The Thoughts of Blaise Pascal Hot Key Books

A startling debut about the extraordinary end of a marriage and its very strange aftermath. Meet Lizzie Prain. She is an ordinary housewife and lives with her lovely dog and her husband, who is a bit of a difficult fellow, in a quiet cottage in British country side. She's a wonderful cook. She enjoys her garden. And, occasionally, she makes cakes for the village parties. No one has seen Lizzie's husband, Jacob, for a few days. That's because last Monday and Lizzie snapped and cracked him on the head with her garden shovel. No one quite misses Jacob though, and Lizzie surely didn't kill him on purpose. And now that she has the chance to live beyond his shadow, she won't neglect her good fortune. Over the course of the following month, with a body to get rid of and few fail-proof options at hand, Lizzie will channel her most practical instincts and do what she does best: she'll cook Jacob, and she'll eat him. But when Lizzie inadvertently befriends an isolated misfit, she will be tested: Will Lizzie turn to this new person for solace and abandon her desperate plan or will her new friend be an unwitting accessory to her crime? Dark, unexpectedly funny, and achingly human, *Season to Taste* is a deliciously subversive treat. In Lizzie Prain, Natalie Young has created one of the most remarkable and surprising heroines in fiction.

The Nice and Accurate Good Omens TV Companion HarperCollins

A tense and moving South African coming-of-age story about family, friendship and first romance Meg Bergman is fifteen and fed up. She lives in a tiny town in rural 1990s South Africa - a hot-bed of traditionalism, racial tension and (in Meg's eyes) ordinariness. Meg has no friends either, due largely to what the community sees as her mother's interfering attempts to educate farm workers about AIDS. But one day Xanthe arrives - cool, urban, feisty Xanthe, who for some unknown reason seems to want to hang out with Meg. Xanthe arrives into Meg's life like a hurricane, offering her a look at a teenage life she never knew existed. But cracks quickly begin to show in their friendship when Meg's childhood friend Simon returns from his gap year travels. *LEOPOLD BLUE* is an emotionally taut and beautifully written story from a debut author with a mesmerising voice.

The Boomer Bible Abrams

Originally published in 1984. Paul Henri Thiery, Baron d'Holbach (1723-1789), was the center of the radical wing of the philosophers. Holbach wrote, translated, edited, and issued a stream of books and pamphlets, often under other names, that

has made him the despair of bibliographers but has connected his name, by innuendo, gossip, and association, with most of what was written in defense of atheistic materialism in late eighteenth-century France. Holbach is best known for *The System of Nature* (1770) and deservedly, since it is a clear exposition of his main ideas. His initial position determines all the rest of his argument: 'There is not, there can be nothing out of that Nature which includes all beings.' Conceiving of nature as strictly limited to matter and motion, both of which have always existed, he flatly denies that there is any such thing as spirit or supernatural. This is the first of three volumes.
