“Culled from the rarefied air of James Lee Burke, Greg Iles, and John Hart, Kevin Wolf has fashioned a painstakingly perfect tale of murder, angst, and the enduring power of the human spirit. If the late, great Pat Conroy had ever decided to write a mystery, this would be it.” —Jon Land “Kevin Wolf’s debut novel, *The Homeplace*, succeeds in every way. He has crafted a gripping, fast-paced narrative with beautifully drawn characters in an authentic and interesting small-town Colorado setting. Not only is the mystery compelling, but so are the

characters. Even if there were no murders to solve, you would still want to spend time with these fascinating people whose lives echo the sparse and gorgeous landscape they inhabit and whose pasts refuse to leave them to their futures.”

—Christine Carbo, author of *The Wild Inside* Chase Ford was the first of four generations of Ford men to leave Comanche County, Colorado. For Chase, leaving saved the best and hid the worst. But now, he has come home. His friends are right there waiting for him. And so are his enemies. Then the murder of a boy, a high school basketball star just like Chase, rocks the small town.

When another death is discovered—one that also shares unsettling connections to him—law enforcement's attention turns towards Chase, causing him to wonder just what he came home to. A suspenseful, dramatic crime novel, *The Homeplace* captures the stark beauty of life on the Colorado plains.

A book of loss, looking back, and what binds us to life, by a towering poetic talent, called "one of the poetry stars of his generation" (Los Angeles Times). "We sleep long, / if not sound," Kevin Young writes early on in this exquisite gathering of poems, "Till the end/ we sing / into the wind." In scenes and settings that circle family and the

generations in the American South--one poem, "Kith," exploring that strange bedfellow of "kin"--the speaker and his young son wander among the stones of their ancestors. "Like heat he seeks them, / my son, thirsting / to learn those / he don't know / are his dead." Whether it's the fireflies of a Louisiana summer caught in a mason jar (doomed by their collection), or his grandmother, Mama Annie, who latches the screen door when someone steps out for just a moment, all that makes up our flickering precarious joy, all that we want to protect, is lifted into the light in this moving book. Stones becomes an ode to Young's home places and his dear departed, and to what of them—of us—poetry can save.

The Law of Dreams Pinnacle Books

New York Times bestselling author,

superstar comedian, and Hollywood box office star Kevin Hart turns his immense talent to the written word by writing some words. Some of those words include: the, a, for, above, and even even. Put them together and you have a "hilarious but also heartfelt" (Elle) memoir on survival, success, and the importance of believing in yourself. The question you're probably asking yourself right now is: What does Kevin Hart have that a book also has? According to the three people who have seen Kevin Hart and a book in the same room, the answer is clear: A book is compact. Kevin Hart is compact. A book has a spine that holds it together. Kevin Hart has a spine that holds him together. A book has a beginning. Kevin Hart's life uniquely qualifies him to write this book by also having a beginning. It begins in North Philadelphia. He was born an accident, unwanted by his parents. His father was a drug addict who was in and out of jail. His brother was a crack dealer and petty thief. And his mother was overwhelmingly strict, beating him with belts, frying pans, and his own toys. The odds, in short, were stacked against our young hero. But Kevin Hart, like Ernest Hemingway, J.K. Rowling, and Chocolate Droppa before him, was able to defy the odds and turn it around. In his literary debut, he takes us on a journey through what his life was, what it is today, and how he's

overcome each challenge to become the man he is today. And that man happens to be the biggest comedian in the world, with tours that sell out football stadiums and films that have collectively grossed over \$3.5 billion. He achieved this not just through hard work, determination, and talent. "Hart is an incredibly magnetic storyteller, on the page as he is onstage, and that's what shines through [in this] genial, entertaining guide to a life in comedy" (Kirkus Reviews).

Suddenly Dead Vintage

NATIONAL BESTSELLER A top journalist crosses the yellow tape to investigate a shocking high-society crime. Billionaires, philanthropists, socialites . . . victims. Barry and Honey Sherman appeared to lead charmed lives. But the world was shocked in late 2017 when their bodies were found in a bizarre tableau in their elegant Toronto home. First described as murder-suicide — belts looped around their necks, they were found seated beside their basement swimming pool — police later ruled it a staged, targeted double murder. Nothing about the case made sense to friends of the founder of one of the

world's largest generic pharmaceutical firms and his wife, a powerhouse in Canada's charity world. Together, their wealth has been estimated at well over \$4.7 billion. There was another side to the story. A strategic genius who built a large generic drug company — Apotex Inc. — Barry Sherman was a self-described workaholic, renowned risk-taker, and disruptor during his fifty-year career. Regarded as a generous friend by many, Sherman was also feared by others. He was criticized for stifling academic freedom and using the courts to win at all costs. Upset with building issues at his mansion, he sued and recouped millions from tradespeople. At the time of his death, Sherman had just won a decades-old legal case involving four cousins who wanted 20 percent of his fortune. Toronto Star investigative journalist Kevin Donovan chronicles the unsettling story from the beginning, interviewing family members, friends, and colleagues, and sheds new light on the Shermans' lives and the disturbing double murder. Deeply researched and authoritative, *The Billionaire Murders* is a compulsively readable tale of a strange and perplexing crime.

Being Simon and Schuster

In 1982, Sister Helen Prejean became the spiritual advisor to Patrick Sonnier, the convicted killer of two teenagers who was sentenced to die in the electric chair of

Louisiana's Angola State Prison. In the months before Sonnier's death, the Roman Catholic nun came to know a man who was as terrified as he had once been terrifying. She also came to know the families of the victims and the men whose job it was to execute—men who often harbored doubts about the rightness of what they were doing. Out of that dreadful intimacy comes a profoundly moving spiritual journey through our system of capital punishment. Here Sister Helen confronts both the plight of the condemned and the rage of the bereaved, the fears of a society shattered by violence and the Christian imperative of love. On its original publication in 1993, *Dead Man Walking* emerged as an unprecedented look at the human consequences of the death

penalty. Now, some two decades later, this story—which has inspired a film, a stage play, an opera and a musical album—is more gut-wrenching than ever, stirring deep and life-changing reflection in all who encounter it.

The Night She Disappeared Chicken House
Lauren and her friends visit an amusement park, Hydro World, located in the Mojave Desert on its opening day. The park is advanced beyond anything Lauren could have imagined-state of the art in a technology that allowed its builders to create whole enclosed ecosystems, mimicking a natural world lost to environmental decay. Then the Jade Fall happens, an enormous green meteor makes landfall, exploding into blinding emerald

light. When the light fades, Lauren has survived, and so has Hydro World, but as she looks around, only two of her friends, Bobby and Lisa, are there-everyone else has vanished. Lauren and her friends meet more survivors, and it seems only a fraction of parkgoers survived the Jade Fall. Lauren attempts to lead the survivors out of Hydro World, assisted by the park's central computer, which goes by the name Leviathan. Soon they find the world around them has been altered-often in seemingly impossible ways. Hydro World has become a place where water can burn, gravity can change, and more. In the gloom of the desolate park, new life begins to assert itself. Some are benignly beautiful, but others are unspeakable abominations with too many

eyes and too many mouths. Worse for Lauren, she slowly becomes aware of her own impossible changes to her body, developing frightening powers which she tries to keep hidden from her fellow survivors-at first. With extreme power the others lack, she balances on the edge of survival and becoming yet another of Hydro World's monsters. "I'm afraid of the things I can hear, the things I can do. And most of all, I'm afraid that when I'm in the moment doing those things, I'm not afraid at all. I'm afraid that I love it."

The Road of the Dead Simon and Schuster

An intimate, lyrical look at the ancient rite of the Irish wake--and the Irish way of overcoming our fear of death Death is a whisper for most of us. Instinctively we feel we should dim the lights, pull the curtains, and speak softly. But on a remote

island off the coast of Ireland's County Mayo, death has a louder voice. Each day, along with reports of incoming Atlantic storms, the local radio runs a daily roll call of the recently departed. The islanders go in great numbers, young and old alike, to be with their dead. They keep vigil with the corpse and the bereaved company through the long hours of the night. They dig the grave with their own hands and carry the coffin on their own shoulders. The islanders cherish the dead--and amid the sorrow, they celebrate life, too. In *My Father's Wake*, acclaimed author and award-winning filmmaker Kevin Toolis unforgettably describes his own father's wake and explores the wider history and significance of this ancient and eternal Irish ritual. Perhaps we, too, can all find a better way to deal with our mortality--by living and loving as the Irish do.
