The Scar is set in the same world and I liked it better. Mieville batters his characters relentlessly and his prose is a little battering also (he could never use the word "spew" again and it would not be too soon) But I loved the world building, the grotesquerie, the hardness and sharpness of the characters.

The Scar: A Bas-Lag Novel 2 |  
Rakuten Kobo

The Scar is on a par with Perdido Street Station, and in its best moments it surpasses that novel. In its weakest, it seems too burdened with talk, and it is true that the mythic backstory of Bas-Lag is an awful lot to keep up with. But in the end that's a testament to China Miéville's energetic creativity and

freshness.
