Book review: The Risk of Darkness. This is a chilling book with two key storylines. One is continued from the previous book, The Pure in Heart, in which children are disappearing. The second explores the line where grief and anger descends into madness, where we can be threatened in our homes, in the streets which are familiar beneath our feet, and will never feel safe again.

The protagonist, Simon Serrailler, is not 'likeable,' exactly, but he is intelligent, complex and interesting, while the (many) supporting characters are well drawn and deftly three-dimensional. The Risk of Darkness is definitely the most somber of the three I've read so far, and in its primary perpetrator gives one of the most chilling depictions of human evil that I have come across recently.

The Risk of Darkness is the 3rd in a series of atypical crime novels featuring the detective Simon Serrailier. I have very much enjoyed the series so far and I will be putting book no. 4 on my reserve list soon. However, I would offer some cautions to a fan of straightforward who-dunnits and police procedurals about Susan Hill's style.
