The Sacred Balance:  
Rediscovering Our  
Place in Nature by ...

In the article, The Sacred Balance: Rediscovering Our Place in Nature, by David Suzuki, it is indicated that humans have lost interconnectedness with nature. In other words, people have put importance to the more unnecessary things, which are the main causes for us consuming chemicals in food and creating dangerous pollution and diseases.

Read Download The Sacred Balance PDF – PDF Download

The Sacred Balance is David Suzuki ' s way of showing us the relationship between humans and nature. The book first tells of how nature is much bigger and more significant than the human race, and how the environment surrounding humans is far more important than humans themselves.

Summary This essay the  
Sacred Balance:

Rediscovering our Place  
in Nature talks that as  
the environments crises  
continue to deepen, a  
strong appeal is made by  
ecologists to regulate  
their activities to help  
protect the environment.  
The people fail to  
understand that air is in  
fact cleansed...
