graphic novel adaptation of Gaiman's novella of the same name, illustrated by Yoshitako Amano. The world was different in old Japan. So it was also that a master of the demons of this world set his own eyes on the monk, seeking to seize the pious man's inner strength for his own. And so it was, the King of All Night's Dreaming would find himself intervening on behalf of a love that was never meant to

be.... Adapted by P. Craig Russell from the award-winning story by NEW YORK TIMES best-selling author Neil Gaiman, THE SANDMAN: THE DREAM HUNTERS is a richly evocative return to the world of The Dreaming, seen through entirely new eyes. Collects the entire 4-issue series as well as a sketch section by P. Craig Russell. Also included is a cover gallery that includes work by P.
