The Risk of Darkness Simon and Schuster

Presents a controversial history of violence which argues that today's world is the most peaceful time in human existence, drawing on psychological insights into intrinsic values that are causing people to condemn violence as an acceptable measure.

The Comforts of Home Simon and Schuster

The finale of the Storms of War trilogy finds Celia de Witt in glittering 1920s New York, hunting for Michael, the son who was taken from her at birth. Desperate and vulnerable, she looks to the valiant girls of an underground flapper army—and a runaway boy with a big heart—for help in her search.

Meanwhile, Celia sets up a business in New York called Flapper Foods, in hopes of saving her family and their home, Stoneythorpe, from ruin. Flapper Foods takes off, only to have the Great Depression fall. All seems lost—but the Depression brings Michael and Celia together. Back in England, Celia's family is in desperate need. As World War II approaches, Stoneythorpe, despite her efforts, must be sold. But the world around her is watching, hope is on the horizon, and Celia will have to risk everything she has held dear to save her family.

The Bride Wore Black Leather Simon Pulse

New York Times bestselling author Karen Robards continues her penchant for “fantastic storytelling” (RT Book Reviews) with this heart-pumping and nail-biting tale of a brilliant ornithologist trapped on the remote Attu Island in Alaska, fighting for her life—and that of a handsome stranger—before they're swallowed up in darkness forever.

Ornithologist Dr. Gina Solomon, PhD, can't believe her good fortune when she's picked as one of a small group of Stanford University scientists lucky enough to be allowed to conduct research on Attu Island, Alaska. But a dream come true soon turns into a nightmare when she witnesses the horrifying break-up of a small plane. As the pieces rain down around her into the frigid waters of the Bering Sea, Gina heads toward the crash site looking for survivors and discovers James "Cal" Callahan. But when the two realize the plane crash wasn't an accident—and that the individuals responsible are still on the island—will they escape before they're swallowed up in darkness forever? Set against the harsh wilderness of Alaska, Darkness is yet another of Robards's “scintillating romantic thrillers” (Publishers Weekly) featuring the well-paced suspense and twists that has made Robards an icon in the romance

genre.

Simon Says Abrams

A hugely entertaining and revealing guide to the history of type that asks, What does your favorite font say about you? Fonts surround us every day, on street signs and buildings, on movie posters and books, and on just about every product we buy. But where do fonts come from, and why do we need so many? Who is responsible for the staid practicality of Times New Roman, the cool anonymity of Arial, or the irritating levity of Comic Sans (and the movement to ban it)? Typefaces are now 560 years old, but we barely knew their names until about twenty years ago when the pull-down font menus on our first computers made us all the gods of type. Beginning in the early days of Gutenberg and ending with the most adventurous digital fonts, Simon Garfield explores the rich history and subtle powers of type. He goes on to investigate a range of modern mysteries, including how Helvetica took over the world, what inspires the seeming ubiquitous use of Trajan on bad movie posters, and exactly why the all-type cover of Men are from Mars, Women are from Venus was so effective. It also examines why the "T" in the Beatles logo is longer than the other letters and how Gotham helped Barack Obama into the White House. A must-have book for the design conscious, Just My Type's cheeky irreverence will also charm everyone who loved Eats, Shoots & Leaves and Schott's Original Miscellany.

Risk (A Mageri World Novel) Dannika Dark

“Gripping and timely.” —People “The YA debut we're most excited for this year.” —Entertainment Weekly “A book that knocks you off your feet while dropping the kind of knowledge that'll keep you down for the count. Prepare to BE slain.” —Nic Stone, New York Times bestselling author of Dear Martin and Odd One Out Ready Player One meets The Hate U Give in this dynamite debut novel that follows a fierce teen game developer as she battles a real-life troll intent on ruining the Black Panther-inspired video game she created and the safe community it represents for Black gamers. By day, seventeen-year-old Kiera Johnson is an honors student, a math tutor, and one of the only Black kids at Jefferson Academy. But at home, she joins hundreds of thousands of Black gamers who duel worldwide as Nubian personas in the secret multiplayer online role-playing card game, SLAY. No one knows Kiera is the game developer, not her friends, her family, not even her boyfriend, Malcolm, who believes video games are partially responsible for the “downfall of the Black man.” But when a teen in Kansas

City is murdered over a dispute in the SLAY world, news of the game reaches mainstream media, and SLAY is labeled a racist, exclusionist, violent hub for thugs and criminals. Even worse, an anonymous troll infiltrates the game, threatening to sue Kiera for "anti-white discrimination." Driven to save the only world in which she can be herself, Kiera must preserve her secret identity and harness what it means to be unapologetically Black in a world intimidated by Blackness. But can she protect her game without losing herself in the process?

Into the Darkness Abrams

A new Rona Parish mystery. - An old school photograph in which someone has been deliberately blacked out marks the start of a new case for Rona Parish. Who was this person and why would someone want to hide his or her identity? Rona sets out to uncover the secret and soon finds that the school in question closed down many years ago due, it was rumoured, to a long-forgotten scandal. Could this be the link that will solve the mystery? Meanwhile, a visit to a stage hypnotist results in more than Rona and her friends bargained for . . .

Question of Identity Routledge

A gay man escapes the cult of Reverend Sun Myung Moon after ten years and becomes a successful movie distributor in Hollywood. But the deep self-loathing that brought him to the Reverend Moon's congregation leads him down a dark path of drugs and broken relationships until one final, traumatic moment defines whether he will live or die. A profound journey of self-discovery and acceptance, William Poe's latest novel is a probing look into the darker reaches of the human psyche. Simon Powell has spent ten years of his life as a member of the cult of Reverend Moon. Unfulfilled, he breaks free of the Unification Church and returns home to Arkansas only to be rocked by the death of his father. In desperate need of feeling grounded, he ventures to Hollywood and reconnects with a former lover and the lawyers he once hired to defend Reverend Moon on income tax evasion charges. Before long, however, he splits with his lover and embarks on an unending series of soulless, drug-filled nights and broken relationships. Just as his money is running out, however, he gets an interview that just might get his life back on track. Quickly becoming a successful movie distributor, Simon's drug problem merely spirals into the dark abyss. Cocaine gives way to crack as he spends money faster than he can make it to feed his drug and sex habit. But they both fail to fill the void deep inside and his life careens hopelessly out of control. Finally convinced to enter rehab, the continued abuse for being gay drives him towards one final, desperate decision that will leave his life hanging in the balance. Exploring the struggle of reintegration into society of a gay man after years of self-denial and repression, Poe's newest is a fascinating portrait of cultism, drugs, the Hollywood gay scene, and the motion picture industry. A masterpiece full of an aching longing and desperation, Simon Says is a troubling, provocative, and ultimately triumphant look into addiction, recovery, and our need to be loved.

Jackie Robinson and the Integration of Baseball Simon and Schuster

We met Simon Serrailier first in *The Various Haunts of Men* and got to know him better in *The Pure in Heart*. Susan Hill's third crime novel, *The Risk of Darkness*-perhaps even more compulsive and convincing than its predecessors-explores the crazy grief of a widowed husband, whose derangement turns into obsession and threats, violence and terror. Meanwhile, handsome, introverted Simon Serrailier, whose cool reserve has broken the hearts of several women, finds his own heart troubled by the newest recruit to the Cathedral staff: a feisty female Anglican priest with red hair. *The Risk of Darkness* is truly the work of a writer at

the top of her form.

Just My Type Knopf Canada

Meta-regulation presents itself as a progressive policy approach that can manage complexity and conflicting objectives better than traditional command and control regulation. It does this by 'harnessing' markets and enlisting a broad range of stakeholders to reach a more inclusive view of the public interest that a self-regulating business can then respond to. Based on a seventeen year study of the Australian energy industry, and via the lens of Niklas Luhmann's systems theory, *Meta-Regulation in Practice* argues that normative meta-regulatory theory relies on questionable assumptions of stakeholder morality and rationality. Meta-regulation in practice appears to be most challenged in a complex and contested environment; the very environment it is supposed to serve best. Contending that scholarship must prioritise an understanding of communicative possibilities in practice, this book will be of interest to undergraduate and postgraduate students, as well as postdoctoral researchers interested in subjects such as business regulation, systems theory and corporate social responsibility. Please visit meta-regulation.com for more insightful information on meta-regulation and *Meta-Regulation in Practice*.

Paul Simon Random House

As the story begins, a lonely woman vanishes while out on her morning run. Then a 22-year-old girl never returns from a walk. An old man disappears too. When fresh-faced policewoman Freya Graffham is assigned to the case, she runs the risk of getting too invested--too involved--in the action. Alongside the enigmatic detective Chief Inspector Simon Serrailier, she must unravel the mystery before events turn too gruesome. Written with intelligence, compassion, and a knowing eye--in the tradition of the fabulous mysteries of Ruth Rendell and P.D. James--*The Various Haunts of Men* is an enthralling journey into the heart of a wonderfully developed town, and into the very mind of a killer.

The Woman in Black Abrams

A little boy is snatched as he stands with his satchel at the gate of his home, waiting for his lift to school. A severely handicapped young woman hovers between life and death. And an ex-con finds it impossible to go straight. *The Pure in Heart* is a crime novel arising from character and circumstances, about the psychology of crime, something more enthralling than plain thrillers or whodunits. In Lafferton, Serrailier's town, Susan Hill has brilliantly created a community with detail so sharp and true to life that readers feel that these people are their own neighbors and friends. But there is terror and evil in their very midst. There are no easy answers in *The Pure of Heart*, a magnificent novel about the realities of police work and the sometimes desperate humanity of family. Haunting and truthful, gripping and convincing, it is a thrilling achievement.

The Devouring Abrams

"A gripping tale told by a gifted writer."--Beverly Lewis Caroline Fletcher is caught in a nation split apart and torn between the ones she loves and a truth she can't deny The daughter of a wealthy slave-holding family from Richmond, Virginia, Caroline Fletcher is raised to believe slavery is God-ordained and acceptable. But on awakening to its cruelty and injustice, her eyes are opened to the men and women who have cared

tirelessly for her. At the same time, her father and her fiancé, Charles St. John, are fighting for the Confederacy and their beloved way of life and traditions. Where does Caroline's loyalty lie? Emboldened by her passion to make a difference and her growing faith, will she risk everything she holds dear?

The Book of Speculation Simon and Schuster

Keep your brain young, healthy, and sharp with this science-driven guide to protecting your mind from decline by neurosurgeon and CNN chief medical correspondent Dr. Sanjay Gupta. Throughout our life, we look for ways to keep our minds sharp and effortlessly productive. Now, globetrotting neurosurgeon Dr. Sanjay Gupta offers "the book all of us need, young and old" (Walter Isaacson, #1 New York Times bestselling author of *The Code Breaker*) with insights from top scientists all over the world, whose cutting-edge research can help you heighten and protect brain function and maintain cognitive health at any age. *Keep Sharp* debunks common myths about aging and mental decline, explores whether there's a "best" diet or exercise regimen for the brain, and explains whether it's healthier to play video games that test memory and processing speed, or to engage in more social interaction. Discover what we can learn from "super-brained" people who are in their eighties and nineties with no signs of slowing down—and whether there are truly any benefits to drugs, supplements, and vitamins. Dr. Gupta also addresses brain disease, particularly Alzheimer's, answers all your questions about the signs and symptoms, and shows how to ward against it and stay healthy while caring for a partner in cognitive decline. He likewise provides you with a personalized twelve-week program featuring practical strategies to strengthen your brain every day. *Keep Sharp* is the "must-read owner's manual" (Arianna Huffington) you'll need to keep your brain young and healthy regardless of your age!

A Change of Circumstance Simon and Schuster

Children have been vanishing. There are no leads, no closure for the families - just a kidnapper at large. The police have failed, the families are distraught and morale at Lafferton station has collapsed. Then Detective Chief Inspector Simon Serrailier receives a call: a child has been snatched in Yorkshire. Has the abductor struck again? And will they find this child alive?

The Vows of Silence Simon and Schuster

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new *Suggestions for Further Reading* by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Darkness All Around Seal Books

The Risk of Darkness Abrams

Boy Robot Abrams

The Breakfast Club meets *The Silver Linings Playbook* in this powerful, provocative, and heartfelt novel about twelve strangers who come together to make the most of their final days, from New York Times bestselling and award-winning author J. Michael Straczynski. Mark Antonelli, a failed young writer looking down the barrel at thirty, is planning a cross-country road trip. He buys a beat-up old tour bus. He hires a young army vet to drive it. He puts out an ad for others to join him along the way. But this will be a road trip like no other: His passengers are all fellow disheartened souls who have decided that

this will be their final journey—upon arrival in San Francisco, they will find a cliff with an amazing view of the ocean at sunset, hit the gas, and drive out of this world. The unlikely companions include a young woman with a chronic pain sensory disorder and another who was relentlessly bullied at school for her size; a bipolar, party-loving neo-hippie; a gentle coder with a literal hole in his heart and blue skin; and a poet dreaming of a better world beyond this one. We get to know them through access to their texts, emails, voicemails, and the daily journal entries they write as the price of admission for this trip. By turns tragic, funny, quirky, charming, and deeply moving, *Together We Will Go* explores the decisions that brings these characters together, and the relationships that grow between them, with some discovering love and affection for the first time. But as they cross state lines and complications to the initial plan arise, it becomes clear that this is a novel as much about the will to live as it is the choice to end it. The final, unforgettable moments as they hurtle toward the outcomes awaiting them will be remembered for a lifetime.

Darkness Grove Press

Simon Serrailier's story began in *The Various Haunts of Men* (about a serial killer) and continued with *The Pure in Heart* (about a kidnapped schoolboy). Susan Hill is not afraid to tackle difficult issues, nor to face up to the realities of stress in an ordinary English police station. Her third crime novel, *The Risk of Darkness*, even more compulsive and convincing, follows up the child abduction and explores the crazy grief of a widowed husband, a derangement which turns to obsession and threats, violence and terror. Meanwhile, handsome, introverted Simon Serrailier, whose cool reserve has broken the hearts of several women, finds his own heart troubled by the newest recruit to the Cathedral staff: a feisty female Anglican priest with red hair... *The Risk of Darkness* is packed with action and adventure. Like *Various Haunts*, it hinges on a terrific twist which comes as a complete surprise to the reader; and like *The Pure in Heart*, it deals in depth with complex daily problems.

The Soul of Discretion John Wiley & Sons

The NPR Weekend Edition broadcaster tackles the 1947 integration of major league baseball, capturing the drama of Jackie Robinson's first year in baseball. 50,000 first printing. 100,000 ad/promo.

This Rage of Echoes Severn House Publishers Ltd

Lafferton is struggling through a bitter winter, with heavy snowfalls paralysing the town, though at least the police can be sure the ram raiders who have been targeting antique and jewellers' shops will be lying low. The biggest worry the elderly have is how to keep warm, until 82-year-old Doris Upcott is found strangled in her home, followed by the deaths of 2 other residents of the same sheltered housing complex. Each time, the murderer has left a unique signature at the crime scene, which should help DCS Simon Serrailier, desperate to identify him before he kills again. When links are found between these and 3 similar murders elsewhere, Serrailier is obliged to cross unfamiliar territory in his search for answers.
