surgeons and paediatricians up to date with the latest developments in the management of bone and joint (osteoarticular) infections in children. Beginning with an introduction to the causes and development of osteoarticular disorders, the following chapters discuss their clinical features, laboratory diagnosis and treatment options, both surgical and conservative. Each chapter describes a different infection and its management, with a separate chapter examining drug-resistant osteoarticular tuberculosis and co-infection with HIV. The final section discusses advances and research in the condition. Key points Concise guide to the diagnosis and management of bone and joint infections in children Each chapter discusses a different infection and covers conservative and surgical treatment Final chapter describes new advances and research Includes more than 150 full colour images and illustrations *A Raisin in the Sun* DIANE Publishing Economic growth, low inflation, and financial stability are among the most important goals of policy makers, and central banks such as the Federal Reserve are key institutions for achieving these goals. In Asset Prices and

Monetary Policy, leading scholars and practitioners probe the interaction of central banks, asset markets, and the general economy to forge a new understanding of the challenges facing policy makers as they manage an increasingly complex economic system. The contributors examine how central bankers determine their policy prescriptions with reference to the fluctuating housing market, the balance of debt and credit, changing beliefs of investors, the level of commodity prices, and other factors. At a time when the public has never been more involved in stocks, retirement funds, and real estate investment, this insightful book will be useful to all those concerned with the current state of the economy.

Rowman & Littlefield

Yoga for people with multiple sclerosis? Absolutely! Today, people with a wide range of medical problems use yoga successfully. Because of its emphasis on relaxation, breathing, and deliberate

movement, it can be especially beneficial for individuals dealing with a neurologic disease like multiple sclerosis. *Yoga and Multiple Sclerosis*, coauthored by Dr. Loren Martin Fishman and Eric Small, a yoga teacher who first embraced these techniques as a way to manage his own symptoms of multiple sclerosis, is a comprehensive guide to applying the principles of yoga to the management of MS. The first section is a straightforward but gentle introduction to yoga - a therapeutic approach to the practice itself. The second part is functionally oriented. Different yoga poses that work toward a common goal, such as combating fatigue, reducing spasticity, and increasing range of motion, are included and illustrated. This user-friendly guide Describes how yoga works Includes photographs and descriptions of each pose Explains effects, advantages, and contraindications Contains starter poses that will help the uninitiated or physically challenged to gently achieve a posture *Yoga and Multiple Sclerosis: A Journey to Health and Healing* is an excellent

guidebook and tool for people with MS, people who undertake yoga on their own, and for all members of the medical and yoga communities.

One Deadly Night Univ of California Press

Provides an account, from the point of

view of the U.S. Army forces employed, of the 1990-91 Persian Gulf War, from the Iraqi invasion of Kuwait to the withdrawal of coalition forces from southeastern Iraq. It focuses on the Army's part in this war, particularly the activities of the Headquarters, Third Army, and the Army Forces Central Command (ARCENT). It looks especially at the activities of the VII Corps, which executed ARCENT's main effort in the theater ground force schwerpunkt -- General Schwarzkopf's "Great Wheel." This is not an official history; the author speaks in his own voice and makes his own judgments. Maps.

Burning Down the Haus St. Martin's Paperbacks

The Films of Stephen King is the first collection of essays assembled on the cinematic adaptations of Stephen King. The individual chapters, written by cinema, television, and cultural studies scholars, examine the most important films from the King canon, from *Carrie* to *The Shining* to *The Shawshank Redemption*.

Dark Power Collection Austin Trilogy
The New York loft jazz scene of the 1970s was a pivotal period for uncompromising,

artist-produced work. Faced with a flagging jazz economy, a group of young avant-garde improvisers chose to eschew the commercial sphere and develop alternative venues in the abandoned factories and warehouses of Lower Manhattan. Loft Jazz provides the first book-length study of this period, tracing its history amid a series of overlapping discourses surrounding collectivism, urban renewal, experimentalist aesthetics, underground archives, and the radical politics of self-determination.

Crime Proof Houghton Mifflin

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

The Secret Lives of Sports Fans JP Medical Ltd

Two bridges o'er water, one bound to the other, from present to future, from brother to brother. Tony Bass longs for an adventure, and on a sleepless night

in 1997, fate is about to deliver. His random encounter with twin brothers at first seems unremarkable, since it takes more than period costumes to stand out in Austin, Texas. When pressed for an explanation, the twins make an astonishing confession. They have traveled across time from sixteenth-century Venice. Once Tony learns their enchanted gondola goes both ways, he convinces his brother Frank to take a vacation to 1590. There, Tony meets the beautiful and enigmatic Isabella, the daughter of a Venetian senator. But what begins as an innocent flirtation ends in crisis when Isabella gives birth to twin sons. The boys must be separated and raised in different centuries. Eighteen years later, an American teenager boards the gondola and returns to the past to find his brother. While a struggling young man in old-world Padua embraces an unexpected future, which might just include romance with a handsome stranger. This sweeping saga of family and friendship spans four centuries, three love stories, two generations-with

one unassuming but kick-ass gondola...

[Star vs. the Forces of Evil: Star and Marco's Guide to Mastering Every Dimension](#) Mountaineers Books

What is happening in our brains and bodies when we feel strong emotion while watching a game? How do sports fans resemble political junkies, and why do we form such a strong attachment to a sports team? Journalist Eric Simons presents in-depth research in an accessible and brilliant way, sure to interest readers of Malcolm Gladwell. Through reading the literature and attending neuroscience conferences, talking to fans, psychologists, and scientists, and working through his issues as part of a collaboration with the NPR science program RadioLab, Eric Simons hoped to find an answer that would explain why the attractive force of this relationship with treasured sports teams is so great that we can't leave it.

[Deadly Loyalty Collection](#) University of Chicago Press

Showcasing one of professional basketball's best players, this book spotlights the life and career of hardcourt superstar LeBron James.

More than just a biography, it relates James' story while also establishing his prominent place in NBA history. By examining his skills and statistics in a variety of categories and comparing him to other NBA legends--including Magic Johnson, Bill Russell, Kareem Abdul-Jabbar, Michael Jordan, and more--the guide makes a strong case for James as basketball's greatest. Along the way, his best and most memorable moments are revisited, from his days as a high school stand-out in Akron, to his first stint with the Cavaliers, to "The Decision" to join the Miami Heat, and the show-stopping performance in the 2016 Finals to bring an NBA title back to Cleveland. LeBron James vs. The NBA is certain to stir up lively debate and is a must-have for Cavs fans and basketball buffs alike.

Secrets Can be Murder Macmillan

There have been numerous publications in the last decades on the Bible in literature, film, and art. But until now, no reference work has yet appeared on the Bible as it appears in Western music. In *The Bible in Music: A Dictionary of Songs, Works, and More*, scholars Siobhán Dowling Long and John F. A. Sawyer correct this gap in Biblical reference literature, providing for the first time a convenient guide to musical interpretations of the Bible. Alongside examples of classical music from the Middle Ages through modern times, Dowling Long and Sawyer also bring

attention to the Bible's impact on popular culture with numerous entries on hymns, spirituals, musicals, film music, and contemporary popular music. Each entry contains essential information about the original context of the work (date, composer, etc.) and, where relevant, its afterlife in literature, film, politics, and liturgy. It includes an index of biblical references and an index of biblical names, as well as a detailed timeline that brings to the fore key events, works, and publications, placing them in their historical context. There is also a bibliography, a glossary of technical terms, and an index of artists, authors, and composers. *The Bible in Music* will fascinate anyone familiar with the Bible, but it is also designed to encourage choirs, musicians, musicologists, lecturers, teachers, and students of music and religious education to discover and perform some less well-known pieces, as well as helping them to listen to familiar music with a fresh awareness of what it is about.

Crime Proof: Think Like a Criminal and Beat Them at Their own Game is a book for anyone that is serious about personal safety and responsibility. This is not your dad's book on guns and awareness, but a fresh perspective on dealing with the dangers of the 21st century. Master Firearms Instructor Anthony Colandro

covers important topics such as hardening yourself and your family from the criminal element, to what happens when a violent encounter occurs. *Crime Proof* helps instill the mindset you need to survive! Other important subjects covered include: Safety outside the home, travel safety, sending your kids off to college, defensive mindset, non-lethal weapons, natural disasters, mass-casualty events, firearm selection and use, and very important information on what to do when you're dealing with the police. The book is also loaded with very important information on our digital world and delivers valuable information to keep you, your identity, and your children safe while navigating the great digital unknown. *Crime Proof* is a complete cannon on giving yourself an edge and allows you to be armed with what you need in order to navigate a world of wolves as a sheep dog!

Day of the Dawg Vintage

"Never before, in the entire history of the American theater, has so much of the truth of Black people's lives been seen on the stage," observed James Baldwin shortly before *A Raisin in the Sun* opened on Broadway in 1959. This

edition presents the fully restored, uncut version of Hansberry's landmark work with an introduction by Robert Nemiroff. Lorraine Hansberry's award-winning drama about the hopes and aspirations of a struggling, working-class family living on the South Side of Chicago connected profoundly with the psyche of Black America—and changed American theater forever. The play's title comes from a line in Langston Hughes's poem "Harlem," which warns that a dream deferred might "dry up/like a raisin in the sun." "The events of every passing year add resonance to *A Raisin in the Sun*," said *The New York Times*. "It is as if history is conspiring to make the play a classic."
