The Risk of Darkness is the 3rd in a series of atypical crime novels featuring the detective Simon Serrailer. I have very much enjoyed the series so far and I will be putting book no. 4 on my reserve list soon. However, I would offer some cautions to a fan of straightforward who-dunnits and police procedurals about Susan Hill's style.

The Risk of Darkness (Simon Serrailer, #3) by Susan Hill

In this, the 10th Simon Serrailer crime novel, Simon must engage with his own demons as Lafferton struggles to cope with a series of crimes that threaten the sanctity of hearth and home. On the face of it DCS Simon Serrailer has had time to recuperate after the violent incident that cost him his arm and nearly his life.

The protagonist, Simon Serrailer, is not 'likeable,' exactly, but he is intelligent, complex and interesting, while the (many) supporting characters are well drawn and deftly three-dimensional. The Risk of Darkness is definitely the most somber of the three I've read so far, and in its primary perpetrator gives one of the most chilling depictions of human evil that I have come across recently. *The Risk of Darkness (Simon Serrailer #3) - Susan Hill ...*

We met Simon Serrailer first in The Various Haunts of Men and got to know him better in The Pure in Heart. Susan Hill's third crime novel, The Risk of Darkness-perhaps even more compulsive and convincing than its predecessors-explores the crazy grief of a widowed husband, whose derangement turns

into obsession and threats, violence and terror.

Book review: 'The Risk of Darkness' by Susan Hill

Book review: The Risk of Darkness. This is a chilling book with two key storylines. One is continued from the previous book, The Pure in Heart, in which children are disappearing. The second explores the line where grief and anger descends into madness, where we can be threatened in our homes, in the streets which are familiar beneath our feet, and will never feel safe again.
