The human species on earth is a hybrid species
born of earthly women and ancient male
warriors who fell from outer space. All ancient

civilizations knew this because it happened in
their time. Their legend and lore tell of the
exploits of these heavenly beings and their
offspring. The Christian Bible and the Jewish
Talmud in the book of Genesis call these
extraterrestrial warriors various names in different
translations. They are referred to as heavenly
beings, sons of God, giants on the earth, and of
course sons of heaven. But all translations of the
Bible narrate the same simple story. After the fall,
the sons of heaven saw that earthly women were
beautiful, and they took them for their wives.
These daughters of earth were beautiful both to
the eye and mind. These daughters of earth
carried in them the seeds of our civilization,
compassion, cooperation and understanding.
The product of this union became not only our
hybrid species but the heroes and great men and
women throughout recorded and unrecorded
history. We are them. Rico is the last remaining

son of heaven on earth who fell here in ancient
times to father our civilization. Lost, alone, and
broken, he grieves the mortality of his hybrid
species. They do not share his impossibly long
lifespan. Living among them is constant loss,
pain, and grief. Rico also grieves his hybrid
species? dark side. Some offspring retain the
unquenchable hunger for flesh of their earth
ancestors and the long lifespan of the sons of
heaven. The ugly head of Tarquez periodically
scars the history of humankind with death,
destruction, and sorrow. Tarquez is one of those
hybrids born of the first generation of the union
who retained both the unquenchable hunger for
flesh and the long life span of the sons of heaven.

NATIONAL BESTSELLER • "Elegant and wicked.... [This] might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime." —The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this

isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and

intrigues that thrive in a town where everyone knows everyone else. Midnight in the Garden of Good and Evil is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic. Geronimo's Story of His Life John Wiley & Sons While staying in a haunted Colorado hotel for her father's ghost-hunting television series, Karma Moon must battle her anxiety, interpret the signs of the universe, and get footage of a real ghost--you know, the usual. Karma Moon is a firm believer in everything "woo-woo," as her dad calls it. So when she asked her trusty Crystal Mystic if the call asking her dad to create a ghost-hunting docuseries was her dad's big break, it delivered: "No doubt about

it." Because the universe never gets it wrong. Only people do. Karma and her best friend, Mags, join her dad's Totally Rad film crew at a famous haunted hotel in Colorado over her spring break. Their mission: find a ghost and get it on camera. If they succeed, the show will be a hit, they can pay rent on time, and just maybe, her mom will come back. Unfortunately, staying at a haunted hotel isn't a walk in the park for someone with a big case of the what-ifs. But her dad made Karma the head of research for the docuseries, so she, Mags, and a mysterious local boy named Nyx must investigate every strange happening in the historically creepy Stanley Hotel. Karma hopes that her what-ifs don't make her give up the ghost before they can find a starring spirit to

help their show go viral--and possibly even get them a season two. With Melissa Savage's quirky cast of characters and spooky setting underlaid by a touching and relatable struggle against anxiety and grief over her fractured family, Karma Moon--Ghosthunter is bound to charm and delight.

Ten Steps to the Gallows New Directions Publishing
Thoroughly sharp and honest treatment of a brutal conflict. The Algerian War (1954-1962) was a savage colonial war, killing an estimated one million Muslim Algerians and expelling the same number of European settlers from their homes. It was to cause the fall of six French prime ministers and the collapse of the Fourth Republic. It came close to bringing down de Gaulle and - twice - to plunging France into civil war. The story told here contains heroism and tragedy, and poses issues of enduring relevance beyond the confines of either geography or time. Horne writes

with the extreme intelligence and perspicacity that are his trademarks.

The classic work on the evaluation of city form. What does the city's form actually mean to the people who live there? What can the city planner do to make the city's image more vivid and memorable to the city dweller? To answer these questions, Mr. Lynch, supported by studies of Los Angeles, Boston, and Jersey City, formulates a new criterion--imageability--and shows its potential value as a guide for the building and rebuilding of cities. The wide scope of this study leads to an original and vital method for the evaluation of city form. The architect, the planner, and certainly the city dweller will all want to read this book.

AC/DC tells the little-known story of how Thomas Edison wrongly bet in the fierce war between supporters of alternating current and direct current. The savagery

of this electrical battle can hardly be imagined today. The showdown between AC and DC began as a rather straightforward conflict between technical standards, a battle of competing methods to deliver essentially the same product, electricity. But the skirmish soon metastasized into something bigger and darker. In the AC/DC battle, the worst aspects of human nature somehow got caught up in the wires; a silent, deadly flow of arrogance, vanity, and cruelty. Following the path of least resistance, the war of currents soon settled around that most primal of human emotions: fear. AC/DC serves as an object lesson in bad business strategy and poor decision making. Edison's inability to see his mistake was a key factor in his loss of control over the

operating system? for his future inventions?not to mention the company he founded, General Electric. The History of England from the Accession of James II Strelbytskyy Multimedia Publishing

Oklahoman S.M Barret wrote down and edited Apache Chief Geronimo's story of his life. Shiva Worship George Braziller

The word Shaivism refers to "associated with shiva." Also known as Shaivism. According to Shaiva Sidhdhaantha the God is formless (arUpa) . But for the salvation of lives He

took the form of Lingam - meaning symbol (Arupa Rupa). lingam can be considered both as form as well as formless symbol. This mUrthi is called sadA shiva mUrthi. From the Sadha Shiva mUrthi, for the benefit of lives God took a lot of forms which are called mAHEshwara mUrthi. There are twenty five MAHEshwara mUrthi (Some say there are more). Some of these mUrthi are bhOga mUrthi, usually with Shakthi like RishabArUdar, or yOga mUrthi, sitting in one of the yOga postures without Shakthi in the side like dakshiNAMUrthi, or vEga mUrthi, in the state of destruction like kAlAri. Usually in the temples, Sadha Shiva mUrthi (Shiva lingam) will be in the Sanctum Sanctorum. The mAHEshwara mUrthi will be in the Praahaaram. (Outside the Sanctum Sanctorum). There are

some nice Sanskrit dhyAna shlokas that praise these mUrthi. The English translation of them and some information is given for that corresponding mUrthi name here. The sections later in this book deal with the various marvelous philosophically significant forms of the Formless Supreme Lord shiva.
