*The Ring of Solomon: A  
Bartimaeus Novel* e-artnow  
"Having been born a freeman,  
and for more than thirty years  
enjoyed the blessings of  
liberty in a free State—and  
having at the end of that time  
been kidnapped and sold into  
Slavery, where I remained,  
until happily rescued in the  
month of January, 1853, after a  
bondage of twelve years—it has  
been suggested that an account  
of my life and fortunes would  
not be uninteresting to the  
public." -an excerpt

The Story of a Living Temple Library of  
Alexandria

Two brothers, Michael and Stephen

MacIntyre, together with their sister Sarah and  
the local vicar Tom Aubrey, uncover a deadly  
secret buried near their village. But time is  
short: can they prevent the awakening of an  
ancient evil before its powers corrupt them for  
ever?

The Book of Ceremonial Magic  
Peeters Publishers

This book explores commutative  
ring theory, an important a  
foundation for algebraic geometry  
and complex analytical geometry.

When Emily, Simon and Marcus discover the  
deserted castle, it seems like an escape from the  
midwinter snows and their individual loneliness.  
But their occupation of the ruin quickly takes on a  
momentum of its own, and soon threatens their

---

friendship, their freedom and their lives.

**Commutative Ring Theory** CRC Press

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

*The Long Life of Magical Objects* Random House

Over the centuries, Jewish and Muslim writers transformed the biblical Queen of Sheba from a clever, politically astute sovereign to a demonic force threatening the boundaries of gender. In this book, Jacob Lassner shows how successive retellings of the biblical story reveal anxieties about gender and illuminate the processes of cultural transmission. The Bible presents the Queen of Sheba's encounter with King Solomon as a diplomatic mission: the queen comes "to test him

with hard questions," all of which he answers to her satisfaction; she then praises him and, after an exchange of gifts, returns to her own land. By the Middle Ages, Lassner demonstrates, the focus of the queen's visit had shifted from international to sexual politics. The queen was now portrayed as acting in open defiance of nature's equilibrium and God's design. In these retellings, the authors humbled the queen and thereby restored the world to its proper condition. Lassner also examines the Islamization of Jewish themes, using the dramatic accounts of Solomon and his female antagonist as a test case of how Jewish lore penetrated the literary imagination of Muslims. Demonizing the Queen of Sheba thus addresses not only specialists in Jewish and Islamic studies, but also those concerned with issues of cultural transmission and the role of gender in history.

Octavia E. Butler meets Marvel's Black Panther in *The Deep*, a story rich with Afrofuturism, folklore, and the power of memory, inspired by the Hugo Award-nominated song "The Deep" from Daveed Diggs's rap group Clipping. Yetu holds the memories for her people—water-dwelling descendants of pregnant African slave women thrown overboard by slave owners—who live idyllic lives in the deep. Their past, too traumatic to be remembered regularly is forgotten by everyone, save one—the historian. This demanding role has been bestowed on Yetu. Yetu remembers for everyone, and the memories, painful and wonderful, traumatic and terrible and miraculous, are destroying her. And so, she flees to the surface escaping the memories,

the expectations, and the responsibilities—and discovers a world her people left behind long ago. Yetu will learn more than she ever expected about her own past—and about the future of her people. If they are all to survive, they'll need to reclaim the memories, reclaim their identity—and own who they really are. *The Deep* is "a tour de force reorientation of the storytelling gaze...a superb, multilayered work," (Publishers Weekly, starred review) and a vividly original and uniquely affecting story inspired by a song produced by the rap group Clipping.

**The Rings of Saturn** Amazing Facts  
Planetary rings are among the most intriguing structures of our solar system and have fascinated generations of astronomers.

---

Collating emerging knowledge in the field, this volume reviews our current understanding of ring systems with reference to the rings of Saturn, Uranus, Neptune, and more. Written by leading experts, the history of ring research and the basics of ring-particle orbits is followed by a review of the known planetary ring systems. All aspects of ring system science are described in detail, including specific dynamical processes, types of structures, thermal properties and their origins, and investigations using computer simulations and laboratory experiments. The concluding chapters discuss the prospects of future missions to planetary rings, the ways in which ring science informs and is informed by the study of other astrophysical disks,

and a perspective on the field's future.

Researchers of all levels will benefit from this thorough and engaging presentation.

**The Book of Protection** Simon and Schuster

Almost everyone would agree that there's some point where enough jewelry is enough. Well, what is that point? In this book, Doug Batchelor challenges you to find out for yourself what God's Word says on this fascinating subject.

Grand Key of Solomon the King University of Chicago Press

Solomon, the legend goes, had a magic ring which enabled him to speak to the animals in their own language. Konrad Lorenz was gifted with a similar power of understanding the animal world. He was that rare beast, a brilliant scientist who could write (and indeed draw) beautifully. He did more than

---

any other person to establish and popularize the study of how animals behave, receiving a Nobel Prize for his work. King Solomon's Ring, the book which brought him worldwide recognition, is a delightful treasury of observations and insights into the lives of all sorts of creatures, from jackdaws and water-shrews to dogs, cats and even wolves. Charmingly illustrated by Lorenz himself, this book is a wonderfully written introduction to the world of our furred and feathered friends, a world which often provides an uncanny resemblance to our own. A must for any animal-lover!

*The Metamorphosis of Magic from Late Antiquity to the Early Modern Period* The Book of King Solomon The story of King Solomon, as told by his court historian. The Ring of Solomon: A Bartimaeus Novel Bartimaeus, everyone's favorite (wise-cracking) djinni, is back in book four of this best-selling series, now available in paperback. As alluded

to in the footnotes throughout the series, Bartimaeus has served hundreds of magicians during his 5,010 year career. Now fans can go back in time with the djinni, to Jerusalem and the court of King Solomon in 950 BCE. Only in this adventure, it seems the great Bartimaeus has finally met his match. He'll have to contend with an unpleasant master and his sinister servant, and he runs into just a "spot" of trouble with King Solomon's magic ring....

### **The Three Magical Books of Solomon.**

**Illustrated** Random House

Age Level: 9 and up - Grade Level: 4 and up. Her Mother's Missing. More than one friend will betray her. Good thing this new girl in school has a magic necklace. Allie thinks she's a normal kid with normal

---

problems on her first day of seventh grade. She hopes for a fresh start despite her mom being overseas with the Army, again. But none of that matters when she discovers that her mom has gone missing. On the same day of her mom's disappearance, Allie finds the necklace her mom was never without. When the necklace magically teleports her along with new friend Daniel, she learns that her necklace contains an ancient magic and might be the key to finding her mom. Allie Strom and the Ring of Solomon is part of the Eternal Light Saga. A Middle Grade Fantasy with humor, action, and a duo of fun kids who learn to stand up to bullies of all kinds.

*The Leap* Bitter Lemon Press

This book explores a series of powerful artifacts

associated with King Solomon via legendary or extracanonical textual sources. Tracing their cultural resonance throughout history, art historian Allegra Iafrate delivers exciting insights into these objects and interrogates the ways in which magic manifests itself at a material level. Each chapter focuses on a different Solomonic object: a ring used to control demons; a mysterious set of bottles that constrain evil forces; an endless knot or seal with similar properties; the shamir, known for its supernatural ability to cut through stone; and a flying carpet that can bring the sitter anywhere he desires. Taken together, these chapters constitute a study on the reception of the figure of Solomon, but they are also cultural biographies of these magical objects and their inherent aesthetic, morphological, and technical qualities. Thought-provoking and engaging, Iafrate's study shows how ancient magic artifacts live on in our imagination, in items such as Sauron's ring of power, Aladdin's lamp, and the magic carpet. It will appeal to historians of art,

---

religion, folklore, and literature.

**Planetary Ring Systems** Simon and Schuster

"The book is like a dream you want to last forever" (Roberta Silman, The New York Times Book Review), now with a gorgeous new cover by the famed designer Peter Mendelsund The Rings of Saturn—with its curious archive of photographs—records a walking tour of the eastern coast of England. A few of the things which cross the path and mind of its narrator (who both is and is not Sebald) are lonely eccentrics, Sir Thomas Browne's skull, a matchstick model of the Temple of Jerusalem, recession-hit seaside towns, wooded hills, Joseph Conrad, Rembrandt's "Anatomy Lesson," the natural history of the herring,

the massive bombings of WWII, the dowager Empress Tzu Hsi, and the silk industry in Norwich. W.G. Sebald's The Emigrants (New Directions, 1996) was hailed by Susan Sontag as an "astonishing masterpiece perfect while being unlike any book one has ever read." It was "one of the great books of the last few years," noted Michael Ondaatje, who now acclaims The Rings of Saturn "an even more inventive work than its predecessor, The Emigrants."

**Numerical Algorithms** Farrar, Straus and Giroux

How to make a magic carpet, become invisible, and find love are among the procedures detailed in this famous book of prayers and instructions on trafficking with the spirit world.

The story of King Solomon, as told by his court historian.

**The Patriot Protocol** Courier Corporation

Finally in a single book, the Keys and Testament of Solomon are available together in The Three Magical Books of Solomon: The Greater and Lesser Keys & The Testament of Solomon. The Testament is a story of his use of magic to control demons and the Keys reveal his spells and methods. The Lesser Key of Solomon is a well-known grimoire which has the description of the 72 demons conjured by Solomon, along with illustrations of their sigils, and the instructions for how to summon them. It also lists "Spirits mingled of Good and Evil Natures". The third book,

attributed to the Apostle Paul, discusses the "Spirits allotted unto every degree of the 360 Degrees of the Zodiac; and also of the Signs, and of the Planets in the Signs, as well as of the Hours." Later on, Ars Almadel Salomonis provides instructions on how to create a wax tablet with specific designs intended to contact angels via scrying. This book also contains the prayers and orations of Solomon. The Key of Solomon the King is a very famous and important grimoire. It is divided up into two books. The first section includes various chants, spells, and curses to summon or restrain demons and the spirits of the dead. It also contains instructions on how to perform a series of magic spells. The second part describes purifications an exorcist should undergo, as well as on

---

clothing and magical devices. The Testament of Solomon is about demons summoned by King Solomon, and how they can be countered by invoking angels and other magical techniques. It is one of the oldest magical texts attributed to King Solomon, dating First Century A.D.

*The Ring of Winter* Rowman Altamira

The story of Israel's triumphs, defeats, backslidings, captivity, and reformation abounds in great.

*The Key of Solomon the King* Library of Alexandria  
The enchanting tales of 1001 Arabian Nights and the mysterious magical societies of the Moors share a legendary figure. He is no other than Asaph Ben Berechiah, the Vizier of King Solomon himself. According to Islamic tradition, this Arabian Merlin bested a djinn in a magical contest, teleporting Queen Sheeba's throne in the blink of an eye, using

his knowledge of the Great Name. Through the ages masters of the forbidden art of djinn evocation have shared with their disciples in secrecy an extensive oral tradition of rituals, incantations, and magical implements belonging to Asaph Ben Berechiah. Fragments of these arcane mysteries could be found in the writing of master occultists from the Middle Ages, the likes of Ahmed al-Buni. Few and far between, many have treasured what little fragments of this oral tradition could be found. There were also whispers of a grimoire compiled by an anonymous Arabian wizard brimming with secrets of the magic of Asaph Ben Berechiah. Known only as Ajnas, its reputation grew, but few possessed it. It has resurfaced in recent years and remains one of the most popular guides to angelic and djinn evocation in the land of the Arabian nights. O seeker of the art of the masters, you needn't wait centuries for this important grimoire to be available in English as has happened with Ghayat al-Hakim (Picatrix). Right now, you are beholding an accurate

---

and complete translation of Ajnas waiting for its secrets to be unlocked by the disciples of today and the masters of tomorrow. "Heth Heth Sharet Maret Aeeret Ayolet"
