Since its publication in 1905, The Scarlet Pimpernel has experienced global success, not only as a novel but in theatrical and film adaptations. Sally Dugan charts the history of Baroness Orczy's elusive hero, from the novel's origins through its continuing afterlife,

including postmodern appropriations of the myth. Drawing on archival research in Britain, the United States and Australia, her study shows for the first time how Orczy's nationalistic superhero was originally conceived as an anarchist Pole plotting against Tsarist Russia, rather than a counter-revolutionary Englishman. Dugan explores the unique blend of anarchy, myth and magic that emerged from the story's astonishing and complex beginnings and analyses the enduring elements of the legend. To his creator, the Pimpernel was not simply a swashbuckling hero but an English gentleman spreading English values among benighted savages. Dugan investigates the mystery of why this imperialist crusader has not only survived the decline of the meta-narratives surrounding his birth, but also continues to enthrall a multinational audience. Offering readers insights into the Pimpernel's appearances in print, in film and on the stage, Dugan provides a nuanced picture of the trope of the Scarlet Pimpernel and an explanation of the phenomenon's durability.

'Mam'zelle Guillotine' is an adventure novel written by Baroness Orczy. It follows Gabrielle Damiens, the daughter of Francois Damiens, a man arrested for attacking the King of France with a pocket knife. Although the wound was minor, Damiens' punishment for drawing royal blood was to be hanged, drawn and quartered. At age 16, Gabrielle finds letters written by her father which prove that his crime had been instigated and aided by a body of noble gentlemen, who planned it as warning to the King to change his ways. Damiens bore the brunt of this conspiracy in silence while the aristocrats remained immune.

It is Paris, 1793, the most seething time of the revolution. No one knew in the morning if his head would still be on his shoulders in the evening, or if it would be held up by citizen Samson the headsman, for the sans-culottes of Paris to see. However, the Scarlet Pimpernel, Sir Percy Blakeney, is still at large to rescue France's aristocrats. I Will Repay was written by Baroness Emmuska Orzcy and originally published in 1906, this is a sequel novel to the Scarlet Pimpernel. The second Pimpernel book written by Orzcy, it comes (chronologically) third in the series and should be read after Sir Percy Leads the Band and before The Elusive Pimpernel. The story starts before the French revolution. It's 1783 and wealthy Paul Déroulède has offended the young Vicomte de Marny by speaking disrespectfully of his latest infatuation, Adèle de Monterchéri. Déroulède had not intended to get into the quarrel but has a tendency to blunder into things -- "no doubt a part of the inheritance bequeathed to him by his bourgeois ancestry." Incensed at the slur on Adèle, who he sees as a paragon of virtue, the Vicomte challenges Déroulède to a duel, a fight which Déroulède does not want -- for he knows and respects the boy's father, the Duc de Marny.
