The Italian Renaissance was a cultural explosion of art, architecture and learning, but it had a darker side. Two powerful families, the tyrannical Medici and their biggest rivals, the Pazzi, are tangled in a bloody struggle for ultimate power. Caught in the whirlwind is Flora, the last daughter of the Pazzi. As her beautiful older sister is being painted by the famed artist Botticelli, Flora is dreading her fate. Destined for life in a convent, Flora is determined to take matters into her own hands, even as her world crumbles around her. When Flora decides runs away, she has no idea that the decision will save her life. As her family falls to their murderous enemy, Flora must find a new life and a new identity. Inspired by actual events, Primavera is a dazzling coming of age story set during a time of beauty and wealth, ambition, rivalry and brutality.

Historical art references to Boticelli and his famous painting, Primavera, give this book an appeal similar to Girl with a Pearl Earring.

Mary Jane Forgotten Books

Mary Jane Holmes (April 5, 1825 - October 6, 1907) was a bestselling and prolific American author who published 39 popular novels, as well as short stories. Her first novel sold 250,000 copies; and she had total sales of 2 million books in her lifetime, second only to Harriet Beecher Stowe. Portraying domestic life in small-town and rural settings, she examined gender relationships, as well as those of class and race. She also dealt with slavery and the American Civil War with a strong sense of moral justice. Since the late 20th century she has received fresh recognition and reappraisal, although her popular work was excluded from most 19th-century literary histories

THE week between the time Mary Jane heard of the trip South and the time for starting seemed unusually short. So short that Mary Jane thought it surely must have had only three days in it-that is, she thought that till she counted up and found to her surprise that this very, very short week had had Wednesday, Thursday, Friday, Saturday, Sunday, Monday and now a Tuesday just exactly as all other weeks have.
