THE RIVER | Kirkus
Reviews

Mary Jane Beaufrand's The River is a troubling book to be sure, but some of its grim-ness is counterbalanced by dark humor and beautiful writing. Best of all is the (semi-predictable) high school romance that's both sweet and satisfying. Behind the Scenes.

I really enjoyed Dark River by Mary Jane Beaufrand. I also

enjoyed her first book Primavera(Primavera)and although I finished Dark River a month ago I still think about it. She did a great job of creating a rich sense of place and fully develops her characters to the point where you connect with and truly care about them.

Daily, long-distance jogs help her come to terms with her father's psychological crisis, the sudden addition of two foster siblings and the family's abrupt transition from city-dwellers to country innkeepers. Running helps Ronnie cope, and she looks forward to it until the day her carefree run turns into a mad dash for help.

I just finished an ARC of "The River" by Mary Jane Beaufrand, which is being released to bookstores as I speak. There were a lot of things I liked about the book and a few I didn't. However, I think this would be an easy sell for teens - and those who

pick it up will like it.
