generation knows little about In 1820, a young farm boy in the Lectures on Faith. . . . In search of truth has a vision of God the Father and Jesus Christ. my own judgment, these Three years later, an angel guides Lectures are of great value him to an ancient record buried in and should be studied. . . . I a hill near his home. With God's help, he translates the record and consider them to be of organizes the Savior's church in extreme value in the study of the latter days. Soon others join the gospel of Jesus Christ. ”

---

him, accepting the invitation to become Saints through the Atonement of Jesus Christ. But opposition and violence follow those who defy old traditions to embrace restored truths. The women and men who join the church must choose whether or not they will stay true to their covenants, establish Zion, and proclaim the gospel to a troubled world. The Standard of Truth is the first book in Saints, a new, four-volume narrative history of The Church of Jesus Christ of Latter-day Saints. Fast-paced, meticulously researched, Saints recounts true stories of Latter-day Saints across the globe and answers the Lord's call to write history "for the good of the church, and for the rising generations" (Doctrine and Covenants 69:8).

The Revised and Enhanced History of Joseph Smith by His Mother The Church of Jesus Christ of Latter-day Saints  
The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic, practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness. Though more than a century has now passed, his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God. President Young declared that as

members of The Church of Jesus Christ of Latter-day Saints we possess the "doctrine of life and salvation for all the honest-in-heart" (DBY, 7). He promised that those who receive the gospel in their hearts will have awakened "within them a desire to know and understand the things of God more than they ever did before in their lives" and will begin to "inquire, read and search and when they go to their Father in the name of Jesus he will not leave them without a witness" (DBY, 450). This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God. It will inspire and motivate individuals, priesthood quorums, and Relief Society classes to inquire, read, search, and then go to their Father in Heaven for a witness of the truth of these teachings. Each chapter contains two sections—"Teachings of Brigham Young" and "Suggestions for Study." The first section consists of extracts from Brigham

Young's sermons to the early Saints. Each statement has been referenced, and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These original sources are not necessary to have in order to effectively study or teach from this book. Members need not purchase additional references and commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should prayerfully read and study President Young's teachings in order to gain new insights into gospel principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful

---

contemplation, personal application, and discussion of President Young's teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the "Lion of the Lord" (HC, 7:434)—the prophet, seer, and revelator, President Brigham Young.

Book of Commandments, for the Government of the Church of Christ Zion's Camp Books Over the past thirty years, an enormous amount of research has been conducted into Mormon origins—Joseph Smith's early life, the Book of Mormon, the prophet's visions, and the restoration of priesthood authority. Longtime LDS educator Grant H. Palmer

suggests that most Latter-day Saints remain unaware of the significance of these discoveries, and he gives a brief survey for anyone who has ever wanted to know more about these issues. He finds that much of what we take for granted as literal history has been tailored over the years—slightly modified, added to, one aspect emphasized over another—to the point that the original narratives have been nearly lost. What was experienced as a spiritual or metaphysical event, something from a different dimension, often has been refashioned as if it were a physical, objective occurrence. This is not how the first Saints interpreted these events. Historians who have looked closer at the foundational stories and source documents have restored elements, including a nineteenth-century world view, that have been misunderstood, if not forgotten. Know Brother Joseph The Interpreter Foundation Founder of the largest indigenous Christian church in American history, Joseph Smith published the 584-page

Book of Mormon when he was twenty-three and went on to organize a church, found cities, and attract thousands of followers before his violent death at age thirty-eight. Richard Bushman, an esteemed cultural historian and a practicing Mormon, moves beyond the popular stereotype of Smith as a colorful fraud to explore his personality, his relationships with others, and how he received revelations. An arresting narrative of the birth of the Mormon Church, Joseph Smith: Rough Stone Rolling also brilliantly evaluates the prophet's bold contributions to Christian theology and his cultural place in the modern world. Interpreter: A Journal of Mormon Scripture, Volume 21 (2016) Deseret Book Company From the original "Preliminary Manuscript" dictated by Lucy Smith to her scribe, Martha Coray. Joseph Smith University of Illinois Press While speaking of Adam-ondi-Ahman, Elder Bruce R.

McConkie stated, "We now come to the least known and the least understood thing connected with the Second Coming. It might well be termed the best-kept secret set forth in the revealed word. It is something about which the world knows nothing; it is a doctrine that has scarcely dawned on most of the Latter-day Saints themselves; and yet it is set forth in holy writ and in the teachings of the Prophet Joseph Smith with substantially the same clarity as any of the doctrines of the kingdom." What happened at Adam-ondi-Ahman? What will happen there? How will understanding the past and future events of Adam-ondi-Ahman help me grow closer to the Savior? Discover Adam-ondi-Ahman in a way never before produced with quotes from prophets and apostles, maps, pictures, and scriptural witnesses of this sacred site. The title will ring true for anyone who has taken young children on a trip! Amy, Max and Dad have a wonderful day out at a leisure park. Superb illustrations complement the text in this delightful story. The father is a wheelchair user.

Commissioned by the Spinal Injury Association to provide stories with which their members can identify.

Eliza Horizon Publishers  
The central message of this book is the message declared by The Church of Jesus Christ of Latter-day Saints since its beginning. Joseph Smith, the first prophet of this dispensation, taught:

" The fundamental principles of our religion are the testimony of the Apostles and Prophets, concerning Jesus Christ, that He died, was buried, and rose again the third day, and ascended into heaven; and all other things which pertain to our religion are only appendages to it. " Every prophet who has succeeded Joseph Smith has added his personal witness of the divine mission of the Savior.

The First Presidency affirmed: " As those who are called and ordained to bear witness of Jesus Christ to all the world, we testify that He was resurrected on that Easter morning nearly two thousand years ago, and that He lives today. He has a glorified, immortal body of flesh and bones. He is the Savior, the Light and Life of the world. " Millions of faithful Saints have also had testimonies of the divinity of Jesus Christ. This knowledge has motivated them to make the sacrifices necessary to build The Church of Jesus Christ of Latter-day Saints, the kingdom of God on the earth. The story of the establishment of the Church is one of faith, consecration, and joy. It is the story of living prophets who taught the truths of God to the modern world. It is the story of men and women from all walks of life who sought for the fulness of the gospel of Jesus Christ and, upon finding it, were willing to pay the price of becoming the Savior ' s disciples. These stalwart Saints pressed on through sufferings and hardships, witnessing even in their darkest hours of the

---

goodness of God and the joy of his love. They have left a legacy of faith, courage, obedience, and sacrifice. The heritage of faith continues today. Latter-day Saints throughout the world are modern pioneers in their own homelands, where they live with faith and courage in a time fraught with new challenges and opportunities. There are pages of history yet to be written. We each have an opportunity to leave a heritage for generations to follow that will help them understand the joy of living and sharing the gospel of Jesus Christ. As we learn more about the faith of those who have gone before us, we can better understand those with whom we have joined hands in bearing witness of the Savior and helping to establish his kingdom. We can determine to live more righteously as faithful disciples of the Lord Jesus Christ.

Deseret Sunday School Union Leaflets The Church of Jesus Christ of Latter-day Saints With her client's husband somewhere between this world and the next, attorney Alexia Lindale makes

an everlasting choice. The youngest son of a family consumed by greed, Baxter Richardson lingers on this earth in a coma. His wife wants him dead to protect her secrets. His brother wants him dead to gain control of the family empire. And though Baxter's father fights to keep him alive, even he has ulterior motives. But Baxter has a surprising ally. A classically trained pianist, Ted Morgan believes music can be used as prayer. And Ted's divinely-inspired playing has been slowly pulling Baxter back from the brink of death. Attorney Alexia Lindale represents Baxter's wife, Rena, but has no idea that she and her client are being played in a game that has higher stakes than a single legal case. As Baxter grows stronger, the more endangered he becomes. As Alexia navigates her responsibilities to her client, her relationship with the gifted musician, and her new relationship with God, she must discern the

truth as it pertains to life, death, and life everlasting. Joseph Smith's Kirtland Bookcraft, Incorporated What could Roman Catholicism and Mormonism possibly have to learn from each other? On the surface, they seem to diverge on nearly every point, from their liturgical forms to their understanding of history. With its ancient roots, Catholicism is a continuous tradition, committed to the conservation of the creeds, while Mormonism teaches that the landscape of Christian history is riddled with errors and apostasy and in need of radical revision and spiritual healing. Additionally, successful proselyting efforts by Mormons in formerly Catholic strongholds have increased opportunities for misunderstanding, polemic, and prejudice between the two faiths. However, as demonstrated in this unique and spirited dialogue between two theologians, one a

---

convert to Catholicism and the other a convert to Mormonism, these two traditions are much closer to each other than many assume, including in their treatment of central doctrines such as authority, grace, Jesus, Mary, and revelation. Both Catholicism and Mormonism have ambitiously universal views of the Christian faith, and readers will be surprised by how close Catholics and Mormons are on a number of topics and how these traditions, probed to their depths, shed light on each other in fascinating and unexpected ways. Catholic and Mormon is an invitation to the reader to engage in a discussion that makes understanding the goal, and marks a beginning for a dialogue that will become increasingly important in the years to come.

Illustrated About The

Wentworth Letter by Joseph Smith The "Wentworth letter" was a letter written in 1842 by Latter Day Saint movement founder Joseph Smith to "Long" John Wentworth, editor and proprietor of the Chicago Democrat. It outlined the history of the Latter Day Saint movement up to that time, and included Mormonism's Articles of Faith. The letter was written in response to Wentworth's inquiry on behalf of one of his friends, George Barstow, who was writing a history of New Hampshire. The letter was first published on March 1, 1842 in the Times and Seasons in Nauvoo, Illinois. Temples of the New Millennium Oxford University Press Sermons and writings of Joseph Smith, the Prophet.

The Savior in Kirtland Shadow Mountain

I exhort you to remember these things, for the time speedily cometh that ye shall know that I lie not, for ye shall see me at the bar of God; and the Lord God will say unto you: Did I not declare my words unto you, which were written by this man, like as one crying from the dead, yea even as one speaking out of the dust?

- Moroni 10: 27 If Moroni's only role had been to officiate as prophet and seer during the final years of a once-mighty civilization, that alone would set him apart as a valiant and powerful servant of the Lord. But Moroni's ministry goes on today as a messenger for our time. Moroni's life and teachings, as well as his role in bringing forth the gospel of Jesus Christ, are worthy of careful study. This book will aid you as you come to know more about the teachings of this prophet who now reigns in heaven and still cares for all those working toward eternal life.

Understanding Isaiah

Thomas Nelson

Each of us has felt at times that our earnest prayers have fallen on deaf ears.

But perhaps it's our hearing that needs to be checked!

Based on Dr. Lynne Wilson's popular Education Week class, this book teaches us how to understand the principles of revelation, discern the influence of the Spirit, and find the answers we are seeking. After all, heaven is truly just a prayer away.

Book of Mormon Student Manual Shadow Mountain

Discusses the Creation from a scientific and religious viewpoint

Learning the Language of the Lord Messenger Publications

The year 1978 marked a watershed year in the history of The Church of Jesus Christ of Latter-day Saints as it lifted a 126-year ban on ordaining black males for the priesthood. This departure from past practice focused new attention on Brigham Young's decision to abandon Joseph Smith's more inclusive original teachings. The Mormon Church and Blacks presents thirty official or authoritative Church statements on the status of African Americans in the Mormon Church. Matthew L. Harris and Newell G. Bringhurst comment on the individual documents,

analyzing how they reflected uniquely Mormon characteristics and contextualizing each within the larger scope of the history of race and religion in the United States. Their analyses consider how lifting the ban shifted the status of African Americans within Mormonism, including the fact that African Americans, once denied access to certain temple rituals considered essential for Mormon salvation, could finally be considered full-fledged Latter-day Saints in both this world and the next. Throughout, Harris and Bringhurst offer an informed view of behind-the-scenes Church politicking before and after the ban. The result is an essential resource for experts and laymen alike on a much-misunderstood aspect of Mormon history and belief.
