In this breakthrough guide to understanding, treating, and healing Attention Deficit Disorder, Dr. Gabor Maté, bestselling author of *The Myth of Normal* shares the latest information on: • The external factors that trigger ADD • How

to create an environment that promotes health and healing • Ritalin and other drugs • ADD adults • And much more... Attention Deficit Disorder (ADD) has quickly become a controversial topic in recent years. Whereas other books on the subject describe the condition as inherited, Dr. Maté believes that our social and emotional environments play a key role in both the cause of and cure for this condition. In *Scattered*, he describes the painful realities of ADD and its effect on children as well as on career and social paths in adults. While acknowledging

that genetics may indeed play a part in predisposing a person toward ADD, Dr. Maté moves beyond that to focus on the things we can control: changes in environment, family dynamics, and parenting choices. He draws heavily on his own experience with the disorder, as both an ADD sufferer and the parent of three diagnosed children. Providing a thorough overview of ADD and its treatments, *Scattered* is essential and life-changing reading for the millions of ADD sufferers in North America today. **Hunting Fear National**

“ Full of yearning, ponderances about art and what it means to be an artist, and self-revelation, *A Scatter of Light* has a simmering intensity that makes it hard to put down.”—NPR An Instant New York Times Bestseller *Last Night at the Telegraph Club* author

Malinda Lo returns to the Bay Area with another masterful queer coming-of-age story, this time set against the backdrop of the first major Supreme Court decisions legalizing gay marriage. Aria Tang West was looking forward to a summer on Martha ’ s Vineyard with her best friends—one last round of sand and sun before college. But after a graduation party goes wrong, Aria ’ s parents exile her to California to stay with her grandmother, artist Joan West. Aria expects boredom, but what she finds is Steph Nichols, her grandmother ’ s gardener. Soon, Aria is second-guessing who she is and what she wants to be, and a summer that once seemed lost becomes unforgettable—for Aria,

her family, and the working-class queer community Steph introduces her to. It ’ s the kind of summer that changes a life forever. And almost sixty years after the end of *Last Night at the Telegraph Club*, *A Scatter of Light* also offers a glimpse into Lily and Kath ’ s lives since 1955.

"deeply felt and fiercely written" story of a young girl's journey out of Zimbabwe and to America (New York Times Book Review), from the author of *Glory*. Darling is only ten years old, and yet she must navigate a fragile and violent world. In Zimbabwe, Darling and her friends steal guavas, try to get the baby out of

young Chipo's belly, and grasp at memories of Before. Before their homes were destroyed by paramilitary policemen, before the school closed, before the fathers left for dangerous jobs abroad. But Darling has a chance to escape: she has an aunt in America. She travels to this new land in search of America's famous

abundance only to find that her options as an immigrant are perilously few. NoViolet Bulawayo's debut calls to mind the great storytellers of displacement and arrival who have come before her – from Junot Diaz to Zadie Smith to J.M. frightening  
prospect, as each  
of the Earth's past  
major

Newitz, science

that although

The marriage act is still a few years away and the courts thought Fella would be better off with a blood relation. Already heartbroken, Fella soon finds herself alone in Mrs. Madison's house, grieving both the death of her mother and the loss of her entire family. Then one night, Zany shows up at Mrs. Madison's house

determined to fulfill Mama Lacy's dying wish: to have her ashes spread over the lawn of the last place they were all happy as a family. Of course, this means stealing Mama Lacy's ashes and driving hundreds of miles in the middle of night to Asheville, North Carolina. Their adventure takes one disastrous turn after another, but their impulsive journey helps them rediscover the bonds that truly make them sisters. A heartrending story of

family torn apart and put back together again, Ashes to Asheville is an important, timely tale. A Scatter of Light Bantam

A village tries to save itself through the sheer force of imagination - all because of an eleven-year-old-girl. In 1939, the residents of the tiny Romanian village of Zalischik are counting on their isolation to protect them from the catastrophe sweeping

---

Europe. When a mysterious stranger is washed up on the riverbank and the illusion of peace is shattered, the villagers are forced to acknowledge the precariousness of their situation. At the suggestion of an eleven-year-old girl and the washed up stranger, the villagers decide to start the world over, and begin again from scratch. But the real world continues to unfold alongside the imagined one, and soon our narrator - the girl, grown into a young mother - must move from one world to the next. In rich, luminous prose, Ramona Ausubel has created a story about the bigness of being alive as an individual, as a member of a tribe, and as a participant in history. *the Time War* Harper Collins  
More than 40 years after his debut and nearly a decade since his last appearance, one of the most renowned characters in all of crime fiction is back on the case. Well past retirement age and feeling his years-but still staying sober one day at a time-Matthew Scudder learns that alcoholics aren't the only ones who count the days since their last slip. Matt's longtime partner,

Elaine, tells him of a group of former sex workers who do something similar, helping each other stay out of the life. But when one young woman describes an abusive client who's refusing to let her quit, Elaine encourages her to get help of a different sort. The sort only Scudder can deliver. A *Time to Scatter Stones* offers not just a gripping crime story but also a richly drawn portrait of Block's most famous character as he grapples with his own mortality while proving to the younger generation that he's still got what it takes. For Scudder's millions of fans around the world (including the many who met the character through Liam Neeson's portrayal in the film version of *A Walk Among the Tombstones*), *A Time to Scatter Stones* is an unexpected gift—a valedictory appearance that will remind readers why Scudder is simply the best there is.
