FUBAR. The day my life fell apart, I was introduced to this term. It ' s comforting to know there ' s one word that completely defines my life. Go ahead. Look it up. And right next to the term, you might see a picture of me as the example, sweltering in a 40-pound princess gown in front of my castle beside a kiddie coaster ... and flanked by the sexiest piece of man candy that ever walked this earth: Dylan Sheridan. The same Dylan Sheridan who ' s an Olympic medalist turned MMA fighter turned billionaire

entrepreneur. The same Dylan Sheridan who destroyed my best fantasy the moment I realized he 's just a cock-sure narcissist who thinks I have a single-digit IQ. And I won ' t fall for him. Even when my life spirals out of control and he ' s the only one who reaches into the hurricane to pull me out. Because even though you see his rock-hard body standing by my side ... we ' re just faking it.

How far will one man go to save the life of a stranger? More importantly to Caroline, will he do it twice? Matthew "Wolf" Steel hated flying commercial. Luckily his job as a Navy SEAL meant he didn't have to do it very often. He'd been unlucky enough to be assigned a middle seat on the cramped jet, but fortunately for him, the woman next to him was willing to switch seats with him. Hoping for a relaxing flight, Wolf was pleasantly surprised at the good conversation and sense of humor the woman had as they flew 36,000 feet over the countryside. When Caroline boarded the plane to Virginia to move across the country for her new job she never expected to be seated next to the hottest guy she'd ever seen. She also never expected he'd be so easy to talk to. She knew he'd never be

interested in talking to her if he hadn't been trapped in the seat next to her, but it was a nice way to spend a long plane ride. Neither Wolf nor Caroline were prepared for a terrorist hijacking of their plane, but if Caroline thought that would be the last time she'd see, or need, Wolf, she'd be sorely mistaken. **Protecting Caroline is a stand-alone love story. It's Book 1 in the SEAL of Protection Series.** --- Read what others are saying about New York Times bestselling author, Susan Stoker: "Susan Stoker is the master of military romantic suspense. You've heard the joke... Know how to
 figure out if a guy's a pilot? He'll tell
 you. Yep. Cocky? Arrogant? Player?
 That's generally the impression I like to
 give women. Outside of my 8-pack and
 medals for valor, when it comes to
 women's expectations of me... I try to

keep the bar low enough so that I can
 roll over it. Until Kaila comes along.
 She's like every fantasy I could conjure
 - that night I made her soul-searing
 eyes glaze over with passion as she
 cried out my name... Several times,
 because I'm very thorough. It should
 have been enough for me. It's not. But
 with my past - and a secret I've kept
 even from my brothers - I know I'm not
 capable of giving her what she
 deserves. I know it... .. even with
 hindsight.
