If you are reading it today, there could be some complications due to its imagery of incest and sibling sexual encounters and social difference from that era. The book describes the life of Charlie Roberts, whose insatiable sexual conquests. It delivers sexual encounters after encounters. weather I used to sit on a low stool by the fire—Miss Evelyn was seated in front, I had my lesson book on my knee, and she herself would place her beautiful feet on the high school fender, with her work in her lap, while she heard my sisters repeat their lesson, totally unconscious that for half an hour at a time she was exposing her beautiful legs and thighs to my ardent gaze; for sitting much below her, and bending my head as if intent on my lesson, my eyes were below her raised petticoats. Her close and tight-fitting white stockings displayed her well-formed legs, for while confined to the house during our morning lessons she did not wear drawers; so that in the position she sat in, with her knees higher than her feet on the already high fender, and her legs somewhat apart to hold her work in her lap more easily, the whole glorious underswell of both thighs, and

the lower part of her fine large bottom, with the pinky slit quite visible, nestled in a rich profusion of dark curls, were fully exposed to my view.
