Wrangling His Best Friend ’ s Sister Ava Pearson needs a job—yesterday. After her husband ’ s death, her life in the city became impossible, and a crisis with her young son caused her to lose her job as a reporter. Now Ava is living in her childhood home again, without prospects, but not without hope. If she can just get enough money to tide her over while she pitches an article to an even better big-city paper, Ava feels she can get back on track. The only problem is...what jobs are available in her one-horse town? Branson Beckett is successful by most measures of the word. He ’ s the owner of a profitable ranch on the brink of expansion and is now looking for a few good ranch hands to help him out. However, he wasn ’ t thinking of his best friend ’ s little sister when it came to hard labor. No, he ’ d thought of her in other hard situations, but they usually involved the dark of night and his great big bed. Dreams that had no place in reality. Wrangling His Sexy Assistant Veterinarian Hunter Beckett just got roped into his nightmare: a bachelor auction to raise funds for a local charity. While he ’ s a hottie, most in town see him as a curmudgeon, a man who manages to be cranky, even after he ’ s saved your dog ’ s life. But when women start bidding on him like crazy—one aggressive hairdresser in particular—Hunter ’ s in need of a savior and finds it in the form of Kit, his veterinary resident. It ’ s a mercy purchase, but one that puts him in a bind: Kit wants something in return. Kit Cowie ’ s come all the way out to the boonies because of her love of large animal medicine, and because Hunter needs a new resident—badly. But now that she ’ s got the job, she finds that Hunter is only holding her back, making her give shots to puppies while he ’ s off doing what she ’ d really love: fixing broken bones and saving horses ’ lives. Now that she ’ s rescued him from the auction, Kit hopes she can leverage this to get more access in the office. What she didn ’ t expect is for Hunter to follow the rules of the bachelor auction—or for their date go so wonderfully right, ending with a sizzling kiss. But Hunter is sure that the kiss was a mistake and believes they should keep things professional between them. However, the more time he spends with Kit, the more his emotions beg him to see this relationship to passionate fruition, even though he

knows Kit is only here for a rotation until her position at her own family ’ s vet clinic goes into effect and she ’ s gone forever. Wrangling His Pregnant Cowgirl Scout Beckett has always wanted to run a ranch, not just work it under the purview of his older sibling. He wants to do something different from his family ’ s horses and beef cattle: he wants to own a dairy farm. To this end, Scout has been working on one as a foreman, and his mentor had always promised it would be Scout ’ s after he passed. But when the owner dies, he wills it to his city-slicker granddaughter instead; leaving Scout in charge of a farm that will never be his. Stella has worked for a nonprofit for years, helping to feed starving children in third-world countries. When she comes home for the funeral to say goodbye to her grandfather, the only stability she ’ s ever known, she finds herself falling into the arms of sexy cowboy Scout when shared loss and simple comfort turns to a night of passion before they each go their separate ways. When the shock of her pregnancy wears off, Stella vows to ride out the will ’ s rule and get back to her old life as soon as possible. Maybe the locals are right, maybe she is crazy. Still, she'll do anything to keep her twin son and daughter safe and happy--and keep her ex out of the picture. When her only horse comes up lame, she calls local veterinarian Randy McCall. The sexy cowboy takes one look at her farm and dilapidated house and offers his help, but Heather is quick to say no. She doesn't need anyone's help--no matter how gorgeous and tempting Randy is. But after hurting her ankle and discovering her roof is riddled with leaks, she reluctantly agrees to temporarily move herself and the twins to the McCall Ranch. If Heather wanted a charming, sexy, man--which she does not--Randy would be perfect. Good thing she only wants to be friends... Even as Randy tells himself--over and over--that he's not a relationship kind of guy, his stubborn heart doesn't believe it. Knowing Heather has already been hurt by a man, he decides to stop things before they get out of hand. But can he stop himself from falling in love? The Cowboy's Pregnant Sweetheart Karen Peterson has always known the rodeo was Carson McCall's first and only love. She got proof of that when they were eighteen and he left her brokenhearted to join the rodeo circuit. She never got the chance to tell him she was pregnant--and never told him she lost the baby. Nine years later, he's back home at the McCall Ranch nursing injuries from a bull-riding accident. When she sees him, she has a wonderful idea. Her sister's autistic son, Devon, wants to learn to ride, and Carson is the perfect man to teach him. But Carson turns her down flat. Until the consequences of a barroom brawl require community service...teaching Devon to ride. Though Carson is the only cowboy she'll ever love, she can shield her feelings for the sake of her nephew, even if Carson still makes her heart feel like it's on a bucking bronco. Carson is completely at odds. All he wants to do is heal and return to his life, despite his doctors telling him he'll never ride at the same level again. He hates that he's not the man he was, hates that everyone pities the washed-up has-been rodeo star. The only bright part of his day is the hour he spends with Devon--and Karen. Carson never forgot her, never really got over her. She's still the girl he loved when he was just a kid, only she's even more beautiful now. As they spend time together, it's hard to resist their deep attraction, and in the end, they give in to it. Still, the lure of his first love--the rodeo--is strong, and when his doctor clears him to join the circuit, he's happy--just not as happy as he'd thought he'd be. And when he learns Karen is pregnant, he's torn. Could it be that the rodeo isn't the only thing that matters anymore...?
