He leaves the choice to her. Because so many people depend on

Ashwood, Lily chooses herself, thinking that she can hold him at bay long enough to remove Ashwood from his clutches. But as they play the game of seduction, and she slowly discovers that he is not the cold, heartless man he would like to present to her, she also believes that Tobin is right—his father did not steal the jewels. And if she can find them, she can help restore his family's honor—but not before she discovers another shocking secret.
